CHECK OUT OUR WEBSITE!

PRINCIPAL'S CORNER

THE WEEK ENDING 11/15/19

Dear OSES Technology Campus Families,

Progress reports go home **Monday, November 18th**, please be sure to communicate with your teachers to ensure you are taking the necessary steps to be successful.

Please remember that only uniform jackets are permitted to be worn on campus. Students that have school uniform hoodies may not wear the hood unless outside. Students may wear non-uniform jackets to school, however need to remove them once inside the building.

Sincerely,
Michael Singleton

NEWSLETTER QUIZ

The Technology Campus is incredibly thankful for all of our faithful readers, and for that we would like to reward our families. Moving forward we will have a [NEWSLETTER QUIZ](#) located under the Principal's corner.

Dress down passes will be rewarded to the students who receive a 100% on the quiz for that week!

We hope that you have fun, and enjoy reading this week's edition! Entries are due the morning of Monday, December 2nd.

NASA's Mars 2020 rover needs a name! Any K-12 student in U.S. public, private, and home schools has a chance to name the next Mars rover bound for the Red Planet in **July 2020**.

To enter the contest, students submit their rover name and a short essay (max 150 words) to explain the reasons why their chosen name is the best. The contest closes Nov. 1, 2019. More information at <https://lnkd.in/eNKNbp6>

KINDERGARTEN

This week in Kindergarten we loved learning about our Veteran's and how we can support our troops. We learned about the different military branches and how they work together to serve

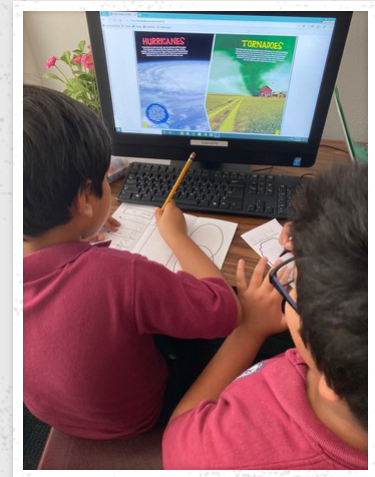

our country. We want to thank everyone that was able to make our Veteran's Day Celebration and all of our families that have had family members serve our country!

FIRST GRADE

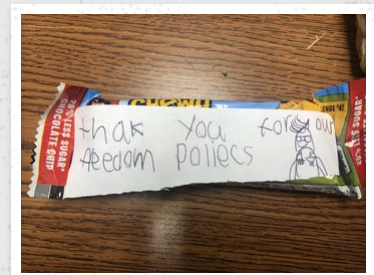

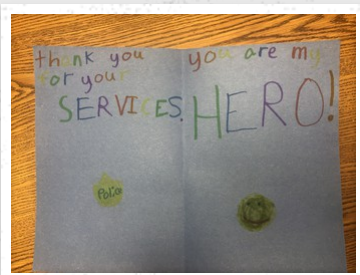

Thank you, families, for joining us at our Veteran's Night Celebration. The students really enjoyed learning the movements and words to "Grand Ole Flag" and we are proud of their enthusiasm and effort. We look forward to seeing you next week for our Thanksgiving Feast. We are also very excited about the field trip coming up on Thursday to the Showcase of Citrus.

SECOND GRADE

Mrs. Waugh's Science class had so much fun researching hurricanes, thunderstorms, and tornadoes and made brochures full of facts and safety tips. We can't wait for Fall STEM rotations next week and division math mystery!

To celebrate World Kindness Day on November 13th, our second graders at Orlando Science Elementary School completed a service project. Officers often don't have time to eat, as our safety is of their utmost importance. For our project, we had some wonderful parents donate some prepackaged snacks for our noble, honorable officers serving the Orlando community. Each child wrote kind messages on the snacks, to remind ALL of our officers that they matter and that kindness ripples. Sgt. McConnell from the Orlando Police Department came and visited some of our classes and was very happy with our kind gesture!

THIRD GRADE

We had our math benchmark this week. Next week we will have our Drop Everything and Write. We are having a Thanksgiving Feast on **Thursday, November 21st!**

Mrs. Sokoloff and Mrs. Hurley are working together to make floats for our Thanksgiving Feast.

<https://www.signupgenius.com/go/4090e49aba62eaaff2-third>

FOURTH GRADE

Fourth grade has had an eventful week! Mrs. Michaud's class has been working on identifying how multimedia elements assist in comprehending a passage. They also discussed wind energy, the Seminole Wars, and continued their discussion of the multiplication of fractions.

We are very excited for our St. Augustine trip! If you will be chaperoning, the chaperone fee is \$122 and is due no later than **Monday, December 2**.

FIFTH GRADE

The 5th grade classes worked together and wrote poems and thank you notes to the brave veterans for their service. Some of the 5th grade students shared pictures of veterans in their family. We are grateful to all the veterans who served to protect our freedom.

SIXTH GRADE

In World History we will be studying Ancient India and the religions of Hinduism and Buddhism from now up to the Thanksgiving Break. Please be sure to notify your teachers if you will be missing any school leading up to the break as both teams will be testing on India/Hinduism/Buddhism during those days.

Also, keep on the lookout for an email about the practice qualifier test for the regional History Bee. Mr. Lawrence and Mr. Press will be sending home some resources that you can use to prepare if you want to do well. The History Bee is not required but is an exciting competition for those interested in History and Geography.

In Mr. Press's Mythology and Art elective, the kids made some excellent depictions of Ragnarok; the destruction and rebirth of the world in Norse mythology. So much better than the Marvel version!

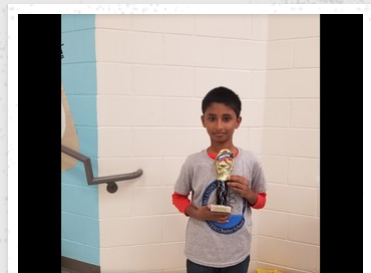

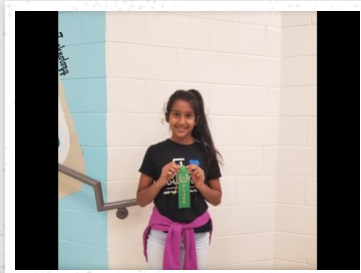

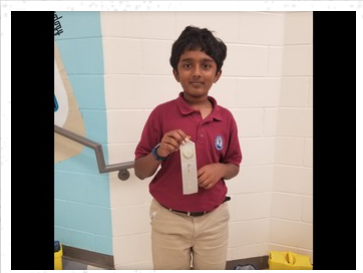

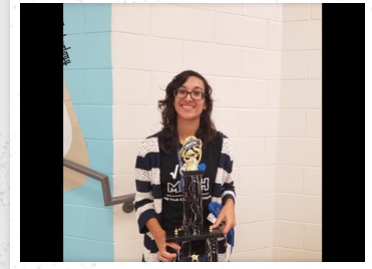

In Spanish Class we were working with Verb Conjugation. Students were able to review pronouns, verbs, adjectives, and nouns definitions so we could learn them in Spanish. Students were also able to Honor our Vets with art and Thank you Notes. Students were able to make Sugar Skulls for the Day of the Dead. Congrats to Samriddhi Basak for her AWESOME "COCO" Movie drawing/Painting about the Day of the Dead!!!

MATH COMPETITION

This past **Saturday, November 9th**, grades 3-6 participated in a Math League competition at Goldsboro Elementary. Overall, we came in 2nd place as school. Individually, in 3d grade, Anishka placed in 9th place, Anahi placed in 7th place, Ryu placed in 5th place, Daniel placed in 3rd place, and Srivats placed in 2nd place. In 4th grade, Adeb placed in 9th place and Brayden placed in 2nd place. In 5th grade, Aarati placed in 10th place, Havish placed in 8th place, Janvi placed in 7th place, Anushka placed in 6th place, Andrew placed in 4th place, and Rashed placed in 3rd place. In 6th grade, Monish placed in 9th place, Teja placed in 6th place, Arav placed in 5th place, and Samuel placed in 2nd place. Good job to all those that placed individually and wonderful job to the entire team! Our next competition will be **December 7** at Goldsboro Elementary!

TRAVELING ORCA

Our traveling Orca has been slowly making his way around campus. I am hoping that he makes it back to Building 2 next week. Please check out his blog with your class. It is updated weekly. The kids in the club would love to see some comments added to the posts! Make sure you play the Kindness theme song! It's a catchy little tune 😊
