

Atlanta Field Trip

The 6th grade students had the unique opportunity to visit Atlanta, GA on November 16-19. Students visited famous landmarks such as Georgia Aquarium, CNN, World of Coca Cola, CNN Studio, Zoo Atlanta and the College Football hall of Fame as well as variety of different activities. Students also were able to speak the target language and experience the culture with visiting families for breakfasts and dinners. The trip was filled with many fun activities and it was a great experience for our students.
