Chess Tournament

On Saturday, December 2nd, the Orlando Science Technology Campus hosted the fifth and final round of the Chess Dr. chess tournament. Eight schools registered and competed in the five-part tournament.

Results

The M/S Chess Team earned first place overall in K-12.

Three OSS students received trophies for scoring in the top percentile of their groups: Alexander Borrero (4th K-12), Chidanand Kanhai (6th K-12) and Pratham Masimukkiu (3rd K-5).

Congratulations to all the participants.
