

## Kentrell Martin Author Visit

This week on Wednesday and Friday we were blessed with a visit from authors Kentrell Martin and Allison Martin. Some of his well known books are Shelly's Adventures and Kasey's first day of basketball practice, and the newest one Shelly goes to the bank. We were also able to learn many words in sign language such as good, bad, thank you, forget, I love you, money, monkey, bear, and so many more. Forms were sent home to order books if you have not had the chance yet. You may also visit <https://shellysadventures.com/>
