## **Marbling Night**

OSS/OSES Marbling Night was a huge success!!! There were so many parents, staff members and students enjoying the diversity this campus has to offer. The food was spectacular, as were the presentations! Parents and students also had chance to make their own art while relaxing their minds. A special "thank you" to Ms. Aksu and her students for coming over to our campus for this event. Also "thank you" to Mr. Singleton, Ms. Reagan, Ms. Trujillo, Mr. Dag, Mr. Guler, Ms. Koc, Ms. Akin, the students, and the parents who made it a success!!! We look forward to seeing you during our next event!!!
