## Principal's Corner

Dear OSSES Family Members,

Order your yearbook online now through April 16th! See Page 12 for more details.

OSSES PVO will be hosting a Movie Night next Friday, April 7th! Students can wear Crazy Troll Hair at school for \$1. Later, come watch the movie, Trolls, with your friends and family at 6PM in the cafeteria. Details on Page 11.

BoxTops contest is back! Cut out your BoxTops and bring them in. The class who turns in the most BoxTops will win a prize. Check out Page 16 to see which classes are in the lead.

Award-winning children's book author, Kentrell Martin, will be visiting OSSES on April 6th and will speak to grades K-2. His titles incorporate American Sign Language (ASL) while telling a fun-filled story. See Page 14 for the order form! Please return the form and payment to Ms. Knight.

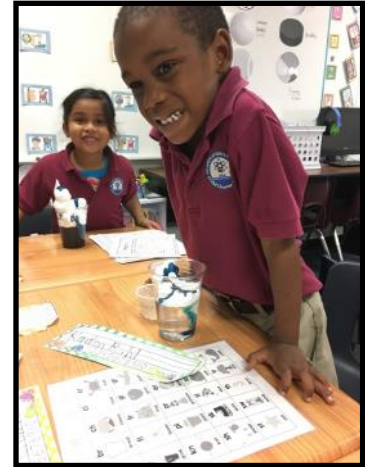

OSSES's Astronomy Night will be held on Friday, April 28. As part of our Space curriculum in science, we want to give our students the opportunity to see space in a new way! It will be a family fun night filled with hands-on STEM activities to learn about our universe. See Page 13 for more details! We hope to see you there!

We hope you enjoy your weekend and look forward to seeing your student on Monday.

Sincerely,  
Michael Singleton  
Principal

# Kindergarten

Kindergarten is getting back into the swing of things and ready to take on the last quarter of the year! All classes have been working on studying culture in social studies. In science, the students are learning about sinking and floating. Ms. Menoff's and Ms. McGee's class are finishing up their unit on double digit addition and subtraction. Ms. Haecherl's and Ms. Yamnitz's class are continuing to work on addition and word problems through 10.

# 1st Grade

In Ms. Swank's and Ms. Anderson's class in writing, the students used the writing process to write a newspaper article about their spring break. Our phonics study looked at prefixes and suffixes. In reading, we focused on fantasy stories and folk tales, including "The Hen, the Rooster, and the Bean", and "Go To Sleep, Gecko!" Our reading skill practice focused

on imagery and cause and effect. Our grammar focus skill was regular and irregular past tense verbs. In social studies we completed chapter 5 on "Our Past, Our Present", and students worked on creating timelines about their lives so far. In math, we began chapter 11 on geometry.

In Ms. Strickland's and Mrs.

Parker's class we are focusing on sequencing events and patterns. We wrote about growing a garden while focusing on adverbs and studied pollination in science. In math we started adding and subtracting two-digit numbers by using place value.

Second grade had a great time at the March AR celebration! Students were able to watch a movie, decorate cookies, or use Chromebooks and other electronics. April will be

our last monthly celebration and our goal is for all second grade students to attend! Keep up the hard work at home and continue taking quizzes!  
Mrs. Nelson's class has

# 2nd Grade

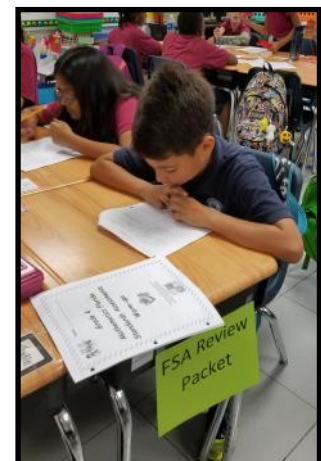

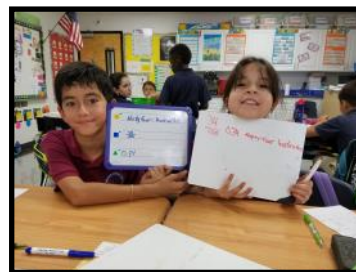

been learning about severe weather. This week students created a tornado picture and writing piece to share what they

# 4th Grade

Ms. Hurley's class will be starting new chapters of study in every subject next week! We will be moving on to chapter 7 in science which covers plants and animals and chapter 6 in social studies which covers World War I, The Great Depression, and World War II. In mathematics we will be moving on to unit 9 which covers coordinates, area, volume and capacity.

Thank you to all that donated to the donors choose project to help our classroom get our document camera! We are definitely putting it to good use!

3rd graders had an exciting week this week as we finished our FSA reading test and then celebrated our hard work with some fun stems (Leprechaun potion, penny bridge) and some fun activi-

ties (cotton candy and Sing). Mrs. Cybulski's class learned about how to solve and create complicated riddles through studying riddle and our thinking processes. We also had lots of fun celebrat-

# 3rd Grade

ing spring through writing our senses poems and decorating them with handmade flowers.

## 5<sup>th</sup> Grade Math and Science

In Science the students in Ms. Hiatt's and Ms. Blaske's class are working on force and Newton's 3 Laws of Motion. They made paper helicopter and discovered the forces that make things fall how they can slow down the rate at which something falls? The students also conducted an experiment to see how forces can affect motion. Students observed the reaction of a marble when it was pushed into a stationary marble. The students also learned more about non-contact forces including magnetism.

In Math the students are working on measurement and data. They made line plot graphs with fractions. Now they are working on finding the perimeter, area, and volume of rectangular prisms.

Study Island at Home

Please remind your children to keep working toward their goal of earning blue ribbons in all subject areas. Students may also use the computers in the media center with their teacher's permission to complete their Study Island assignments after school.

# Specials: Physical Education

**This week, all grades continued their kickball tournament. Some championship games were played, which concluded the kickball unit for those classes. Certain classes will play in their championship game next week on Monday and Tuesday. The students did an excellent job demonstrating knowledge of kickball rules and portraying good sportsmanship!**

## Singapore Math Club

Singapore Math takes a slightly different mathematical approach than what you may be used to. It revolves around several key number- sense strategies: building number sense through part-whole thinking, understanding place value, breaking numbers into decomposed parts or friendlier numbers, ones that are easier to work with in the four operations (addition, subtraction, multiplication and division).

Singapore Math does something dramatically different when it comes to word problems. It relies on model drawing, which uses units to visually represent a word problem. Students learn to visualize what a word problem is saying so they can understand the meaning and thus how to solve the problem.

This week in club the students worked on a model drawing website called Thinking Blocks. They each had a Chrome Book to answer word problems in: addition and subtraction, multiplication and division, fractions, and ratios and proportion. They even used the interactive board to work on their Thinking Blocks.

**Example:** I earned three times as much money this week as I did last week. This week I earned \$150.  
How much more did I earn this week than last week?

This week:  $\boxed{\phantom{00}} \boxed{\phantom{00}} \boxed{\phantom{00}} = 150$

Last week:  $\boxed{\phantom{00}}$

$?$

3 units = 150  
1 unit = 50  
 $150 - 50 = 100$

I earned \$100 more this week than last week.

# Dress Code Reminders

No hoodies, jackets with designs, or different colors are allowed. They may be worn to school but must be removed once inside.

# **IT'S MOVIE NIGHT!**

**Join us in the OSES Cafeteria  
Friday, April 7th at 6 pm**

**Students will also be able to wear**

**Crazy Troll Hair to school on Friday for \$1**

**The PVO will have concessions available for sale**

**Wear Pjs to the show and get a free popcorn!**

# Yearbook UPDATE!

## **YEARBOOKS ON SALE!:**

You can order your yearbook online now through April 16th. Yearbooks are \$20. Reserve your yearbook at [www.yearbookordercenter.com](http://www.yearbookordercenter.com), using School Code: 20679. If you do not order online by April 16th, there will be a limited quantity on a first-come, first-served basis. Order yours today!

## **PICTURE SUBMISSIONS Due Next Friday:**

**Friday, April 7th** is the deadline to submit pictures for the yearbook. If you have any pictures of school activities you would like to submit, please do so by following the steps below. Don't forget ALL submissions are due Next Friday.

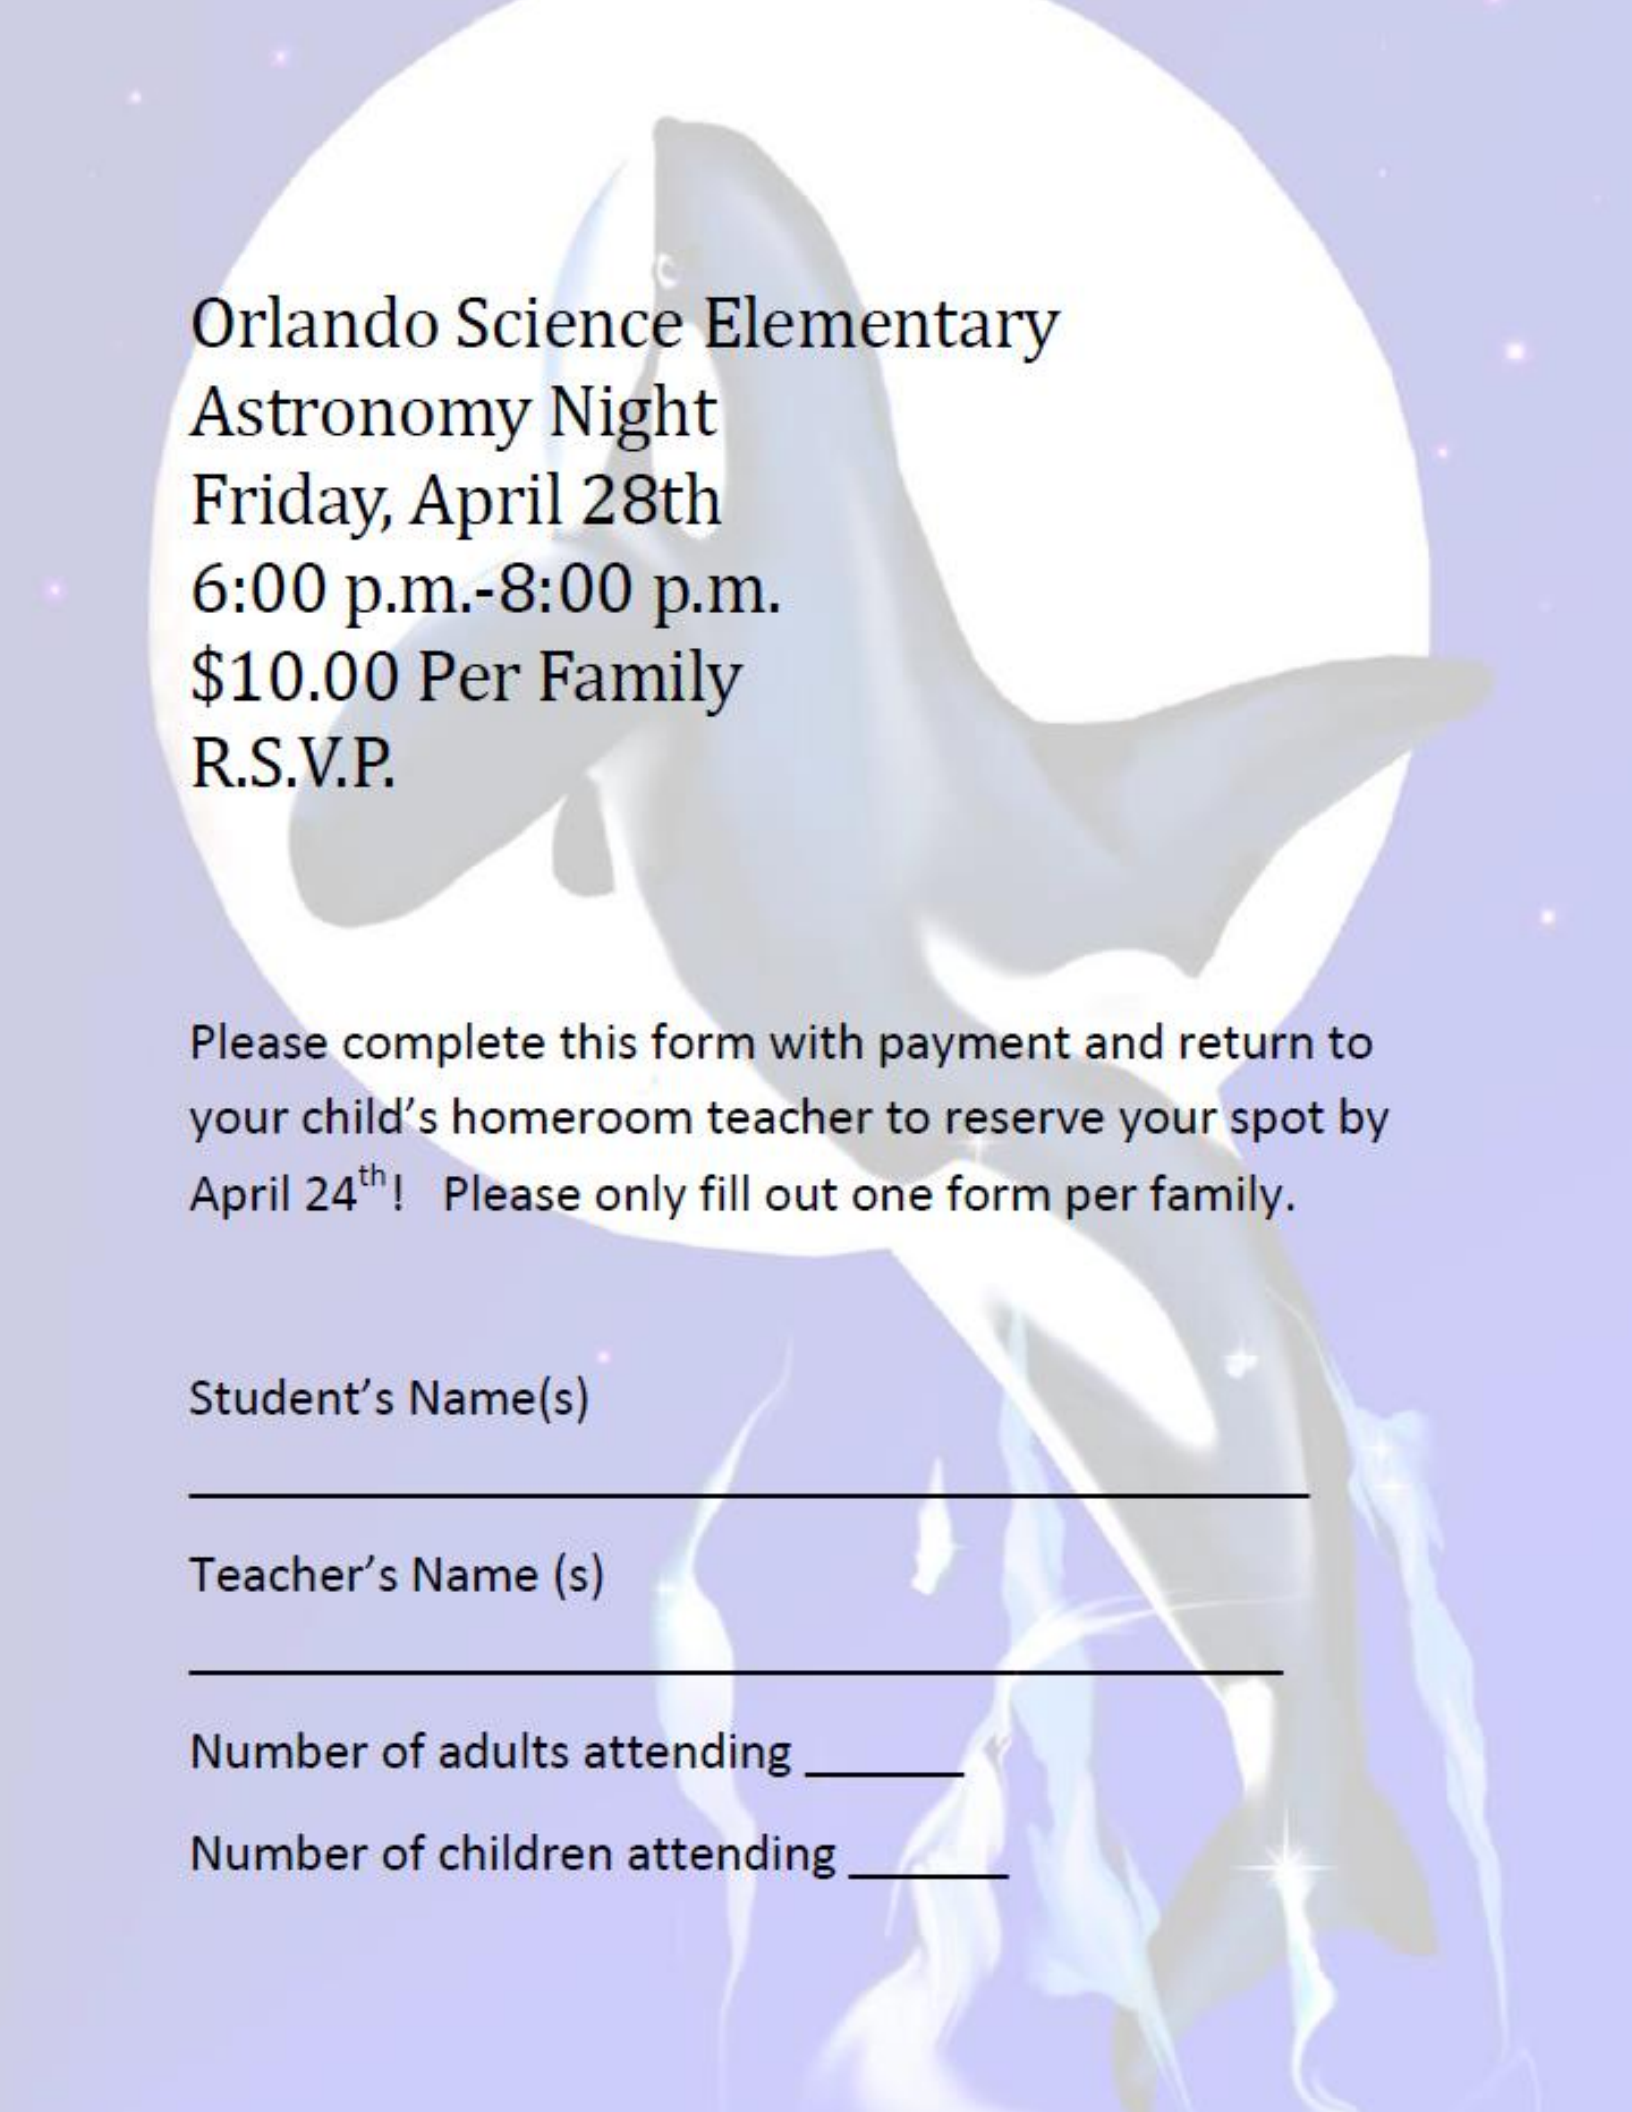

### **How to submit Yearbook pictures:**

This year, submitting pictures to be considered for the yearbook is really easy.

1. Go to <http://www.hjeshare.com/eShare/Index.jsp> or search for HJ ESHARE in the app store (Apple and Android).
2. School Code: OSES2017 (case sensitive!)
3. Fill out the acknowledgement information.
4. Submit up to 10 pictures at a time. Once uploaded, you will be asked for the grade level of the student(s) in the picture. If it was a multi-grade event, such as Grandparents Night, just put K-2, 3-5, etc. If it is a single grade level, just put the number (1st grade = 1). It will also ask for the names of students and a brief description. If it is a class picture, you put "\_\_\_\_\_'s Class" or "Grade Level." All fields must have something.

That's it! The deadline to submit pictures is **Friday, April 7th**. But please do not wait until the last minute, as I'd like to work on the book throughout the year.

Orlando Science Elementary  
Astronomy Night  
Friday, April 28th  
6:00 p.m.-8:00 p.m.  
\$10.00 Per Family  
R.S.V.P.

Please complete this form with payment and return to your child's homeroom teacher to reserve your spot by April 24<sup>th</sup>! Please only fill out one form per family.

# 2016-2017 Orlando Science Elementary Field Trip Form

**What:** 3 – 5 Field trip

**When:** Tuesday, May 16<sup>th</sup> 2017

**Where:** Blue Man Group @Universal CityWalk!

**Lunch:** Students will bring a sack lunch to eat

**Transportation:** Orange County School Buses will pick us up at 9:30am and drop us off at 1:30pm

**Cost:** \$50.00 per student due by April 14<sup>th</sup>, 2017

**Due Date:** Return the bottom half of this form and payment to Music Teacher by Friday, April 28<sup>th</sup>, 2017

**\*\* We will be willing to set up a payment plan of 2 \$25.00 payments. First payment will be due Wednesday, February 28<sup>th</sup>, and second payment on April 14<sup>th</sup>, 2017. Please contact Ms. Parrella with further questions:**

Marisa.Parrella@orlandoscience.org

**\*\*If you are willing and able to financially help another classmate, please contact your homeroom teacher and/or clearly label the envelope with the additional funds.**

Please return this portion with payment to your student's Music teacher.

Student Name \_\_\_\_\_

Printed Parent/Guardian Name: \_\_\_\_\_

Emergency Contact Phone Number (       )

Parent/Guardian Signature: \_\_\_\_\_

Relationship to student: \_\_\_\_\_

I would like to be a chaperone on the trip \_\_\_\_\_ Chaperone Cost: \$50.00

**Chaperones:** Chaperones are selected by the organizers of the field trip. You will be contacted if chosen as a chaperone, please do not submit payment until you are notified. The number of chaperones needed varies for each field trip. All chaperones must be cleared in Additions, before applying as a chaperone. Parents and family may not attend field trips unless they are a designated chaperone.

**Liability Release:** Should my child sustain or incur any accident or illness while on Universal CityWalk! property, I hereby authorize Disney employees and EMS to perform emergency care on my behalf. I give permission for my child to participate in any and all activities on that day. I understand that the transportation company and the hosting company, organization, or facility is insured and that Orlando Science Elementary is not responsible for accidents during transportation or at the event, that are not directly as a result of an Orlando Science Elementary employee.

# Pizza Day!

## Pizza Day is back!

**When:** Every Tuesday

**Options:** 1 Slice: \$2

Combo #1: 1 Slice and 1 Drink - \$3

Combo #2: 2 Slices and 1 Drink - \$5

**Payment:** All Pizza money will be collected by your student's classroom teacher on the Monday before Pizza Day.

CASH ONLY will be accepted. Pizza Day money is separate from regular lunch money and cannot be transferred. Please send exact payment with your student in a labeled envelope for their teacher.

**\*\*Pizza money turned in after Monday at 2:00 PM will not be accepted.\*\***

Pizzas are ordered from Papa John's. All slices of pizza are cheese only.
