# Kindergarten

This week in Kindergarten we have had a very productive and exciting week! In reading we have been learning about how to compare and contrast fiction and non-fiction texts. In math we have been practicing our graphing skills. In science we are learning about sounds and vibrations and in social studies we have been learning about past and present. This week Ms. Haecherl's class was so excited to welcome their baby chicks into their classroom and watch them grow every day! Don't forget our Kindergarten field trip to LEGOLAND is next Friday; we look forward to a fun-filled day with the parents and students!

First grade had a blast this week at Field Day! We got soaking wet and we had a great time getting our teacher wet with water balloons and wet sponges. Academically Ms. Swank and Ms. Anderson's classes are

writing about our favorite first grade memories, studying animal adaptations, reviewing syllabication, and learning multiplication concepts. Mrs. Parker and Ms. Strickland class are review math fact, doing double digit addition

and subtraction and talking about money. In reading and writing we are working on ocean animal pieces that go hand and hand with our science unit.

## 5th Grade

As we approach the end of our 5th grade school year, the calendar has been packed! Students enjoyed their field trips to Animal Kingdom and Blue Man Group concert, as well as Field Day

this morning. In between all of the fun times, we still have managed to continue learning and reviewing material for our MAP Testing this week. The 5th grade Graduation Ceremony will be

next Thursday at 6:00 pm at The Majestic. STEM day is also coming up next Tuesday, and we are all looking forward to watching Ms. Farrell's class play on the American Revolution.

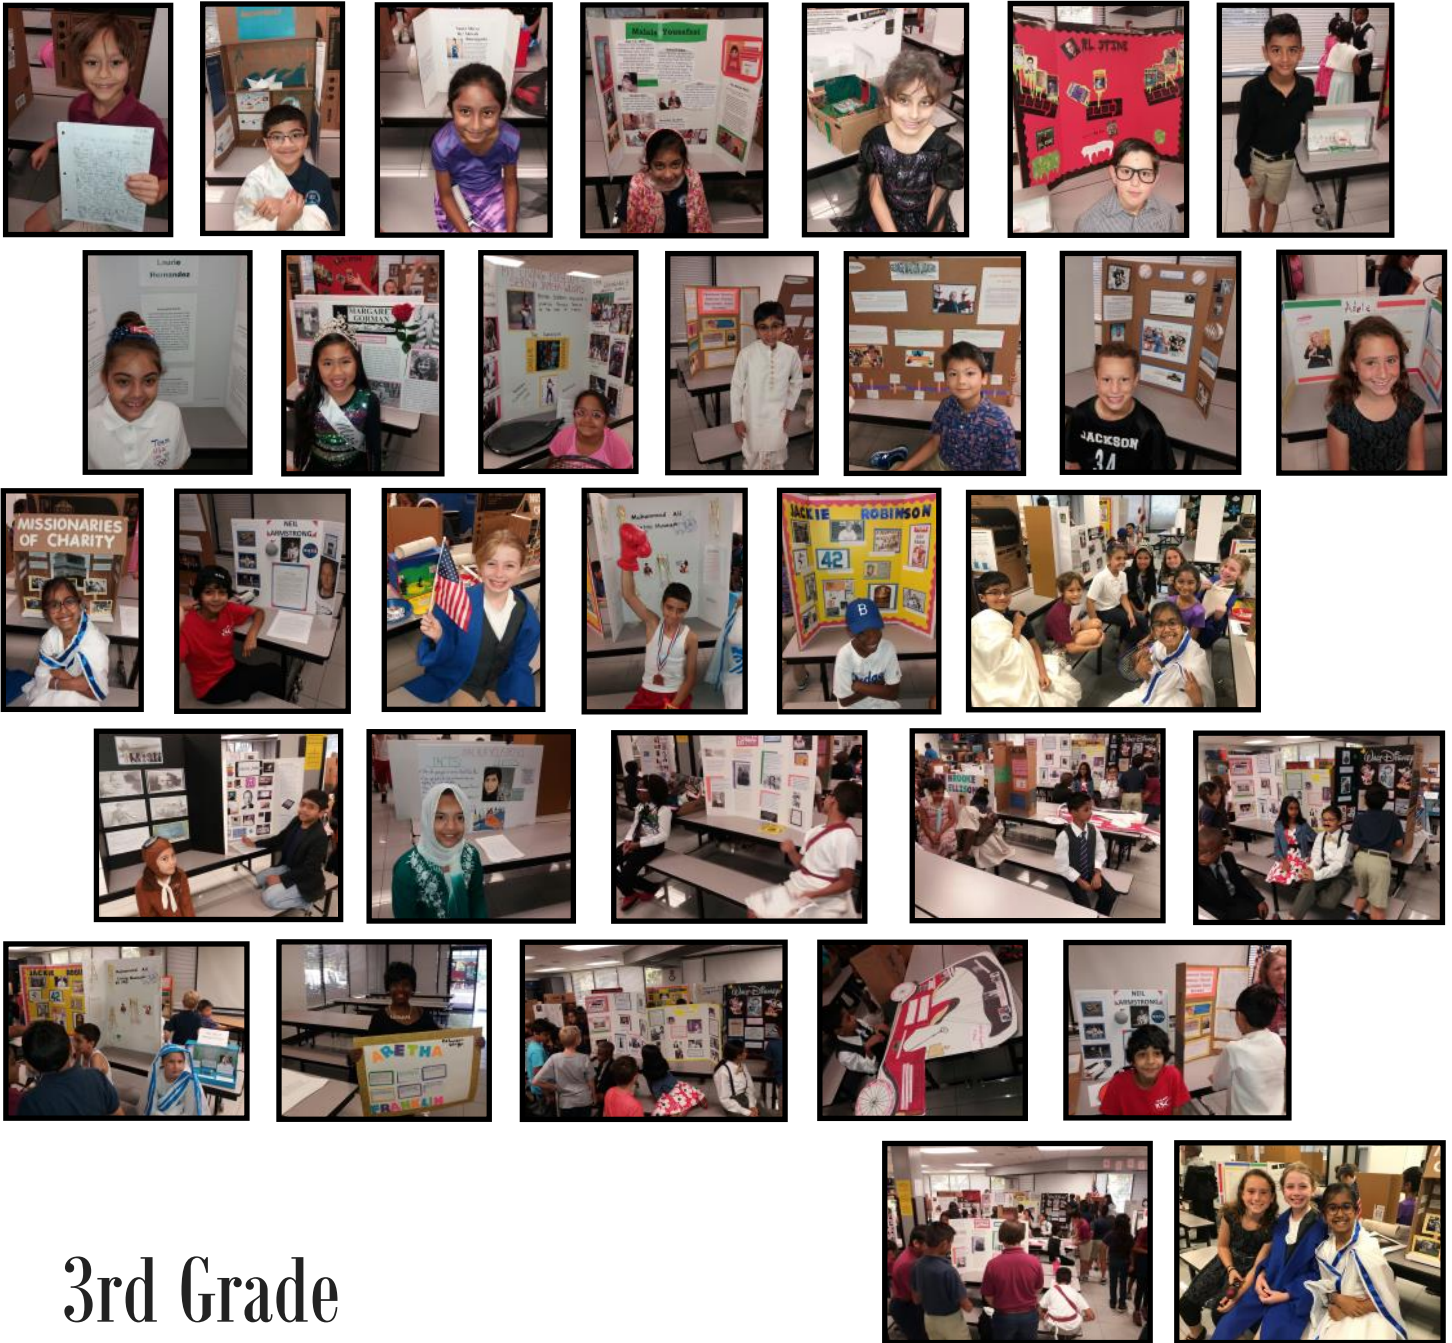

# 2nd Grade

3rd graders have an exciting week ahead of them! Mrs. Cybulski, Ms. Silvaes and Ms. Murphree's class have all researched and made biography presentations on their personal role models. We will also

have a field trip to blue man's group with Ms. Parrilla. Mrs. Cybulski's and Ms. Silvaes' class will continue on our studies of ancient civilizations with the study of Ancient China. 3rd graders con-

tinue to help their teachers decorate the classroom for the different biomes. We will also be making 4 different kinds of slimes for slime rotation day.

# 3rd Grade

Fourth Grade has some very exciting things going on to wrap up the school year! Ms. Hurley and Ms. Thomas' classes visited Ms. Farrell and Mrs. Culverwell's classrooms to talk to their students about what it is like to be a 5th grader. Each classroom has been working on different math projects varying from planning a field trip to outer space, creating 3-D models of the suitcases they will be bringing on their trip, to designing a city based on geometry. In addition to this, we have the following activities come up. If you are free to volunteer for our STEM day please sign up on ADDitions.
