Principal's Corner

Dear OSSES Family Members,

OSSES would like to thank ALL of our volunteers! Please see Pages 11 & 12.

The results are in!! BoxTops have been collected and counted! Congratulations to our K-2 and 3-5 Winners! Check out Page 9 for the results!

Thank you to those who participated in our School Beautification Contest! Our winners are on Page 10.

Have you outgrown your uniforms? We are accepting uniform donations May 30th and 31st. Please see Page 8 for more details.

OSSES will be offering STEM Camp this summer! See Pages 13 - 16 for more details!

We hope you enjoy your long weekend and look forward to seeing your student on Tuesday.

Sincerely,
Michael Singleton
Principal

Reminders!

BALANCES:

Don't forget to pay any remaining balances due before the end of the year! To check if you have any After Care or Lunch balances due, please contact Mr. G at KGuler@OrlandoScience.org.

MEDICATION:

If your student has any medication at school, please be sure to pick up the medication by the end the school year. Any medications left after Wednesday, May 31 will be thrown away according to OCPS guidelines for safe disposal of medication.

Kindergarten

It has been an amazing year in kindergarten! The students have learned and grown so much. Thank you for all the support throughout the year. Today the students celebrated their success at Legoland. Thank you to all the parents that volunteered to help out. We couldn't have done it without you!

First grade is finishing up our year! We have been reviewing the year and sharing our favorite memories. We are making memory books to remember our favorite moments about 1st grade.

We are also celebrating our year with different STEM challenges such as making our own ovens to cook s'mores! We will have our in-class award ceremony this Friday and celebrate each student's accomplishments.

1st Grade

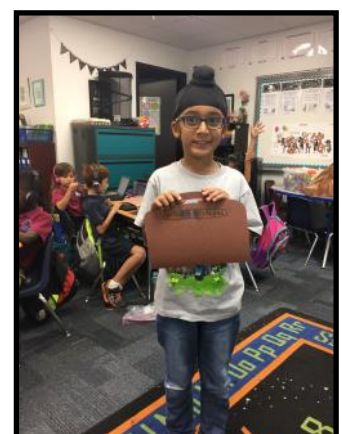

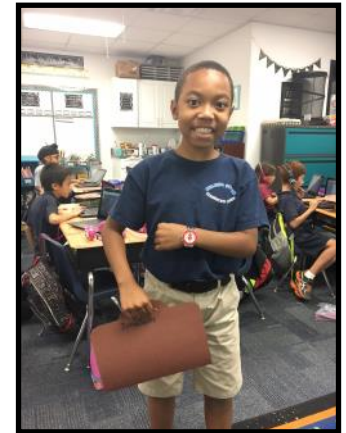

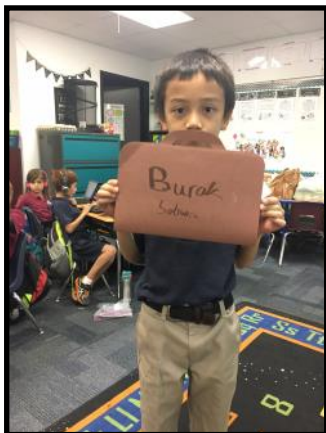

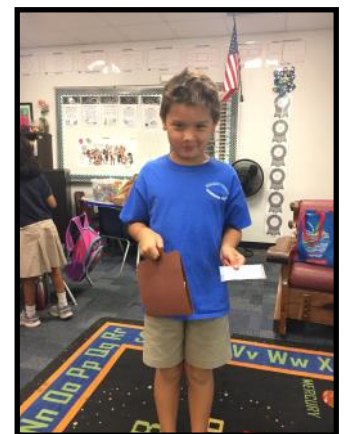

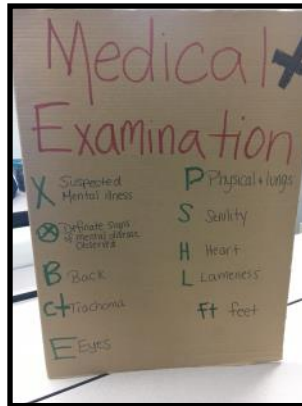

It has truly been a wonderful year!

3rd Grade

It has been an amazing year for third grade and we can't believe we have already reached the end of the school year! Our students have grown and learned so much. We are proud of them. We wish you all a safe, happy, and relaxing summer!

2nd Grade

Second grade spent the week learning about immigration in the 1800s. On Friday, students participated in an Ellis Island experience. Students created suitcases and passports and boarded a ship to the United States of America. Upon arriving, students went through the various stages of the Ellis Island immigration process.

4th grade had a very busy week! Mrs. Anderson's friends are continuing to work on their long-term Geometry math project. This integrates all aspects of STEM by designing and engineering an entire city using scientific and mathematical concepts learned this year! The students have enjoyed the planning process and have starting construction this week. We are also continuing to review all of the 4th grade math and reading standards in order to best prepare for our transition into 5th grade. In Ms. Thomas' class, students presented several projects, including Memoir Projects as well as Big Dreams projects! For the Big Dreams Project, students were required to research a career and a college that would help them meet that goal. Students fully delved into this project, and the presentations were very impressive! 4th grade has also enjoyed their themed activities! On Monday, we had our Teddy Bear Picnic. On Tuesday, we did arts and crafts. On Wednesday, we participated in Fairy Tale STEM Day. Thursday was Memo-licious Madness, where students signed T-shirts and completed Memory Books. 4th grade also had a great time at Field

Day last Friday, and would like to thank Ms. Stapleton and all of the parent volunteers who helped to make it a success!

4th Grade

LOOK OUT MIDDLE SCHOOL HERE WE COME!

5th Grade

Another busy and fun filled week of learning!

On Stem Day students made containers to hold as much water as possible with limited supplies. Then they made different devises to help chocolate melt or keep it cool.

The American Revolution play Ms. Farrell's classes put on was awesome! Great job everyone.

A fun time was had by all during the end of the year class parties.

The 5th grade graduation was memorable and beautiful. Thank you, parents, teachers, staff, and administrators for all your hard work and your continued support.

Specials: Computers

I hope we all have had a great year since beginning of the school. We worked very hard with my students and learned a lot during the year.

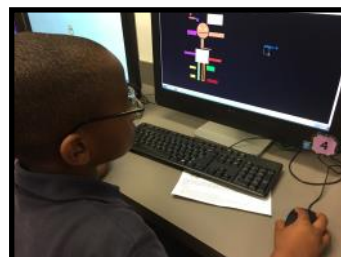

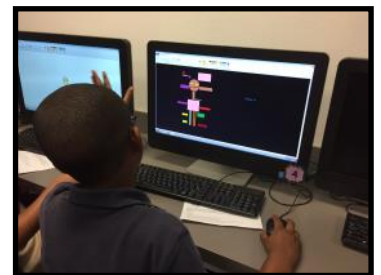

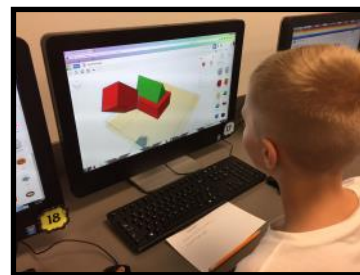

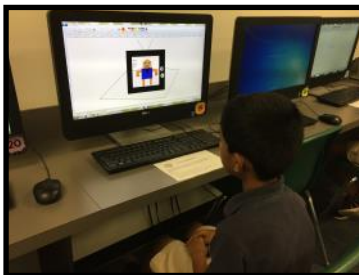

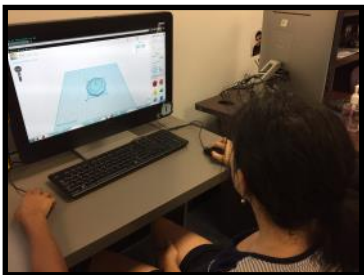

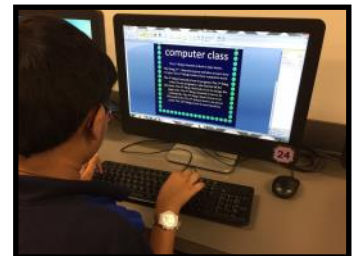

Kindergarten and 1st graders continue working on Prodigy where they can improve their math skills.

2nd graders talked about what we learnt during computer class during this year and they typed ten sentences about it.

3rd graders had fun activity on Paint this week. They designed “new” cartoon character. It was so much fun.

4th and 5th graders have been learning 3D printing basics. For 3D printing, we are using online website called Tinkercad. All of the kids have an account on that website and they can continue to work on it at any time.

I wish all of you have a great summer!

VOLUNTEERS MAKE A DIFFERENCE.

THANK YOU!

Orlando Science Schools would like to thank ALL of our volunteers for contributing their time and energy to support the students and staff at our schools. We truly could not do it without you! Whether it is helping with the Book Fair, sorting papers, assisting with clubs, counting Box Tops, or anything in between, your involvement does not go unnoticed and is genuinely appreciated.

Over the course of the 2016-2017 school year, our amazing volunteers contributed just over

4,128 Hours!!

That is over 600 more hours than were logged last year! Thank you so much for all you do. We look forward to working with you all again next year.

Volunteers don't necessarily have the **T**ime; they just have the **H**earth.

Dear OSES Families,

Orlando Science Charter School is excited to offer STEM summer learning opportunities for our students.

STEM Camps will be held for four weeks this summer, June 5-9, June 12-16, July 10-14, and July 17-21 from 9:00-4:00. Each week of camp will cost \$200 per student. For families with more than one child attending, each additional student will be charged \$150 to attend camp. Students may attend either one, two, three, or four weeks (each week will vary by activities). Half-day or single-day camp is not offered this year. Space is limited, so camp enrollment will be first come, first served basis. A daily snack will be provided for each student; however, they are responsible for bringing their own lunch each day.

Students must be dropped off through the cafeteria no earlier than 8:30am. Pick up will also take place in the cafeteria and students must be picked up no later than 4:30 pm.

While on campus students will be required to abide by the OSES code of conduct. Failure to do so may result in dismissal from camp.

Dress Code: OSES uniform is not required; however, the following items will not be permitted: Tight pants, shorts that are shorter than fingertip length, offensive t-shirts, spaghetti strap or halter style tops. This is mandated by administration and will not be permitted while on campus.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael Singleton".

WE'RE EXPANDING

ORLANDO SCIENCE SCHOOL **EXPANSION FUNDRAISER**

The Orlando Science School Expansion Fundraiser is aimed at outfitting our classrooms with quality furnishings and state-of-the-art electronics to further enhance the already exceptional education our students will receive. Such items include:

- ☆ **Classroom Furnishings** (e.g. desks, bookshelves)
- ☆ **In-Class and Floating Technology** (e.g. Interactive Panels, laptops)
- ☆ **Academic Supplies** (e.g. textbooks)

We welcome any amount you are comfortable donating and encourage you to reach out to members of the community who may be willing to support the school.

This is an incredible opportunity to contribute to something that will make an impact on current and future students' education for many years to come.

As always, thank you for your ongoing support and for choosing Orlando Science Schools!
