PRINCIPAL'S CORNER

THE WEEK ENDING 9-21-18

Dear OSS Technology Campus Families,

Thank you for another great week here at OSS!

Progress reports were sent home this week. If your child did not receive theirs, please inform their homeroom teacher.

Congratulations to our Middle School Soccer Team who won their first match against Passport Charter Monday night! Congratulations to the team, Coach Ulgut, Coach Alexander and Coach Pham on this great victory! The Orcas take on Renaissance Charter next Monday and will be hosting a game next Wednesday at the Technology Drive Campus. Come out and support your Orcas!

Sincerely,
Michael Singleton

Please begin to collect small new and unused toys and trinkets for our Treasure Chest tent at the Fall Festival. These prizes are for the 2 free game tents the children play to collect tickets and then redeem them for prizes at the Treasure Chest tent. Donation boxes like the one above will be located at the front offices to drop off your donations.

NEWSLETTER QUIZ

The Technology Campus is incredibly thankful for all of our faithful readers, and for that we would like to reward our families. Moving forward we will have a [NEWSLETTER QUIZ](#) located under the Principal's corner.

Quiz completion will automatically place your student into a drawing for a Dress Down Pass. Dress Down Passes will be awarded to 10% of entries for each building. The number of entries will directly effect the amount of prizes awarded for the week. Entries selected from the lottery must be correct upon review.

We hope that you have fun, and enjoy reading this week's edition! Entries are due by the end of day Monday, October 8th.

SCHOOL PAY

ONLINE PAYMENT SYSTEM

Parents can now make FREE online payments for most school expenses online with School Pay. This includes School Lunch and After Care! Simply log into your secure online School Pay Parent Center account and pay for items including **after school care fees, club fees, field trips, class fees, student fees and more.** The first step is creating your Parent Center Account at schoolpay.com Please go to "Charter Schools" tab and then choose your school name as "Orlando Science Elementary School" to complete the steps for creating your parent account. Online payment methods include VISA, MasterCard, Discover cards, and a full history of payments is searchable by date and child. This gives families the convenience of paying at any time (24/7) from your home PC Emphasis on Security The School Pay service is audited by a third-party to assure adherence to the strict, Payment Card Industry Data Security Standard (PCI-DSS). If you have any problems using the School Pay system please call 1 888-88-MYPAY

Questions about your student's school pay account can be directed to [Ms. Centenera.](#)

TEACHERS PAY TEACHERS

Many of our teachers use Teachers Pay Teachers for engaging and inquiry-based lessons. There is a schoolwide Teachers Pay Teachers (TpT) account. Parents and community members may donate to the TpT fund by sending in TpT gift cards. Gift cards can be purchased online:

<https://www.teacherspayteachers.com/Gift-Card>. Parents can send in a gift card for their teacher or for the whole school account.

OSS TECHNOLOGY VOLUNTEERS

INTERESTED IN VOLUNTEERING AT THE OSS TECHNOLOGY CAMPUS?

Orlando Science Families interested in volunteering at the OSS Technology Campus during the 2018-2019 School Year MUST be ADDitions approved. Below you will find the link to apply for ADDitions for the 2018-2019 School Year.

APPLY TO BECOME AN ADDITIONS VOLUNTEER TODAY!

JOIN THE OSS PARENT VOLUNTEER ORGANIZATION!

Welcome Parents!

It is time, once again, to join the Parent Volunteer Organization (PVO)!

For latest information and events happening at our technology campus, grades K-5, please join our Facebook page under "OSSES PVO". We can also be reached at oses.pvo@orlandoscience.org

ATTENDANCE MATTERS

Attendance is key to the success of your student's learning. If you have any attendance concerns such as daily absences, upcoming absences, extended absences or questions please contact Ms Stella for k-3rd grade and Ms. Taylor for 3rd-6th grade

Stella.waton@orlandoscience.org

Taylor.watson@Orlandoscience.org

Please note that in order for an absence to be **excused** you must turn in proper documentation (i.e a doctors note) to the front desk

LOST AND FOUND

Please check the lost and found both in the cafeteria and the front desk in Building 2. We have lots of items that need to find their way back home.

Orcas, we ask that you take a moment and fill out the OCPS Free/Reduced Meal Application today! To fill out the application simply click the START FRESH photo above or click the link below. For more details regarding the application please select the appropriate link below.

OCPS FREE/REDUCED LUNCH APPLICATION

KINDERGARTEN

FIRST GRADE

This week Mrs. Beckman's class is reading the story "Gus Takes the Train" and learning about adjectives! In math, we are learning about subtraction strategies. Don't forget that September's homework will be due on **Monday, October 1st!**

This week, Ms. Jones's class is continuing to learn about nouns, verbs, and how to write sentences correctly. We have started planning for our "Noun Town" class project. We are also working on sequence of events and multiple-meaning words. In math, we are working on subtraction. Ask your child to tell you about Linus the Minus!

As a class, students learned the value of teamwork and respect through a STEM challenge. They had to build a 12 inch structure, as a team, to help support a giraffe to reach its food. They did great!

In Ms. DiNuzzo's class, our new weekly AR Superheros are Joseph with 8.7 AR points and David with 7.5 weekly AR points. Congratulations boys!

Students also gave forth their best effort on their first writing test. Check out our new classroom testing dividers! Thank you again for the donation, Mr. and Mrs. Hemphill! Keep up the great work class and thank you parents, for your support! We really appreciate all you do!

SECOND GRADE

Second grade is going to see *Junie B. Jones is Not A Crook* next week **Tuesday September 25th**.

This week we learned the effect air has on apples in science and also experimented with different liquids to see which liquid works best keeping an apple from turning brown.

This week we continued working on our Hispanic Heritage projects in class and hope to see all of our families next week for Hispanic Heritage night on the **27th**.

THIRD GRADE

Ms. Hurley's class completed their floats! Students worked very hard and will present them at next week's Great Travel Fair. Our class will be doing research about Colombia this week in honor of Hispanic Heritage Month. Ms. Hurley will be sending out information this week about how parents can help with donations for both events. We began our Science unit on the Universe and it is amazing how much the students already know! Don't forget that if your last reading log was about a fiction book, this next one needs to be about a non-fiction book! We have been working on not blurting out in class. Ask your child to tell you about the story [My Mouth is a Volcano!](#)

Mrs. Anderson's friends finished their Great Travel Fair projects as well. We continued our novel study of Charlie and the Chocolate Factory and compared Wonka's factory to Chocolate Kingdom. We have also finished up on arrays in multiplication and are continuing to practice our fact fluency, in preparation for our Multiplication Ice Cream party happening in a couple months.

FOURTH GRADE

Fourth grade has been hard at work this week! Mrs. Michaud's class had a great time using the class Chromecarts during Reading! They have also continued their study of how to divide with 2 digit divisors, their novel study of Wonder, and their study of cause and effect relationships. Mrs. Colon's class is busy preparing for Hispanic Heritage Celebration! We created sculptures out of bread and will be painting them this week. We also made and tested model boats during Science class and learned 3 strategies to divide numbers during Math class.

As a reminder, all chaperones for our upcoming field trip to the Pirate Dinner Adventure must submit their payment of \$26 by **Friday, September 28**. Permission slips to St. Augustine were passed out this week and are due **November 9**. Fourth grade will also be participating in our first Drop Everything and Write next Tuesday. This is designed to simulate the conditions of the FSA; the results will be shared with parents to help all students succeed in Writing.

FIFTH GRADE

The student in Ms. Blaske's class are learning about the states of matter. The students worked in groups to discuss the different ways to separate objects in a mixture. They came up with some creative answers. The students will be working on a solubility lab to test which materials dissolve in water, and a temperature lab to see what happens to a balloon when it is heated and cooled.

The permission slip and payment for the Sanford Zoo field trip is due **Monday, September 24**. Students going on the field trip need to bring their lunch in a Zip-Lock bag. Students need to be in full uniform for the field trip.

In Ms. Jensen's class, students learned about different ways to increase the rate of solubility. They made supersaturated solutions of water and borax, and on Monday they will see what happens when a supersaturated solution has time to cool!

SIXTH GRADE

In Spanish, we had our Spanish Speaking Map test on Tuesday. The rest of this week we will be working on our Pinata projects. We are going to build one Pinata per class. We are promoting a teamwork environment... (Look out for Pictures in our next newsletter!)

Volunteers needed for Hispanic Heritage Night on **September 27th**. Must be ADDitions approved Thanks!!! :)

FIELD TRIP TO SOURDOUGH BREAD HOUSE- MR KOC CLASS

Dear Parents,
OSS Turkish Language department is organizing a field trip to Sourdough Bread House for students who take Turkish as a foreign language. Students will have an opportunity to practice their Turkish Language skills and will learn more about Turkish culture. Parents are very welcome to join us. There is limited number of seats and it will be first come first serve. Please RSVP to Mr. Koc for the event.

WHEN: September 29th, 2018 at 9:30am to 11:30am

WHERE: Sourdough Bread House, 110 N Orlando Ave, Maitland, FL 32751

Cost: Please see the attached menu and we will get a 15% discount. Please tell us what you would like to order.

TRANSPORTATION: If students need transportation, teacher will provide the transportations. Please fill out the consent form and return to Mr. Koc. Students need to be at the school at 9:00am. Parents need to pick up their students at 11:30am from the school.

If parents are participating, we do not need the consent form but please let us know what would you like to order ahead of time. Please be at the address at 9:30am.

Contact info: koc@orlandoscience.org

SPECIALS K-6

CONGRATULATIONS MIDDLE SCHOOL SOCCER TEAM!

What a game! Monday night OSS Orcas showed great sportsmanship and teamwork as they placed another win in the books. Orcas ended Monday night's game with a triumphant victory of 8-2. Great work Orcas! Hats off to the coaches and players and parents. Let's go

OSS's science fair is an excellent opportunity for our students to explore their favorite topic in science. It provides an avenue for student research, allow students to be actively engaged in

their own learning, and to use their own creativity to solve a pressing problem in an imaginative way. A science fair builds a bridge between home and school - establishing bonds between students, parents, and teachers and inspires students to become life long learners.

All forms must be typed or filled out using blue ink. NO pencil!

Mr. Stampas is the adult sponsor. Stampas@orlandoscience.org, (407) 253-7304

Form 1B is signed by the student and the parent. Besides the start date of experimentation on form 1A (10/20/17), **all other forms prior to experimentation will be dated in September.**

Please click the link below for full science fair description!

IMPORTANT FALL FESTIVAL INFORMATION

Fall festival:

Fall festival is around the corner and like last year each grade level will participate in a competition of which class donated more for the silent auction baskets. Proceeds from the baskets will be going towards the PVO. The deadline for items to be in is **October 5th**. Items are to be turned in to the student's homeroom teacher.

The silent auction baskets theme are as follows:

Kindergarten: Hurricane Readiness basket

Suggested items: flashlights, batteries, mosquito nets, waters, first aid kits

1st grade: Pamper Yourself

Suggested items: Bubble bath, bath salts, towels, candles, a CD of meditative music, gift card to a local salon and/or for a massage.

2nd grade: Legos

Suggested items: Lego's for different ages, Lego people, Lego books, Lego room decorations, Lego DVDs

3rd: Sweet treats

Suggested items: candies, chocolate, snacks

4th grade: Fun with Science

Suggested items: Tickets to science museum (if you have one nearby), science games, experiment kits, science puzzles, glow-in-the-dark ceiling stickers, goggles, a child-sized lab coat.

5th grade: Family Fitness

Suggested items: Water bottles, fitness DVDs, books on healthy family activities (hikes, outdoor vacations, etc.), dumbbells, passes to local gyms and other fitness facilities (like roller-skating rinks).

6th grade (Mr. Lawrence rotation): Summer Fun

Suggested items: Beach towels, beach toys, balls, sunblock, sunglasses, gift cards to mini golf or other summer activities, yard toys (Frisbee, plastic bowling pins), bubbles, sidewalk chalk.

6th grade (Ms. Kish rotation): All Sports

Suggested items: Balls (baseball, basketball, football, soccer), tickets to local sporting events, gift card to a sporting goods store, Frisbee, sports-team-theme apparel (shirts, hats, etc.) and blanket, water bottle, sports-theme books and board games

There are still Fall Festival sponsorships that are available. Please consider one of the sponsorships still available or an affordable family sign for \$100. If you also work for a company that does donation matching, your donation will be doubled. You can find out all the fall festival information on our OSS home webpage or at

www.orlandoscience.org/fall-festival-2018

The Adult Volunteer Registration is now up and running. We need your help! This is a big undertaking that will reap big rewards if we have the support from the parents to help us.

There are two shifts plus an early set up. Please sign up for at least one of them, if not more, so that we can have every position covered. We will have an In Service meeting at the October 10th meeting so you know what is expected of you. If you can't come to that meeting, we will get in touch with you and share what you missed. If you are volunteering to work at a club tent do not sign up on this link. This link is only if you are helping with the PVO. You must be OCPS Additions approved to volunteer for anything school related. Don't forget to register with them ASAP. <https://www.signupgenius.com/go/30e0949a9aa23a6f94-2018>

Early bird discount for fall festival wristbands go on sale Friday, September 21st to Friday, October 12th. For three weeks the Fall Festival wrist bands will be sold for a discounted rate of \$10/each. On October 13th they will revert back to their regular price of \$15/each. For your convenience, presell packages will also be available for those who want to skip the line and purchase their tickets ahead of time. Packages consist of Family 2 children and Family 4 children packages that include, wrist bands, meal tickets, raffles tickets and activity tickets. Extra add ons are also available for meal tickets, raffles and activity tickets. Packages can be picked up at Will Call table at the event or on designated campuses before the event. Purchase your tickets starting Friday at <https://www.schoolpay.com/pay/for/Fall-Festival-Ticket-Sales/ldLgh>

OSSES/OSS INFORMATIONAL SESSION

There will be an online session for parents on **September 26th at 7:00 PM**. Parents and family members may register for the online session at <http://bit.ly/osconnecthelp>. The session will be recorded so families can also view the session at a later time.

OSS Connect
TECHNOLOGY CAMPUS

We will go over the website as well as the app. Since OSS Connect and OSES Connect are quite similar, families from all of our campuses may join us and follow along.

ORLANDO SCIENCE SCHOOL- TECHNOLOGY CAMPUS is happy to celebrate Hispanic Heritage Month. This year, classrooms have selected a Hispanic country. Teachers, students and parents will be preparing a beautiful exhibit of each country's culture. Teachers are kindly asking parents to volunteer to help with decoration and food for the night of the big celebration.

Hispanic Heritage Night

Come and enjoy music, art and little bites! Tour around the classrooms at your own leisure and discover the cultures behind Hispanic countries.

We will also have a Mexican food truck with very reasonable prices.

When: September 27th, 2018

What time: 6:00 to 7:30 pm

Where: Orlando Science School – Technology Campus

Please RSVP using this link: <http://bit.ly/2QhBJop>

SUN 'n FUN Expo Campus • 4175 Medulla Rd. • Lakeland, FL 33811

The OSS PVO Committee representing the Elementary, Middle, Junior High and High School will hold their Annual Fall Festival to raise funds for our schools! The 2nd Annual OSS Fall Festival will be held on Saturday, October 20, 2018.

Something for everyone, from toddler to adult Inflatables, jousting and slide; Games; Food; Bake sales; Silent auction; Raffles; vendors

TIME: 11am – 5pm

LOCATION: OSS Elementary and Middle School, 2611 Technology Dr. Orlando, FL. 32804.

PARKING: Parking will be available across the street at Columbia College and overflow parking will be at Magic Mall's parking lot (which connects to the back road by the soccer field that ends at Texas Ave.). Maya's Transportation, OSS's student transport service, will provide buses to and from the parking lot to the school.

This is where we need your help! We have various sponsorships available to fill. If you would like to be a business sponsor, individual sponsor, or know of a business that would be willing to be a sponsor, please contact us. We have been working diligently over the summer to bring this event to fruition.

Please feel free to contact our PVO Committee below for more information on sponsorship levels, to submit a sponsor referral, or if you would like to become involved with the PVO committee. Our kids are this country's future; please help us support our school's needs by supporting the efforts of the OSS PVO committee.

IMPORTANT SCHOOL REMINDERS

Dismissal Reminder

1st dismissal times are:

*K-3rd: 2:48 PM

*4th-6th: 2:55 PM

Please do not arrive before 2:45 for building one
and 2:55 for building two

Club Dismissal times are:

K-3rd: 3:25 (2:25 on Wednesday)

4th-6th: 3:38 (2:38 on Wednesday)

Please do not arrive early. This will ensure that
your child is dismissed from club and in the
cafeteria when you arrive

PLEASE do not pick your child up from the front
office, you must go through the car line. If you
need to make special arrangements please call
the office ahead of time

ORCA'S CORE VALUES

Character Trait of the Month of
September

EMPATHY

5

WAYS TO TEACH YOUR CHILD EMPATHY

EDUCATEDPOWERKIDS

1

REMINDE HER THAT EVERYONE HAS A STORY.

WHEN YOUR KIDS COMPLAIN ABOUT A FRIEND'S RUDE OR HURTFUL BEHAVIOR, HELP STEER THEM TOWARD LOOKING PAST THE SURFACE INTO WHY THE PERSON MAY HAVE ACTED THAT WAY. IT CAN BE EASY TO TAKE SOMEONE'S BEHAVIOR TOWARD YOU AT FACE VALUE, BUT SO MANY TIMES, OTHER UNSEEN FACTORS ARE INFLUENTIAL.

2

MEET YOUR CHILD'S EMOTIONAL NEEDS.

IF YOUR CHILDREN ARE SECURE IN GETTING THEIR EMOTIONAL NEEDS MET, THEY WILL BE MORE ABLE TO DEVELOP EMPATHY FOR OTHERS. TALK WITH YOUR KIDS ABOUT THEIR EMOTIONS, THEIR PERSPECTIVES, AND THEIR NEEDS. BE AVAILABLE FOR THEM AND BE DEPENDABLE.

3

ENCOURAGE YOUR CHILD TO FIND THINGS IN COMMON WITH THOSE AROUND HIM.

WHEN YOUR CHILDREN SEE THINGS IN COMMON WITH OTHERS, THEY ARE MORE ABLE TO UNDERSTAND AND SYMPATHIZE WITH THEM AND THEIR SITUATIONS. THIS PROCESS MAKES A CHILD SEE OTHERS AS HUMAN BEINGS RATHER THAN ONE-DIMENSIONAL OBJECTS.

4

CALL YOUR CHILD ON HER BAD BEHAVIOR.

IF YOUR CHILDREN DO SOMETHING RUDE OR MEAN TO YOU, CALL THEM ON IT. SETTING LIMITS IN THIS WAY HELPS YOUR CHILDREN UNDERSTAND THE EFFECTS OF THEIR BEHAVIOR ON OTHERS.

5

REMINDE HIM THAT THERE ARE MANY DIFFERENT POINTS OF VIEW.

TALK ABOUT HOW EVERYONE'S OPINION DESERVES RESPECT. THEY WILL LEARN TO THINK OUTSIDE THEIR OWN VIEWS AND COMFORT ZONE, WHICH WILL MAKE THEM MORE ABLE TO EMPATHIZE WITH OTHER PEOPLE.

What do our Core Values mean?

OSES Core Values

- Ownership for my actions
- Respect myself and others
- Caring for my community
- Appreciate differences
- Strive for excellence

Ownership for my actions: We want the students to take responsibility of their own behavior and the consequences of it. When we accept responsibility for our own actions or failures, we develop self-respect and respect for others. We all make mistakes and poor choices sometimes, accepting we did it and the consequences of it, that is taking ownership for our actions.

Respect myself and others: Respect is thinking and acting in a positive way about yourself or others. Showing respect to someone means you act in a way that shows you care about their feelings and well-being. Showing respect for others include things like not calling people mean names, treating people with courtesy, caring enough about yourself that you don't do things you know can hurt you.

Caring for my community: Children learn caring and respect when they are treated that way. When our children feel loved, they also become attached to us. That attachment makes them more receptive to our values and teaching. Caring is to show kindness and concern for others. A person who is concerned about others and who does kind things for them no matter the differences compared with you is an example of someone who would be described as caring.

Appreciate Differences: It means understanding that everyone is unique and recognizing our individual differences. We are surrounded by people from different cultures, with different traditions and beliefs, people with different skin color and with different abilities, people that learn different than others and have different opinions than others. Understanding and respecting all those differences and make people feel safe no matter how different they are, is one of our goals at OSS.

Strive for excellence: It is simply to make our best efforts and put quality into everything we do as a student, a child, a friend, a brother or sister, a church member or any venue of life we are part of.

COSTA RICA 2019

COSTA RICA

STEM in the Tropics!
with Orlando Science Elementary School
March 18-22, 2019

EDUCATIONAL CONNECTIONS

Biology
Ecology
Service Learning
Research &
Investigation

Costa Rica becomes a living classroom and field site on this 5-day educational expedition into the tropics! Focusing on STEM topics through hands-on community engagement, students will have the opportunity to explore geology and rainforest ecology up close. This is a unique opportunity to examine critical conservation issues and a real-life application for scientific problem-solving and research.

PROGRAM HIGHLIGHTS

- Learn about the use of hydroelectric energy at Lake Arenal.
- Work with the Sarapiquí Conservation Learning Center and on a conservation-based service project.
- See rainforest ecology come alive on guided hikes through Tirimbina Reserve.
- Embark on a boat ride down the Rio Sarapiquí, home to diverse wildlife.

WHAT'S INCLUDED?

- Expert naturalist guide
- Accommodations
- Activities
- Entrance fees
- In-country transportation
- Meals & beverages
- Travel Protection
