Principal's Corner

Dear OSSES Family Members,

As we get closer to the beginning of a new school year, there are a few updates and reminders that we would like to share with you.

This Summer Edition of our Newsletter contains several dates that you should be aware of, as well as important information to help everyone have a successful start to the school year this August.

We hope you enjoy the rest of your Summer Break and look forward to the new school year.

Sincerely,
Michael Singleton
Principal

Orientation

Orientation is on Saturday, August 13th. Come meet your new teacher!

Grades 3-5

9:00AM - 11:00PM

Grades K-2

12:00PM - 2:00PM

Kindergarten

Ice Cream Social

Kindergarteners! After Orientation, come join us for an ice cream social, where you can meet your fellow classmates and your new teachers!

The Ice Cream Social will be in the cafeteria from 2:30PM - 3:30PM.

Optional Summer Reading

The summer is the perfect time for students to reap the many rewards of independent reading. As educators, we realize the importance of reading throughout the school year and would like to encourage reading during the summer as a way for students to maintain reading levels and skills they have acquired within the school year. More importantly, we hope that by encouraging independent reading, students will experience the many joys of reading and become lifelong readers and learners.

Any student who successfully completes the project will be invited to our first Blast Off With Books celebration in September (The assignment will not be calculated into their formal reading grade).

The Summer Reading Projects are posted on the OSES website. (OrlandoScience.org)

Kindergarten Placement Test

Our kindergarten placement tests will take place on **Thursday, July 28th**. In order to provide differentiated instruction to our students, we highly recommend your student participate in the placement tests. Please note that participation is not mandatory and students do not need to prepare for this assessment. For further information, please contact our Curriculum Coordinator, Mr. Dag at fatih.dag@orlandoscience.org

Dear Parent/Guardian:

Due to requirements placed on the schools by Florida Statutes Chapter 232.22 (2), the following Policy regarding medications dispensed at Orlando Science Elementary School must be enforced.

Periodically, parents/guardians and physicians request that the student take medications during school hours. Parents/guardians are encouraged to develop a schedule so that the necessity for taking medications at school will be minimized or eliminated.

All medications shall be delivered to the Front Desk with the following information on the pharmacy container for prescription medications and in the factory sealed container for non-prescription medication:

- a. Name and purpose of medication
- b. Time the medication is to be given
- c. Specific instructions on the administration of the medication
- d. Physician name and phone number
- e. Pharmacy name and phone number
- f. Approximate duration of medication, i.e., end of school year/10days, etc., and possible side effects are to be listed on the Medication Authorization form.

Parents/guardians **must** bring all medications in the most current labeled container. Parents/guardians will be required to fill out a Medication Authorization form for each medication before medication (s) can be dispensed.

Notes from home will not be accepted as authorization for dispensing medication. This applies to all prescription as well as non-prescription medication.

Medication authorization form must be on file at school for the medication to be dispensed. Any medication brought to school without a Medication Authorization form will be held by the School Nurse/School Health Assistant. The parent will be contacted. For safety and security reasons, medications must be transported to and from school by parent/guardian. **Do not send medication to school with the child or siblings.**

Your cooperation with this policy is greatly appreciated. We know that you can appreciate the necessity of such a policy to assure the safety of our children who are receiving medication in our school.

Thank you,

Michael Singleton
