### WEEK ENDING IN 1/29/2021

Welcome back OSES Orcas!

OSES will celebrate Black History Month starting Monday, January 27th and throughout the month of February. Black History Month is an annual celebration of achievements by African Americans and a time for recognizing their central role in U.S. history.

SCHOOL PHOTOS ARE NOW AVAILABLE! IF YOU ORDERED PICTURES, PLEASE COME TO THE FRONT DESK BETWEEN 8AM-4PM TO PICK THEM UP.

# SATURDAY LEADERSHIP ACADEMY

Dear OSS Family Members,

Saturday Leadership Academy (SLA) is a tradition at Orlando Science Technology Campus that helps prepare our students for the upcoming state testing. Beginning Saturday, February 6th, students in grades 3-6 are invited to attend SLA for additional support for the upcoming FSA. On each of the designated Saturdays, students will have a chance to get more in-depth instruction with standards they are struggling with and take several practice tests/quizzes in preparation for FSA.

This year, there are two different ways to attend SLA. Students can sign up to attend on campus or virtually. It does not have to be the same learning model that students attend during the week.

COVID-19 protocols will be the same as they are during the school week. Students and staff will be socially distanced and required to wear masks while on campus. Sanitation stations are also available around the school. For more information on the school's Health and Safety prevention measures, please contact the school.

For our students that attend on campus, complimentary snacks will be offered during their break and pizza will be provided for lunch. Students may also dress casually on these days.

**SLA hours (virtually and on campus) are from 9:00am – 12:00pm in Building 2.** Students may be dropped off between 8:30 - 9:00 a.m. and picked up between 12:00 - 12:30 p.m. from the Building 2 Cafeteria. Code of Conduct must be followed. [Any violations of these policies may result in your student's dismissal from the program.](#)

**Use the following link to sign up for Saturday Leadership Academy and return the attached waiver by February 1st. <http://bit.ly/OSESSLA2021>**

The BELOW SLA Waiver that must be filled out by all families who have students participating in SLA (one waiver per student).

## **FIRST**

## **SECOND**

## **THIRD**

This week in third grade, we are learning how to classify animals! Students are finishing up their study of basic fractions, and will move to comparing and equivalent fractions next.

Ms. Knight's class read about different museums located in the United States, and did some virtual field trips to see each one.

Don't forget to take an AR test each week and score an 80. January 31st is the last day to qualify with 11 points for this month's AR celebration!

## **FOURTH**

## **FIFTH**

## **SIXTH**

In World History we are wrapping up our study of Ancient Greece and their contributions. Keep an eye out for some neat projects including some Greek Mosaics and recruitment posters for the war between Athens and Sparta!

In Mrs. Gajus' Pre-Algebra classes, students completed their unit covering Object Transformations on the Coordinate Plane. They learned how to move objects around a graph using a variety of mathematical rules. 6th grade advanced classes finished their unit covering Area of Shapes and began learning about Surface Area. They learned about how area and surface area are related, as well as how to identify 3-dimensional objects. 6th grade classes finished their unit on Simplifying Expressions and began learning about Equations and Inequalities. They learned the differences between expressions and equations, as well as how to solve 1-step equations using addition and subtraction. Progress reports come out next week. Please make sure to be checking your child's grades on OSES Connect to help them stay on top of their assignments.
