

# TECHNOLOGY CAMPUS CHRONICLE

VOL. 4 NO. 33

CHECK OUT OUR WEBSITE

## PRINCIPAL'S CORNER

### WEEK ENDING IN 4/23/2021

OSES Family Members,

OSES will have its final STEAM night Thursday, April 29th. In addition to STEAM activities, each teacher will recognize a STEAM ambassador from their classroom. We hope your student(s) can join us.

The final Parent-Teacher Conferences are next week. If possible, please schedule a time directly with your student's teacher. Report cards will be available on OSES Connect the last day of school, Tuesday, May 25th. Final promotion report cards will be available in early June.

Teacher Appreciation Week will be celebrated in early May. There will be opportunities to show your appreciate during this time. Our school has excelled during these challenging times

and our instructional staff was the driving force.

Please remember that all students coming in late must be signed in at the front desk.

Have a great weekend!

Sincerely,  
Michael Singleton  
Principal

## NEWS AND UPCOMING EVENTS

### YEARBOOKS

Yearbook is still looking for photos of online learning and school events. The link has been fixed so anyone can submit pictures for consideration in the yearbook.

If your student did not attend picture day this is their way of being included in the yearbook. They will not be pictured in the class page but they can still be in the yearbook!

<http://bit.ly/osesyyearbook>

Yearbooks are \$20 and can be purchased through [schoolpay](#) or the yearbook company.

### STEM ADVISORY COUNCIL

Orlando Science Schools is a certified STEM school. Part of the certification is having a group of people that meet throughout the year and the review the certification, the school's STEM

parents, community members, business owners, teachers, and students. If you would like to be part of the STEM Advisory Council, please fill out this form:

<http://bit.ly/stemadvisorycouncil>

## PIRATE STEAM NIGHT

A promotional poster for 'Pirate STEAM Night!'. The top half features a cartoon pirate ship with a skull and crossbones on its black flag, sailing on a blue sea. A small pirate character is visible on the deck. The background is a light yellow sky with grey clouds. The text 'Pirate STEAM Night!' is written in a stylized font, with 'STEAM' in a larger, outlined font. Below the ship, the date and time are listed: 'THURSDAY APRIL 29TH 6-7PM VIA ZOOM'. A decorative wavy line separates this from the event description: 'Join us for our final STEAM Night of the year as we explore Pirates and Celebrate all things STEAM!'. At the bottom left, the sign-up link is provided: 'Sign up At <https://bit.ly/OSESSTEAM>'. At the bottom right, there is an illustration of a rolled-up treasure map with a red 'X' marking a spot. Below the map, the contact information is given: 'Questions? Email [LeSha.Martinez@orlandoscience.org](mailto:LeSha.Martinez@orlandoscience.org)'.

## WHAT'S HAPPENING IN CLASS

### KINDERGARTEN

This week we are heading to the bottoms of the ocean!!! We are going to be exploring different fish that live at different depths of the ocean and how the force of pressure works at different depths of the ocean.

We will be exploring different ocean salinity and how fish migrate too. We will be working in labeling and using context clues to help us understand the concepts too.

Finally we are going to be exploring the measuring unit again and having fun messing around measuring whales!!!

### FIRST

We are so proud of the effort we have seen our first graders put into their Iready Math test!

We enjoyed learning and exploring different jobs in our communities.

Keep reading and taking AR quizzes :)

### SECOND

Ms. Waugh's class is enjoying a novel study of *Flat Stanley* in Reading. Next week, they are writing sequels to the book and creating their own "Flat Stanleys" to mail to family members!

In Science, Ms. Shirar, Ms. Carter, and Ms. Waugh's class attended a National Geographic virtual field trip to the ocean to learn about the photography of whales. Did you know that whales have singing competitions with each other, babysit, and express emotions?

## THIRD

Third graders took their IReady Math test this week. We are also reviewing fractions this week to get ready for the FSA. Make sure you are practicing multiplication and division at home!

Students this week are learning more about Earth Day by reading several stories. We will also explore ways we can help our Earth!

Ms. Knight's classes and Ms. O'Connor's class enjoyed using a solar oven to make smores last week!

## FOURTH

## FIFTH

### Shark Tank (Inspired) Project

The fifth graders in Galan and Saucedo's classes have been working on a Shark Tank inspired project this quarter. They have been working on developing their prototype, creating advertisement, and researching the industry. They are ready to go in front of a judge. On **April 30th and May 1st**, they will be able to do a practice run with judges. The final rounds will be on **May 21st, 22nd, and 24th**. Judges are needed for the 15 minute slots on those days. If you are interested, you will be sent a list of possible questions as well as the Zoom link. You may sign up for as few or as many sessions as you would like. If you know of someone else that may be interested, please forward this email to them. Having a diverse panel of judges is important to the students.

Please use the following link to sign up for the judging spots.

<https://www.signupgenius.com/go/5080F4AAEA723A5FD0-shark>

## SIXTH

We've done it! Both World History teams have finished **all** of our standards for the year! Both of us are pleased with how much the students have learned and grown over the year and are excited to see the students continue their interest in history going forward. Have no fear, however. We still have many exciting things to teach (even if they aren't FL standards). Some topics may include: Islam, Norsemen (Vikings), geography, and Fuedal Japan.

## IMPORTANT SCHOOL INFORMATION

### SCHOOL PAY

Parents can now make FREE online payments for most school expenses online with School Pay. This includes School Lunch and After Care! Simply log into your secure online School Pay Parent Center account and pay for items including **after school care fees, club fees, field trips, class fees, student fees and more.** The first step is creating your Parent Center Account at [schoolpay.com](http://schoolpay.com) Please go to "Charter Schools" tab and then choose your school name as "Orlando Science Elementary School" to complete the steps for creating your parent account. If you have any problems using the School Pay system please call 1 888-88-MYPAY

Questions about your student's school pay account can be directed to [Ms. Centenera](mailto:Ms.Centenera) at [crystina.centenera@orlandoscience.org](mailto:crystina.centenera@orlandoscience.org)

### INTERESTED IN BECOMING AN OSES VOLUNTEER?

Orlando Science Families interested in volunteering at the OSES Technology Campus during the 2020-2021 School Year MUST be ADDitions approved. Below you will find the link to apply for ADDitions for the 2020-2021 school year.

**BECOME AN ADDITIONS VOLUNTEER TODAY**

### OSes Parent Volunteer Organization

The OSes Parent Volunteer Organization would like to welcome our new and returning parents to our orca Family. We need your

support by joining our PVO. Our membership is \$25 per family. The teachers and staff members need our help, and appreciation now more than ever.

Please email [OSES.PVO@orlandoscience.org](mailto:OSES.PVO@orlandoscience.org) with any questions or compliments.

[CLICK HERE TO REGISTER](#)

## ATTENDANCE

Attendance is key to the success of your student's learning. If you have any attendance concerns such as daily absences, upcoming absences, extended absences or other additional questions please contact Mrs. Stella for k-3rd grade students and Ms. Taylor for 4th-6th grade students.

[Stella.waton@orlandoscience.org](mailto:Stella.waton@orlandoscience.org)

[Taylor.watson@Orlandoscience.org](mailto:Taylor.watson@Orlandoscience.org)

Please note that in order for an absence to be **excused** you must turn in proper documentation (i.e a doctors note) to the front desk

## CLUBS

At this time, all after school clubs for OSES have been postponed. We will notify parents with more information of when we will resume them.

If you are interested in VIRTUAL violin lessons, please see below for more information.

## GO GUARDIAN

Dear Parent or Guardian:

Orlando Science School, Grades K-12, has added so many portable computers this school year to support our e-Learning programs and to prevent Covid-19 from spreading due to sharing computers in the face-to-face model. To help keep our students safer and more scholarly online, we have adopted an additional online service provided by [GoGuardian](#).

It may be helpful to know that over 10,000 other schools use GoGuardian to protect 5.5 million students across the world, and the [Global Educator Institute](#) has endorsed the GoGuardian Teacher product.

**How are we using GoGuardian?**

We have chosen GoGuardian Admin and GoGuardian Teacher services to:

- Help students stay "scholarly" and more focused when learning online.
- Help assess students' progress towards class assignments.
- Facilitate communication between teachers and students during class time
- Help protect students against harmful and inappropriate online material

**When and how does GoGuardian operate?**

GoGuardian's web-based services operate on our school's managed Google Suite for Education Chrome accounts (i.e., when a student is logged into Chrome or a Chromebook with his/her school email address).

**What are the school's responsibilities?**

Orlando Science School selected GoGuardian services to help our students stay safer and more scholarly online. We will work with students during class time to help teach them digital responsibility and safety. Additionally, we will train teachers about how to operate GoGuardian and about our policies and procedures to help protect student privacy.

**What are my parental/guardian and child's responsibilities?**

We ask that students use their school-managed accounts and school-managed devices for educational purposes within the boundaries of Orlando Science School's [Student Technology Acceptable & Responsible Use Agreement](#), [Student/Guardian Digital Device Check-out Agreement Form](#), and the OCPS and OSS [Code of Conduct](#).

When a student is off campus, parents are responsible for supervising internet access and usage. We encourage you to discuss rules for appropriate internet usage with your child and reinforce lessons of digital citizenship and safety with him or her. We also highly encourage you to report any potential cyberbullying or other sensitive issues to us.

**How does GoGuardian help protect my child's privacy?**

To help your child remain scholarly and safe online, GoGuardian collects certain personally identifiable information about your child. GoGuardian has consulted with privacy experts, participates in privacy organizations, is a proud signatory of the [Student Privacy Pledge](#), and has been awarded certifications by [iKeepSafe](#) for complying with Family Education Rights and Privacy Act (FERPA). For more detailed information about GoGuardian, you may visit their [website](#), [Trust & Privacy Center](#), GoGuardian's [Product Privacy Policy](#), and the [COPPA Notice and Disclosure Form](#).

We are here to answer any questions that you may have.

Sincerely,

Dr. Akin  
Executive Director/Principal  
Orlando Science School

## FORTIFY-FL

FortifyFL is a suspicious activity reporting tool that allows you to instantly relay information to appropriate law enforcement agencies and school officials.
