SCHOOL PAY

Parents can now make FREE online payments for most school expenses online with School Pay. This includes School Lunch and After Care! Simply log into your secure online School Pay Parent Center account and pay for items including **after school care fees, club fees, field trips, class fees, student fees and more.** The first step is creating your Parent Center Account at schoolpay.com Please go to "Charter Schools" tab and then choose your school name as "Orlando Science Elementary School" to complete the steps for creating your parent account. If you have any problems using the School Pay system please call 1 888-88-MYPAY

Questions about your student's school pay account can be directed to [Ms. Centenera](mailto:Ms.Centenera) at crystina.centenera@orlandoscience.org

INTERESTED IN BECOMING AN OSES VOLUNTEER?

Orlando Science Families interested in volunteering at the OSES Technology Campus during the 2020-2021 School Year MUST be ADDitions approved. Below you will find the link to apply for ADDitions for the 2020-2021 school year.

[BECOME AN ADDITIONS VOLUNTEER TODAY](#)

OSSES PARENT VOLUNTEER ORGANIZATION

The OSES Parent Volunteer Organization would like to welcome our new and returning parents to our orca Family. We need your support by joining our PVO. Our membership is \$25 per family. The teachers and staff members need our help, and appreciation now more than ever.

Please email OSSES.PVO@orlandoscience.org with any questions or compliments.

[CLICK HERE TO REGISTER](#)

ATTENDANCE

Attendance is key to the success of your student's learning. If you have any attendance concerns such as daily absences, upcoming absences, extended absences or other additional

questions please contact Mrs. Stella for k-3rd grade students and Ms. Taylor for 4th-6th grade students.

Stella.waton@orlandoscience.org

Taylor.watson@Orlandoscience.org

Please note that in order for an absence to be **excused** you must turn in proper documentation (i.e a doctors note) to the front desk

K-5 AGENDA'S NOW AVAILABLE

INNOVATIVE LEARNING CORNER

GOOGLE CLASSROOM

*At this time, all k-6 students have been given their google classroom username and password. If you have not received yours, please email Ms. Greene at alicia.greene@orlandoscience.org

*Each class has their own google classroom code which you should have received from your child's teacher. If you are having trouble with your code or have not received one, please contact your child's individual teacher.

* What if i need to change my google classroom code from a previous school or class?

Yes, you can still change the code.

1. click on the settings gear in the top right.
2. scroll down to the "General" section.
3. the first section says "**class code**"
4. over to the right is the current **code** with a drop down arrow next to it.
5. if you click on the drop down arrow, one of the choices is "reset"

EVENTS

PICTURE DAY

Important Picture Day Update

On Campus Students and Staff

Date: Friday, October 16th

Students will be photographed on a class by class basis.

Innovative Learning Students

Dates: Thursday, November 5th – Friday, November 6th

Students will sign up for time slots on these two days.

Only the student will be able to enter the building during this time. Families will use the drop-off/pick-up pattern to allow their student to enter the cafeteria, be photographed, and exit. Students will have their temperatures checked upon entering and need to wear a mask up to having their photograph taken and after.

The link to reserve a spot will be sent soon.

Picture Re-Take Day

Date: Tuesday, December 8th

Both on campus and IL students will be provided with options on this day. Information forthcoming.

Student Not Photographed

OSES will produce a Yearbook for this school year. For yearbook purposes, students who are not photographed, will have the attached image in their spot. There will be options available for these students to send fun pictures of themselves, it just wont be included on the traditional class/homeroom page.

More details to come as the dates get closer.

FROM YOUR TEACHERS

KINDERGARTEN

This week in Kindergarten we travelled around the world to Hispanic countries to learn about the cultures, landforms and people. We had a great time learning about them and even learned a few words in Spanish!

We also had a great time with our pumpkin STEM challenge! We erupted, rolled and explored Pumpkins through exciting STEM activities!:)

FIRST

This week in First Grade, students learned about History, as we explored going back in time and learning how families celebrate different traditions. We also enjoyed an Escape Room activity on Place Value, where a penguin pirate needed help in decoding his map! Story Book Pumpkin Project information was sent home. We are looking forward to seeing the projects in the last week of October.

SECOND

Ms. Shirar's class participated in the STEM engineering challenge "Touting Towers".

We ended the week by Zooming a real aerospace engineer!

THIRD

This month our character trait is kindness. Students are learning how to be kind to their classmates, other students and staff.

Third graders loved listening to picture books and doing various STEM experiments this week. Students in Ms. Knight's class used different supplies to build a raft so the three billy goats in Billy Goats Gruff would be safe. As a super STEM challenge, students are seeing who can build the tallest tower with 3 pieces of paper. Stay tuned next week to see pictures of the winning towers!

FORTH

FIFTH

SIXTH

In World History we completed our unit on Mesopotamia, the world's first civilization. This week we spent some time talking about our character trait of the month: Kindness. After that, we began our next unit on Ancient Egypt. Keep an eye out for directions for an open-ended, student driven, research project coming soon!

SPECIALS

Thank you for joining us last Friday (10/2) to celebrate Superhero STEAM Night! Ms. Martinez and Ms. Wiltout had a super time, and we loved seeing so many superheroes in attendance. Please be sure to provide feedback on the event at <https://forms.gle/fe4DNpVRnh8tDVcr6> if you have not already done so! Your feedback will help us shape future live events.

Face to face PE

Starting 10/12/2020, OSES PE participates in the Magic Fit 4-week challenge. Each week: Weeks of 10/12, 10/19, 10/26, and 11/2, I will post the Challenge on Google classroom. Please complete each week's challenge by Friday of the week. All students who participate in all 4 weeks of the Magic Fit Challenge will receive one free ticket to the Orlando Magic game, pending COVID-19 based on CDC

Guidelines (All 4 google forms must be submitted by due dates.)
