GOOGLE CLASSROOM

*At this time, all k-6 students have been given their google classroom username and password. If you have not received yours, please email Ms. Greene at alicia.greene@orlandoscience.org

*Each class has their own google classroom code which you should have received from your child's teacher. If you are having trouble with your code or have not received one, please contact your child's individual teacher.

* What if i need to change my google classroom code from a previous school or class?

Yes, you can still change the code.

1. click on the settings gear in the top right.
2. scroll down to the "General" section.
3. the first section says "**class code**"
4. over to the right is the current **code** with a drop down arrow next to it.
5. if you click on the drop down arrow, one of the choices is "reset"

KINDERGARTEN

FIRST

First graders had a great time sharing their Pumpkin Book Projects last week!

Don't forget to work towards our November AR goal and the STEM Science Fair due at the end of the month.

SECOND

THIRD

This week third graders went on a virtual field trip to the Orlando REP to see the play "Vote?". It was a great play that taught us why we should vote when we are 18.

Our character trait this month is empathy. Third graders are working on empathy by making sure we are listening to each other and understanding that others might not feel the exact way that we do.

It's November! Time to work toward our new AR goal of 11 points!

FORTH

FIFTH

SIXTH

In Mr. Press's World History, we have moved on to our discussion of the Phoenicians... and finished in one week! We also presented some really neat Egypt projects. Here are a few examples of creative models.

SPECIALS

STEM

Thank you to all of our families who have been reaching out with questions regarding the OSES Digital Science Fair! Our next and final live parent help session will take place via zoom on **November 11th**. Please feel free to email kathryn.kelly@orlandoscience.org if you would

like the link. The link can also be found on flyers sent home with our face to face learners, or via all student's STEM Google Classroom.

Remember, the deadline for the OSES Digital Science Fair is **November 20th!** All information can be found in your child's STEM Google Classroom.
