HEALTH AND SAFETY

COVID-19 Health and Safety Manual-Orlando Science Elementary.pdf Download

SCHOOL PAY

Parents can now make FREE online payments for most school expenses online with School Pay. This includes School Lunch and After Care! Simply log into your secure online School Pay Parent Center account and pay for items including **after school care fees**, **club fees**, **field trips**, **class fees**, **student fees and more**. The first step is creating your Parent Center Account at school pay com Please go to

"Charter Schools" tab and then choose your school name as "Orlando Science Elementary School" to complete the steps for creating your parent account. If you have any problems using the School Pay system please call 1 888-88-MYPAY

Questions about your student's school pay account can be directed to <u>Ms. Centenera</u> at <u>cristina.centenera@orlandoscience.org</u>

INTERESTED IN BECOMING AN OSES VOLUNTEER?

Orlando Science Families interested in volunteering at the OSES Technology Campus during the 2020-2021 School Year MUST be ADDitions approved. Below you will find the link to apply for ADDitions for the 2020-2021 school year.

BECOME AN ADDITIONS VOLUNTEER TODAY

ATTENDANCE

Attendance is key to the success of your student's learning. If you have any attendance concerns such as daily absences, upcoming absences, extended absences or other additional questions please contact Mrs. Stella for k-3rd grade students and Ms. Taylor for 4th-6th grade students.

<u>Stella.waton@orlandoscience.org</u> <u>Taylor.watson@Orlandoscience.org</u>

Please note that in order for an absence to be **excused** you must turn in proper documentation (i.e a doctors note) to the front desk

K-5 AGENDA'S NOW AVAILABLE

FRONT DESK OF BUILDING 1 OR 2

INNOVATIVE LEARNING CORNER

GOOGLE CLASSROOM

*At this time, all k-6 students have been given their google classroom username and password. If you have not received yours, please email Ms. Greene at <u>alicia.greene@orlandoscience.org</u>

*Each class has their <u>own</u> google classroom code which you should have received from your child's teacher. If you are having trouble with your code or have not received one, please contact <u>your child's individual teacher</u>.

* What if i need to change my google classroom code from a previous school or class?

Yes, you can still change the code.

- 1. click on the settings gear in the top right.
- 2. scroll down to the "General" section.
- 3. the first section says "class code"
- 4. over to the right is the current code with a drop down arrow next to it.
- 5. if you click on the drop down arrow, one of the choices is "reset"

FROM YOUR TEACHERS

KINDERGARTEN

This week we are exploring seasons, maps and learning about numbers and place value!:) We are already off to a fun start with our activities. We will be finishing I-Ready testing this week and will be providing the diagnostic results by the end of the week.

If you have any questions regarding your child's results contact your child's teacher and we will be happy to go over them with you.:)

FIRST

Our iReady testing has come to a close. Everyone did a great job following school testing rules and procedures. We look forward to reviewing the data to ensure a successful and challenging year for your child! Keep up the great work!

This is a reminder that student textbooks and materials are viewable online through ThinkCentral, Savvas, and Studies Weekly. iReady and AR should be completed by Sunday each week. Students need 45 minutes of iReady math and iReady reading each week (Monday - Sunday) along with AR points. If you would like to donate, please contact your child's teacher. We love Amazon and Teacher Pay Teachers! All donations are greatly appreciated!

THIRD

Our third grade team is very proud of our students' hard work on the IReady Math and Reading tests! This week we are learning how to draw conclusions and use inferences to learn more about what we are reading. In Science, we are learning how matter changes. Arrays and properties of multiplication are just a few strategies we are using to learn our facts. Sites like multiplication.com are great for fact fluency!

Remember to take an AR test each week! Our goal is 11 points by September 30th.

FORTH

The Fourth Grade Team is pleased with how hard our students worked on the I-Ready assessments! We are looking forward to discussing the data with our students and setting goals to move forward! Mrs. Michaud's class has had a very busy week! We have continued reading *Insignificant Events in the Life of a Cactus*. We completed another Hyperdoc using "Day of Disaster" to explore the effects of child labor in the past and in the modern day world. In Science, we learned how to take notes to help us study.

FIFTH

Fifth graders worked hard this week on the I-Ready diagnostic, and our team is proud of their hard work! We look forward to reviewing this data with students next week, and setting goals for the year, as we move ahead.

In Mr. Rego's class, we finished our first informative essay practice with an interesting article about the history of soap, as well as we practiced estimating with multiplication in math. Have a great weekend!

5th Grade had a wonderful week of fun and learning! Ms. Galan's and Ms. Saucedo's class presented their US state research; where students created Google Slides, fun and interesting trivia questions and videos about our nation. We look forward to learn more about our country!

SIXTH

In Spanish we are finishing our first Unit. So far we have covered ABC's, numbers, Greetings and Farewell/Goodbye, and vocabulary words related to feelings. We also practiced a simple Spanish

conversation. Please make sure to check Google Classroom for any announcement/update.

In **Science** we have discussed and explored characteristics for a scientific investigation. We are now breaking down each part of the

Scientific Method and starting to move forward with our science fair projects. Students are working on creating testable questions and researching those questions in great detail. Please check Google Classroom for the SF Welcome Packet. This packet has Science Fair deadlines from now until the end of first semester.

In **World History**, humans are starting to settle down from a Hunter-Gatherer lifestyle to one of sedentary Farmers. Next week we will finally begin the study of our first civilization: Mesopotamia!

SPECIALS

Please bring your water bottle and mask, and wear sneakers every day for PE. On-campus PE Handbook is posted on both OSES connect and Ms. Masuoka's PE Google classroom.

<section-header><section-header><section-header><section-header>

Families, please remember to read the Specials Handbook and complete the Specials Contract! **This is a student grade!**

2020 - 2021 PE Handbook Acknowledgement

* Required

Student First name *

Your answer

Student Last name *

Masks need to fit right over your students' noses and mouths. Some are too big and keep sliding down and exposing their noses. Ove time, elastics for ears get stretched and make masks too big for them. Please check their masks.

Specials Handbook acknowledgement must be turned in by Friday 9/18/2020.

Please join PE Google Classroom even though your students are face to face by Friday 9/18/2020. Join code can be found on on-campus PE Handbook posted on OSES connect.

Wednesday 9/9/2020, K-5 students walked an additional 75 miles. We have reached Pompano Beach, FL: *The city is known for its excellent boating and fishing, accentuated by an offshore living coral reef accessible to scuba divers and snorkelers. *VisitFlorida.com
