Irma Campus Clean-Up

## Principal's Corner

Dear OSS Technology  
Campus Family Members,

This newsletter acts as an update after Hurricane Irma. We sincerely hope that everyone, and their families, fared well during this storm.

As I am sure many of your anticipated, Irma did cause some minor changes to our previously planned activities. Please ensure that you check page 6 for our updated event calendar.

We appreciate your patience, understanding, and compassionate outreach during this time. Together our community will more than overcome the obstacles that this storm has created. We are thankful to have such a wonderful team of both families and facility.

Sincerely,

Michael Singleton

***“You  
never  
fail  
until  
you  
stop  
trying”***

# Student Pick-Up and Drop-Off Information

Hopefully you have seen some improvements to our Pick-Up and Drop-Off process throughout this first week. We are aware of your frustrations, and have taken your suggestions seriously. We appreciate your patience and understanding during this time, and are actively working on our plan's efficiency.

## Quick Reminders!

Pick-Up should not arrive on campus before the times shown below:

Grades K-5: 2:40 p.m.

Grades 6-7: 2:20 p.m.

Both Pick-Up and Drop-Off follow the same car loop shown below. Please remember that we are all in this together; kindness and respect are both important.

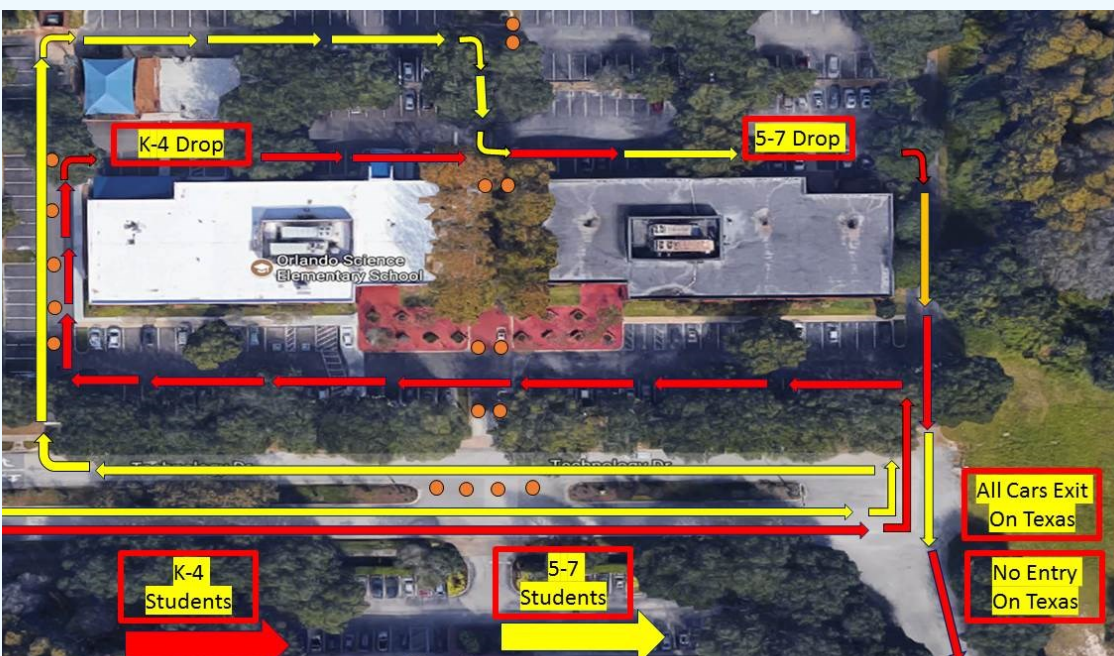

Students may be on campus without penalty until 4 p.m., you have the time range of 2:20 to 4 p.m. to pick up your student.

Students cannot be picked up from the Front Desk after 2 p.m. If you need to check your child out after this time arrangements must be made with Mr. Singleton directly. Students may not be checked out to avoid the carline.

Parents should not be coming to the Pick-Up Area holding signs out of their vehicles. Students are released directly to their vehicles. Parents that walk for Pick-Up will be directed to the Front Office.

We understand that the logistics are challenging right now, but if we all follow procedures accordingly some of the frustrations can be avoided. With teamwork we can accomplish anything!

## Below you will find the Car Loop layout, and guidelines:

# Menus

The Technology Campus offers breakfast and lunch options for the students. These can be found monthly online at the below listed hyperlinks:

<http://ocpsmenus.com/menu/charter-schools/breakfast/>

<http://ocpsmenus.com/menu/charter-schools/lunch/>

Payments for lunch can be made in cash, or online through our School Pay system. School Pay is currently being updated with the student numbers for this year. If the system is currently not working for your student, the total invoice will be available once the online system is functioning properly.

More information about School Pay can be found on the following page.

## The September Breakfast and Lunch Menus can be found below:

### Hot Charter Breakfast and Lunch Menu September

# School Pay

Parents can now make online payments for most school expenses online with School Pay. Simply log into your secure online School Pay Parent Center account and pay for items including after school care fees, club fees, field trips, class fees, student fees and more.

The first step is creating your Parent Center Account at <https://www.schoolpay.com>. Please go to "Charter Schools" tab and then choose your school name as "Orlando Science Elementary School" to complete the steps for creating your parent account.

## School Pay Features:

Online payment methods via VISA, MasterCard, Discover cards and electronic check

Secure parent accounts

A full history payments searchable by date and child

The convenience of paying at any time (24/7) from your home PC Emphasis on Security

The School Pay service is audited by a third-party to assure adherence to the strict, Payment Card Industry Data Security Standard (PCI-DSS).

If you have any problems using the School Pay system please call 1 888-88-MYPAY

Questions about school pay may also be directed to Mrs. Cann: [jasmine.cann@orlandoscience.org](mailto:jasmine.cann@orlandoscience.org)

## SCHOOL PAY!

### THE SMART WAY TO PAY FOR YOUR STUDENT'S SCHOOL RELATED COST

Parents can now make online payments for most school expenses online with School Pay. Simply log into your secure online School Pay Parent Center account and pay for items including after school care fees, meal fees, field trips, class fees, student fees and more.

The first step is creating your Parent Center Account at <https://www.schoolpay.com>. Please go to "Charter Schools" tab and then choose your school name as "Orlando Science Elementary School" to complete the steps for creating your parent account.

### School Pay Features:

- ✓ Accepts Visa, MasterCard, Discover cards and electronic check
- ✓ Free processing
- ✓ Secure parent accounts
- ✓ Full payment history searchable by student name and date

### Pay For:

- \*Meals
- \*Aftercare
- \*Club Fees
- \*Fieldtrips
- \*Class Fees

And more! All on  
Schoolpay.com

**The 1st Annual OSS Fall Festival will be held on Saturday October 21st 2017**

This is where we need your help! We have various sponsorships available to fill. If you would like to be a business sponsor, individual sponsor, or know of a business that would be willing to be a sponsor, please contact us. We will be working diligently over the summer to bring this event to fruition.

With your help, we can make our inaugural year a great success! Please feel free to contact our PVO Committee below for more information on sponsorship levels, to submit a sponsor referral, or if you would like to become involved with the PVO committee. Our kids are this country’s future; please help us support our school’s needs by supporting the efforts of the OSS PVO committee.

## Club Information

Mrs. Santiago has been working diligently in processing and completing all club request. Please continue to have patience as this is a new process for her. If you have any questions regarding COMPETITION CLUBS please contact the coach directly. They will be able to answer all your questions.

Below you will find an example of club request forms.

*OSS Club Request Form 2017-2018*

Student Last Name: \_\_\_\_\_

Student First Name: \_\_\_\_\_

Grade: \_\_\_\_\_

**Adds**

First Choice: \_\_\_\_\_ Day: \_\_\_\_\_

Second Choice: \_\_\_\_\_ Day: \_\_\_\_\_

Third Choice: \_\_\_\_\_ Day: \_\_\_\_\_

**Drops**

First Choice: \_\_\_\_\_ Day: \_\_\_\_\_

Second Choice: \_\_\_\_\_ Day: \_\_\_\_\_

Third Choice: \_\_\_\_\_ Day: \_\_\_\_\_

- Please remember to read club description
- Clubs are typically grouped K-2 and 3-5
- Some clubs have a small fee required to purchase materials and to maintain a high functioning club
- In most cases, our clubs have an end product (major end of year event, competition, etc.)
- This form can be submitted to your student’s teacher, the front desk, or can be emailed as an attachment or cut and pasted into an email to Ms. Stauffer or Ms. Santiago
- Club schedules will be given this week. Please plan accordingly for Monday and the remainder of the year
- If you submitted your club request online, there is no need to resubmit your selections
- Students cannot have more than two unexcused absences, three absences will result in withdrawal from the club
- A waitlist will be created for each club

Updated 8/1/2017

# Monthly Calendar

**List of Important Dates:**

09-04-17—Labor Day (No School)

09-07-17—PVO Meeting (CANCELED)\*

FLL Informational Meeting at 5 pm (CANCELED)\*

09-08-17—Paid Dress Down Day

09-09-17—FLL K-7 Robotics Members First Meeting (CANCELED)\*

09-08-09-15—OCPS Mandated Hurricane Days (No School)

09-20-17—Curriculum Night K-4

09-21-2017—Curriculum Night 5-7

09-26-17—Parent Teacher Conference K-2 (4pm-7:30pm)

09-27-17— Parent Teacher Conference 3-5 (4pm-7:30pm)

09-28-17—Parent Teacher Conference 6-7 (4pm-7:30pm)

# Kindergarten

This week's weekly theme was "Apples" and we learned all kinds of exciting facts about apples through non-fiction text. We also read "Apples for Everyone" by Jill Easbaum and afterwards we engaged in partner conversations about non-fiction text.

Math was also very exciting because we began learning about 2-Dimensional shapes! We also made connections with everyday items that we use that are 2-D shapes. At the end of the week we used different colored construction paper to design our own new 2-D shape and identified what other types of 2-D-Shapes make up our new shape!

## 1st Grade

This week in Mrs. Duran's class we have been working on character's point of view and skip counting to 1000. This week we had our first Project Based Learning (PBL) presentation about our families. We created family flags, trees, and compared our family with a partner.

Ms. Dyer's class has continued their shapes unit by learning the criteria of polygons and quadrilaterals. They look forward to collecting the donated money from our first dress down day to donate to a third grade classroom in Huston in an effort to help replace classroom materials that were ruined in the flooding.

This week in reading Miss Fisher and Mrs. Parker's classes worked on identifying main ideas and key details in a text. In writing, Miss Fisher's class began researching forest animals in pairs for their first writing project! In math, both classes continued to work on addition strategies and using concrete objects and pictures to add.

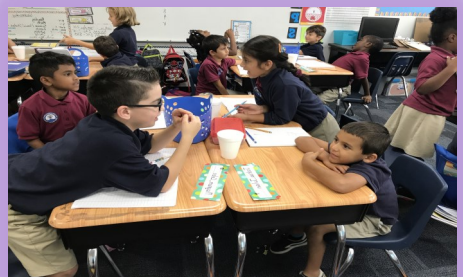

## 2nd/3rd Grade

Students in Mrs. Silvares and Ms. Volden's class created their own mazes for the Hexbugs. They used the engineering process as a team and created simple machines for their Hexbug.

If you want to like to create your own Hexbug Maze at home, you can purchase the Hexbugs at Target or online at <http://bit.ly/iwanthexbugs>.

For a bigger challenge, create an underwater maze using Hexbug Aquabots; <http://bit.ly/hexunderwater>.

Watch Facebook for our Hexbug Mazes created by our teachers!

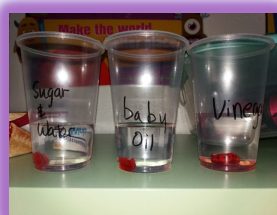

## 2nd/3rd Grade (Continued)

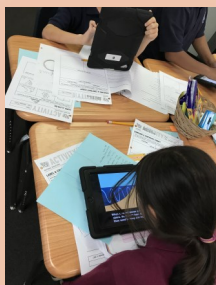

Phew! 3<sup>rd</sup> grade had a great week of learning and fun! Fieldtrip forms for the chocolate factory went home at the beginning of this week. We are continuing our hard work at home towards our AR goal and our multiplication facts. We are learning about main ideas and conflicts in reading. We also learned about the scientific method and applied them in multiple stems in class.

Mrs. Cybulski's class experimented with water surface tension with dried basil and dish soap. We also learned about polymers' molecules and how they can stretch by sticking pencils through Ziploc bags filled with water. Finally, we began our observation of the effects of various solutions on gummy bears.

## 5th Grade

In 5th grade ELA, Ms. Blaske's and Ms. Greene's class have been participating in a Problem Based Learning Unit (PBL) studying natural disasters, their causes, and how they affect people and communications. Each team researched and studied either hurricanes, tornadoes, earthquakes, or tsunamis and then presented the information to their group mates in a jigsaw strategy. In ELA, they are also determining two or more main ideas from a nonfiction text and supporting those main ideas with details from the text.

## 6th/7th Grade

---

Students Exploring music!!! This week students have started their Rhythm Review lesson; which it's all about counting, reading and writing rhythms. Students have been given the opportunity to bring in their favorite song for the class to analyze the rhythms found and to listen to any of them have been repeated. This week they have also been working in groups to create an 8 measure composition. Each group member had to make up their own 2 measure rhythm pattern and then combine them with each member of the group to form their 8 measure masterpiece!

Mr. Lawrence's World History class did some review this week, including a "Family Feud" style review game! In the Model United Nations elective, we began assigning countries and will soon begin practicing mock United Nation sessions.

In Ms. Gutsin's class we have started to finish up grammar and move on to the mechanics of writing and editing formal essays. Soon we will begin to examine the key elements to writing a successful academic paper.

# Science Center Event

---

January 19<sup>th</sup> for K-4<sup>th</sup> and March 2<sup>nd</sup> for 5<sup>th</sup>-8<sup>th</sup>

The **Orlando Science Center** will close their doors to the public and host our students, families, and teachers.

Dinner and breakfast are included and we will be **SLEEPING OVERNIGHT AT the Science Center!**

Who: Students and Parents of Orlando Science Schools  
When: January 19<sup>th</sup> for K-4<sup>th</sup> and March 2<sup>nd</sup> for 5<sup>th</sup>-8<sup>th</sup>  
Where: Orlando Science Center  
Cost: \$50 per person

Payments can be made online **ONLY** on [www.schoolpay.com](http://www.schoolpay.com)

***There are a limited number of spots, so please sign up ASAP.***

***Every student must be accompanied by an adult.***

\*Any parent or guardian attending will need to be cleared through ADDitions and be approved as an over-night chaperone.

If you are attending and plan on using your pass, please contact Mrs. Trujillo.

**There are no refunds.**

For more information, please email [Amy.Trujillo@orlandoscience.org](mailto:Amy.Trujillo@orlandoscience.org)

# Curriculum Night Information

The first and the biggest event held at our campus will be our Curriculum Night. Teachers will present grade specific curricula information that will cover what your child is expected to learn and do during the 2017-2018 education year.

The schedule described below was created in an effort to provide you with maximum opportunities to learn about our classroom programs.

The focus of the Curriculum Night is on campus' program and curriculum. It is an evening for adults. If you have questions or concerns about your child's progress, please set up an appointment with your child's teacher for a separate conference time, or sign up for the teacher/parent conference night.

## **Kindergarten, 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> grade:**

Curriculum night is scheduled on Wednesday September 20<sup>th</sup> from 5pm to 7pm. There are four sessions; please sign up for one of the sessions:

<http://www.signupgenius.com/go/4090d4dada82fa1fe3-curriculum>

## **5<sup>th</sup> grade:**

Curriculum night is scheduled on Thursday September 21<sup>st</sup> from 5pm to 7pm. There are four sessions; please sign up for one of the sessions:

<http://www.signupgenius.com/go/4090d4dada82fa1fe3-curriculum1>

## **6<sup>th</sup> and 7<sup>th</sup> grade:**

Curriculum night is scheduled on Thursday September 21<sup>st</sup> from 5pm to 7pm. Please sign up under your student's homeroom class. Parents will visit other teachers based on their students' daily schedule. It is very important to know your student's schedule so you can visit the classrooms based on the schedule below.

<http://www.signupgenius.com/go/4090d4dada82fa1fe3-curriculum1>

Period	In	Out	Meeting Time	Break Time
1 <sup>st</sup> Period	5:00	5:15	0:15	0:02
2 <sup>nd</sup> Period Monday/Tuesday	5:17	5:27	0:10	0:02

7 <sup>th</sup> Period	6:49	7:04	0:15	0:02

## Irma Campus Clean-Up

Irma swept through our Technology Campus with minimal damage.

We are thankful to say that the only campus related issues were that of debris from surrounding trees. The downed branches cleared the buildings, and caused no structural damage.

This week members of our administration team worked very diligently to ensure that the campus would be ready for student arrival.

A big THANK YOU to everyone that came out to help clear the environmental debris that littered our driveways. It is through your teamwork and dedication, that our campus is once again a beautiful place to be!
