

### ***1<sup>st</sup> Annual STEM Art Contest***

Students from Orlando Science Elementary School participated in the 1<sup>st</sup> Annual STEM Art Contest.

Students were able to connect art and STEM to create two- dimensional pieces of art. There were 60 pieces of art submitted by OSES students.

Judges from the Central Florida area included:

- Deana Schott, Board Member and Treasurer of the Seminole Cultural Arts Council
- Angella van Gelder, Orlando Science Center
- Latifah Maasarani, Seminole State College STEM Club President
- Gustavo Galeas Diaz, Seminole State College STEM Club Student
- Kristy Murray, Coordinator Team Orlando STEM Advocate
- Aly Mercado, Naval Air Welfare Center
- Natalie Steinhauser, Naval Air Welfare Center

Winners received a certificate, ribbon, and gift card.

Congratulations to all the participants. Thank you to all our parents and teachers for encouraging students to participate. We cannot wait for the contest next year.
