

Hispanic Heritage Night

Hispanic Heritage night at OSES was held on Thursday, September 29th. Classrooms were themed by various Hispanic cultures of the world. Many classrooms displayed cultural items, music, activities, and food from their represented country. This Hispanic Heritage was the most attended one to date. This year, we added a food truck that provided fresh authentic Hispanic food. Thank you to all the staff who organized the event and to all the families that came to support both Hispanic Heritage Night and OSES.

We are honored to have so many different cultures at our school!
