

ORLANDO SCIENCE ELEMENTARY WINS 2ND PLACE IN

FIRST COAST SCIENCE OLYMPIAD TOURNAMENT

Orlando Science Elementary's Science Olympiad Teams competed at the 2017 First Coast Science Olympiad Regional. The students had been preparing for the Olympiad since the beginning of the school year, building various devices for construction-based events and studying incredible amounts of science information. OSES' three competitive teams applied their science knowledge and skills in more than 13 unique events. Orlando Science Elementary came home with 2nd place.
