

## Veterans Day

Once again, thank you to everyone who participated in our Veteran's Day celebration last Friday. The students did a wonderful job singing "Thank A Vet." We are honored to have several veterans among our OSES family. Our guest speaker was veteran Brady-Fitzpatrick, his words were inspiring to all our students. We were also privileged to have our own third grader Charisma lead the school in a patriotic song. After the ceremony, the veterans and their families were treated to snacks, coffee, while they shared their stories with one another.
