PRINCIPAL'S CORNER

# THE WEEK ENDING 2-22-19

Dear OSS Technology Campus Families,

Family Tech Night is February 28th, both students and parents can experience a variety of programs and enjoy meeting some of our community partners. An RSVP link will be sent home soon.

Operation Orca will start on April 4th for students in grades 3rd-6th. These FSA based program will offer students incentives that include both dress down days and raffle prizes.

Come join us for a night of magic shows and dancing at our 4th annual talent show. It will be held Tuesday February 26th at the Lynx campus cafeteria at 7PM. We hope to see you there!

Sincerely,  
Michael Singleton

## NEWSLETTER QUIZ

The Technology Campus is incredibly thankful for all of our faithful readers, and for that we would like to reward our families. Moving forward we will have a [NEWSLETTER QUIZ](#) located under the Principal's corner.

Dress down passes will be rewarded to the students who receive a 100% on the quiz for that week!

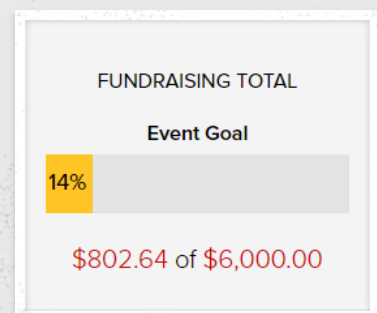

We hope that you have fun, and enjoy reading this week's edition! Entries are due the morning of Monday, March 11th.

## SUPPORT YOUR SCHOOL

### PENNIES FOR PATIENTS

**Thanks to schools like US and donors like YOU, there are more children and adults surviving every day.**

As you know, our school is participating in the Pennies for Patients campaign until **March 8th**. Pennies for Patients is a service learning and philanthropy program for the Leukemia & Lymphoma Society.

Please visit this link to view our school's fundraising page and to donate. Feel free to share the link on your various social media sites.

Students may also create a fundraising page and raise money that way and win prizes. (please see the flyer sent home last week to view prizes).

**On behalf of blood cancer patients everywhere, thank you for your support!**

Please see link below to donate online. Last year OSS raised \$5,000 and this year we are looking to raise \$6,000!

Orlando Science Elementary Sch...

events.ils.org

## FALL FESTIVAL 2019 FUNDRAISER

The Orlando Science Schools PVO Committee representing the Elementary, Middle, and High School are holding the 3rd Annual Fall Festival to raise funds for our schools!

***Annual OSS Fall Festival Fundraiser will be held on  
Saturday, November 2, 2019***

***Please support our efforts by becoming a Sponsor***

Family Sponsorship starting at \$100

If you would like to become an individual, family, business sponsor, or know of anyone that would be willing to support OSS, please contact us at [OSS.PVO@orlandoscience.org](mailto:OSS.PVO@orlandoscience.org)

Thank you!!! With your help, we can reach this year's goal!  
Visit our webpage for one stop shop for festival information:  
[www.OrlandoScience.org/Fall-Festival-2019](http://www.OrlandoScience.org/Fall-Festival-2019)

## AMAZON

A great way to help raise money for Orlando Science Schools is to use the links below when shopping from **Amazon** or **Office Depot/Office Max**.

<https://smile.amazon.com/ch/20-3366305>

<http://www.officedepot.com/a/content/back-to-school/5percent/>

## TEACHERS PAY TEACHERS

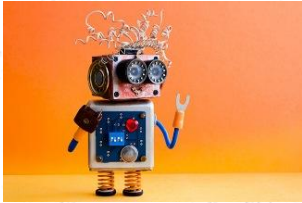

Many of our teachers use Teachers Pay Teachers for engaging and inquiry-based lessons. There is a schoolwide Teachers Pay Teachers (TpT) account. Parents and community members may donate to the TpT fund by sending in TpT gift cards. Gift cards can be purchased online:

<https://www.teacherspayteachers.com/Gift-Card>. Parents can send in a gift card for their teacher or for the whole school account.

### STEAM Guest Speakers

bit.ly

Would you like to talk to a class about how you use science, technology, engineering, art, or math in your job or hobby? We would love to have you visit our school as a guest speaker during the next few weeks. Please sign up for a time (or many times.) If you would like to speak to a certain grade, please write that in the comments. Please go through the OCPS Additions Volunteer site to sign up as a volunteer for our school. <http://bit.ly/ossvolunteersocps>

This webinar will focus on details and what to expect for the upcoming Florida Standards Assessment (FSA). There will be a comprehensive presentation about the FSA Test and test taking strategies. There will also be time to answer any questions regarding FSA. Please refer to the link shared via email to sign up.

**What:** FSA Parent Information Webinar Presentation

**When:** Monday, February 25th

**Where:** Online

**Presented by:** Fatih Dag and Heather Wence

**Who:** Parents of 3rd-6th Grade Students

PLEASE JOIN US TO WATCH THE  
PERFORMANCES

# *OSS TALENT SHOW*

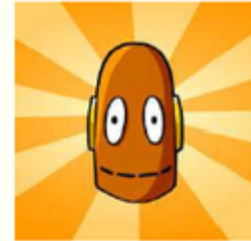

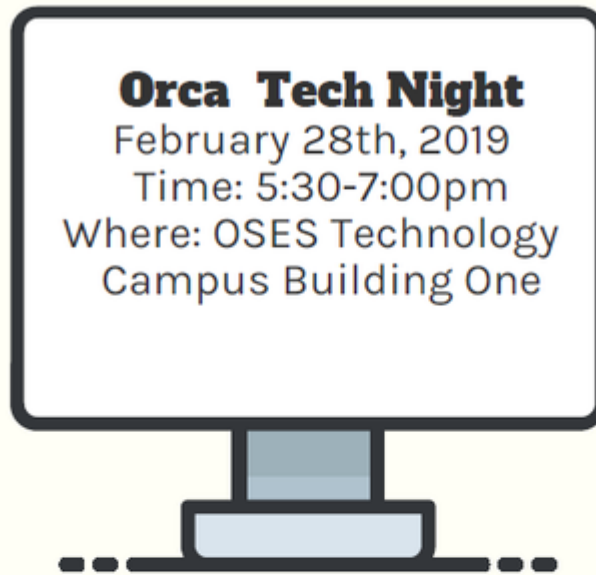

February 26th, 2019

7:00PM

Lynx Campus

Code.org

You already know how valuable STEM is to your child's future success . . . but do you know how much fun it can be?

Come find out at Family Tech Night February 28th, 5:30-7:00 pm. Tech Nights are a fun, family-friendly event that spark passion for STEM through activities and experiments for BOTH students and their families.

You and your child will explore ... inspire ... empower ... and educate yourselves about how much fun technology can be. You will also learn simple things you can do at home to foster your student's interest in technology and see the different programs your students are using here at Orlando Science Elementary.

Hope to see you there!!!!!!

Please RSVP at the following Link :<http://bit.ly/ORCATECH>

## Family Technology Night

\$5 per Family.

\* Required

Student First Name \*

Your answer

Student Last Name \*

Your answer

When: March 12, 2019

Time: 5:30-7:30

Where: OSES Building 2

Cost: \$10/family in advance OR \$15/family at the door

Hogwarts Open House

Witches, Wizards, and their Muggles are invited to join us  
for an evening as a Hogwarts student.

Costumes Optional: Students and their families are  
welcome to dress the part for the evening, either as  
a scientist or Hogwarts student or professor.

Concessions will be available.

Advance payments may be made on SchoolPay.

## SMILE MILE

Hello OSS Families!

As many of you know, Smile Mile is coming up! The race will take place on **March 2nd** at Blue Jacket Park (2501 General Rees Ave, Orlando, FL 32802).

Track Shack is going paperless this year for registration, so I have included the sign up link! Registration is \$8 until **February 16th**, then increases to \$11 **February 17th-March 1st**. Registration includes a finishers medal and a t shirt.

This event is for students grades **K-5**. There is also a fun run for anyone under the age of 5! They will get a finishers ribbon. Younger participants may sign up under our school if they would like a t shirt since the fun run is free and only includes the finisher ribbon.

I really hope we have a great turn out! We have won the last few years and I would LOVE to keep that tradition going! Any questions, feel free to contact me via email.

Please see sign up link below for registration

## Smile Mile Registration

register.hakuapp.com

Smile Mile is a running festival for children between the ages of five and eleven. A half mile race is offered for five year olds. More information is available at TrackShack.com

## MEET AN ASTRONAUT

On **February 28th** and **March 1st**, astronaut teacher, founder of Mike Mongo's Astronaut Job Fair, and book author Mike Mongo will visit OSE to speak and engage with all our students in special sessions exclusive to Orlando Science Elementary.

If you would like to receive a signed copy of the Astronaut Instruction Manual, please complete the form below and submit to child's teacher.

## SCRATCH CODING CONTEST

4th and 5th grade students have spent the past couple months working on a project in the coding program Scratch. The project was for the SECME Competition at UCF that was held this past Saturday.

Congratulations to Toby Chubb for placing third in the storytelling category for coding!!!! These projects were a lot of work and the students did them completely on their own. Orlando Science would also like to recognize the following students whose projects were demonstrated at the SECME competition : Shirya Roman, Zeynep Cetin and Aarti Abhilash.

## YEARBOOK COVER CONTEST

ORLANDO SCIENCE CHARTER SCHOOL

# YEARBOOK COVER ART CONTEST

**DUE WEDNESDAY  
MARCH 6TH.**

**MUST BE TECHNOLOGY CAMPUS STUDENT**

**COVER MUST BE ORIGINAL WORK  
ANY 2D MATERIAL  
OR DIGITAL WORK ACCEPTED.**

**MUST BE STEM THEMED AND INCLUDE  
SCHOOL NAME AND 2018-2019**

**ALL PARTICIPANTS WILL EARN COMMEND  
POINTS**

**TURN ALL SUBMISSIONS INTO  
MRS. MARTINEZ B1**

**DIGITAL SUBMISSIONS CAN BE SENT TO  
[LESHA.MARTINEZ@ORLANDOSCIENCE.ORG](mailto:LESHA.MARTINEZ@ORLANDOSCIENCE.ORG)**

# MIDDLE SCHOOL TUTORING SCHEDULE

Monday	Tuesday	Wednesday	Thursday	Friday
				
Science	Music/ PE/ Languages	Language Arts	Mathematics	Social Studies

## GET TO KNOW YOUR OSS FAMILY

**KINDERGARTEN**

This week in Kindergarten we learned about our Presidents! We had a great time comparing and contrasting past presidents to modern day presidents, exploring their personal interests and political issues during their presidency. We also held in class mock elections some of our campaign platforms were longer recess, better playground and shorter school days!

We are still exploring rocks and soil and have learned a lot of porosity this week. During math we are still comparing measurements and learning on the hour and half past.

## FIRST GRADE

Mrs. Beckmann's class read "A Tree is a Plant" and learned about indefinite pronouns this week. We also began working on telling time to the hour and half hour which has been so much fun! Please remember to send in signed permission slips for our Gatorland field trip by **March 1st!**

Ms. Molnar's class read The Garden this week in ELA. We learned about pronouns and the importance of repetition. We started a new chapter on comparing numbers in math. We are so excited for our Gatorland field trip in a couple weeks!

## SECOND GRADE

In honor of Black History Month, the second-grade team assigned a Biography in a Bag project. The students created an oral report based on an influential African-American in history. They brought items to school that represented milestones in their person's life. Those items also naturally prompted them to speak on the topic. We loved the creativity that went into the decoration of the bag and unique items that came out of it.

We also had to say a bitter-sweet goodbye to Mrs. Cybulski's seven chicks that helped our classes understand life cycles. We now are welcoming Mrs. Cybulski's tiny larvae that will soon morph into beautiful butterflies!

## THIRD GRADE

Third grade had a blast at Medieval Times last Friday. Students explored museums that taught about medieval clothing, tools, weaponry, and levels of socioeconomic status. After visiting the shops, visitors were welcomed to dine like a knight while performers took the audience on a journey back to 1200 AD in Europe. Horses pranced and showed off their talented skills while men competed in a tournament which consisted of several challenges. Although our team lost the challenge, we are very thankful to have come

away with valuable lessons such as implementing the code of chivalry. This was a trip that will not be forgotten. This week we will wrap up our studies of the Middle Ages and focus on citizenship in the United States.

## FOURTH GRADE

Fourth Grade had the opportunity to see “Ella Enchanted” at the Repertory Theatre this week! Students were very enthusiastic when sharing their thoughts about the show and how it was different than the book we have been reading. In Mrs. Colon’s class we have been reading about the Segregation time period and learning about people who have made an impact including Martin Luther King Jr. and Ruby Bridges. We have also enjoyed our study of Earth and the Moon Phases. All classes have been working diligently to strengthen our writing skills.

## FIFTH GRADE

Students did a wonderful job creating bio-posters of important African-American figures throughout history, including famous athletes, scientists, entrepreneurs, writers, politicians, activists, jazz musicians, and President. Student work was showcased at Black History night this past Thursday. It was a great time, and many thanks to all who attended. Also, many thanks to Grandma’s BBQ food-truck for being present as well. Their food was delicious!

Mr. Rego’s classes finished writing their second essay response to a DBQ (Document Based Question) where they had to answer a prompt, using five historic resources, and citing evidence from primary and secondary sources. The prompt was about the Jamestown

Settlement (England's first permanent settlement in the U.S.).

Students wrote a complete essay, including a full introduction, transitions, topic sentences in each paragraph, and two examples of evidence, two examples of elaboration in each body paragraph, as well as a concise conclusion.

On the topic of writing, 5th grade will be taking their final DEAW (Drop Everything and Write) on **Tuesday, February 26**. They should have a good night's rest before, and a big breakfast on the day of. It will be the last one before the Writing FSA on **April 2**.

Also, the 5th grade field trip is coming up soon, and field trip forms are due **3/1/2019** (next Friday). Students should make sure to turn in their forms by that date.

Ms. Jensen's and Mrs. Berray's class had a visit from OUC (Orlando Utilities) this Friday. Students had a blast, as they experienced fun. Their purple banner also looked awesome at Thursday's celebration.

Ms. Zaremski's and Ms. Blaske's students did a tremendous job with their bio-posters for Black History night.

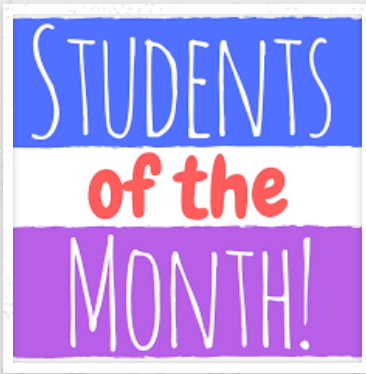

All 5th grade students should make sure that they are keeping up on their Study Island assignments weekly. Their goal is to have earned all blue ribbons in Math, Science, and ELA by **April**.

Mr. Rego would like to thank the members of 6th-grade chorus who sang the classic jazz ballad, "Dream a Little Dream of Me." They sounded spectacular!

## SIXTH GRADE

Students taking Pre-Algebra and 7th grade level math have had a change to their curriculum. We are working on moving through each unit of standards to help with our instruction of the standards. Students have been working with ratios and rates, percentages, exponents, and scientific notation. They are working hard to review skills we have already learned as well as learn new skills. Students are still receiving Study Island assignments weekly that are due every **Sunday night**. We are looking forward to this new system in class and I am excited to see some new results!

## STUDENT CHARACTER OF THE MONTH- JANUARY

## IMPORTANT SCHOOL REMINDERS/INFORMATION

### SCHOOL PAY

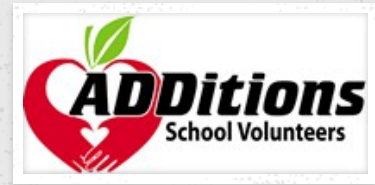

Parents can now make FREE online payments for most school expenses online with School Pay. This includes School Lunch and After Care! Simply log into your secure online School Pay Parent Center account and pay for items including **after school care fees, club fees, field trips, class fees, student fees and more.** The first step is creating your Parent Center Account at [schoolpay.com](http://schoolpay.com) Please go to "Charter Schools" tab and then choose your school name as "Orlando Science Elementary School" to complete the steps for creating your parent account. If you have any problems using the School Pay system please call 1 888-88-MYPAY

Questions about your student's school pay account can be directed to [Ms. Centenera](mailto:Ms. Centenera) at [cristina.centenera@orlandoscience.org](mailto:cristina.centenera@orlandoscience.org)

## INTERESTED IN VOLUNTEERING AT THE OSS TECHNOLOGY CAMPUS?

Orlando Science Families interested in volunteering at the OSS Technology Campus during the 2018-2019 School Year MUST be ADDitions approved. Below you will find the link to apply for ADDitions for the 2018-2019 School Year.

**APPLY TO BECOME AN ADDITIONS VOLUNTEER TODAY!**

## PARENT VOLUNTEER ORGANIZATION

Welcome Parents!

It is time, once again, to join the Parent Volunteer Organization (PVO)!

For latest information and events happening at our technology campus, grades K-5, please join our Facebook page under "OSES PVO". We can also be reached at [oses.pvo@orlandoscience.org](mailto:oses.pvo@orlandoscience.org)

## ATTENDANCE MATTERS

Attendance is key to the success of your student's learning. If you have any attendance concerns such as daily absences, upcoming absences, extended absences or questions please contact Mrs. Stella for k-3rd grade and Ms. Taylor for 3rd-6th grade

[Stella.waton@orlandoscience.org](mailto:Stella.waton@orlandoscience.org)

[Taylor.watson@Orlandoscience.org](mailto:Taylor.watson@Orlandoscience.org)

Please note that in order for an absence to be **excused** you must turn in proper documentation (i.e a doctors note) to the front desk

If your student is absent on a day that they have club, please remember to email the club teacher so that their absence for club that day is excused.

## LOST AND FOUND

Please check the lost and found both in the cafeteria and the front desk in Building 1 and Building 2 . We have lots of items that need to find their way back home.

Please remember to label everything, especially uniform clothes and agendas so they can be returned if found.

# Attention Parents:

Please do not drop your students off at the front before 8:10AM. You must go through the car line and drop them off in the back. This is for the safety of the students as there is not always someone up front to let them in.

Thank You!

## CLINIC REMINDER

**Please do not send your child to school with medication. All medicine must be brought to the clinic by a parent. OTC medication must be SEALED/UNOPENED when brought in.**

**Thank You**

**STUDENT COUPONS, DEALS, PROMOTIONS, AND  
OTHER FUN THINGS TO DO**

**FLORIDA RESIDENT DISCOVER TICKETS!**

For a limited time, Florida residents can take advantage of a special ticket offer and purchase a 3-day Discover Disney Ticket for only \$175 plus tax—valid for admission to one theme park per day! Plus, add a 4th day for just \$20 more plus tax! These tickets can be used on non-consecutive days through June 30, 2019 with no blackout dates.

Visit multiple theme parks on the same day by upgrading your ticket to include the Park Hopper Option for just \$32.50 plus tax more for a 3-day ticket or \$37.50 more plus tax for a 4-day ticket. For an additional \$57.50 plus tax, add the Park Hopper Plus Option to a 3-day Discover Disney Ticket—or for an additional \$62.50 plus tax, add the Park Hopper Plus Option to a 4-day Discover Disney Ticket. If you add the Park Hopper Plus Option to your Discover Disney Ticket, you get all the benefits of the Park Hopper Option, plus you can enjoy 3 visits with the 3-day Discover Disney ticket or 4 visits with the 4-Day Discover Disney ticket to the Disney Water Parks, select Disney golf courses and more Walt Disney World fun.

**Purchase through**  
June 27, 2019

## CODING FOR KIDS

### Coding for Kids: Free Websites T...

[mommypoppins.com](http://mommypoppins.com)

Basic programming has become an essential skill for grown-ups and children alike. And the benefits of picking up this skill, especially for kids, are huge: Learning how to build simple websites and games helps kids refine their design, logic, and problem-solving abilities. It also allows them to express ideas and creativity in unique ways. There are a number of FREE and low-cost websites that teach children how to play around with code. We've rounded up a dozen of our favorites below. Sign up for our FREE newsletters to get posts like this delivered to your inbox, and find even more educational tech posts for kids in our STEAM Guide.
