SMILE MILE

Hello OSS Families!

Smile Mile is quickly approaching! The date for the race is **March 28th, 2020**. The event is held at Upper Blue Jacket Park starting at 8 AM. We will be a few lots up at Blue Jacket, so here is the updated address:

4424 Lower Park Rd
Orlando, FL 32814

Smile Mile is a tradition here at OSS and we have had the highest participant winning streak for over 6 years! I don't plan on ending that streak this year! This race is a great time and the grand prize is \$500 for new PE equipment. Runners will receive an event t shirt and a finisher's medal! I will also give the students dress down passes they can use at school.

This year Cullen & Hemphill, PLC is very generously sponsoring **100** runners! THANK YOU SO MUCH! When signing up, please enter code orlandoscience20 on the payment screen. Once those 100 spots are filled, the cost of the race applies. The cost of the race is \$8.00 through **March 14th**, \$11 March 15th-27th, and day of sign up is \$16 if space is available.

If you sign up for the race prior, I will collect the race packets from Track Shack the Wednesday before the race and distribute the packets that Thursday (March 26th) at school. If you would like to come and collect your student's packet after Wednesday, please let me know!

READ ACROSS AMERICA WEEK

SECOND GRADE

Read Across America week was a blast! The students enjoyed the dress-down days and activities that promoted literacy. Ms. Shirar's class read "The Lorax" and made thoughtful connections to real world issues. Ms. Knight and Ms. D's class listening to the book Fox in Socks and created tongue twisters.

FIFTH GRADE

SCIENCE BENCHMARK

There will be a science benchmark test in March before Spring Break. It will cover a lot of standards. Please review the study guide with your 5th grade student so they are prepared for the test. Students are encouraged to complete at least two Gimkit sessions at home. The Gimkit session has questions from all of the standards that will be tested. Parents, siblings, teachers, and friends can also join in. Practice 5th grade science on Gimkit:

<http://bit.ly/sciencebypass>. Prizes will be given to the students with the highest percentage correct on the Gimkit assignment.

SIXTH GRADE

Caesar is dead, what will happen with Rome? Will Brutus and Cassius be able to save the Republic, or will it become an Empire? (spoiler alert) Empire. What will happen with this new religion of Christianity? Stay tuned to find out! (wow, I just dated myself with that reference. Remember having to wait for the next episode?..)

We will continue our discussion of Rome through spring break and probably beyond. Fourth quarter is around the corner, let's finish this year strong!

2. Find the school by pressing the Locate Me button or typing in 2611 Technology Drive.

3. Drop pins on the map where you find sustainable items like recycling bins.

4. Drop pins on the map for where we need to add sustainable items.

5. You can do the same with parks and shopping areas in your neighborhood.

6. Share your experience on Social Media and tag the school: @OSSK6Campus #kidscience

HEALTH AND WELLNESS

For the health and safety of all our students, please keep your child home when any of the following signs/symptoms are noted, and seek medical attention as needed. The following signs and symptoms may indicate the beginning of a communicable disease:

*sore throat * red eye(s) - itchy, crusty, yellow discharge

*headache * nausea

*diarrhea (two or more times) * vomiting (two or more times)

*fever (100.5 degrees F or more) * coughing/wheezing

*balding/flaky area with/without patches * chills

*red, swollen areas

Parents of child in school with any of the above symptoms will be notified. In order to prevent illness from being spread to other children in the school, students can **only return to school when symptoms are resolved and has been fever free for 24 hours *without* the use of fever medication as per OCPS policy.**

*If your child needs to take any medication throughout the day, it **MUST** be checked into the clinic first. Students may not carry medicine in their backpack unless approved by Ms. Toro.

I Need to Stay Home if...

I have a Fever	I am Vomiting	I have Diarrhea	I have a Rash	I have Head Lice	I have an Eye Infection	I have been in the Hospital
Temperature of 100°F or higher	Within the past 24 hours	Within the past 24 hours	Body rash with itching or fever	Itchy head, active head lice	Redness, itching, and/or "crusty" discharge from eyes	Hospital stay and/or ER visit

I am Ready to Go Back to School When I am...

Fever free for 24 hours without the use of fever reducing medication.	Free from vomiting for at least 2 solid meals without the use of medications.	Free from diarrhea for at least 24 hours without the use of medications.	Free from rash itching or fever and evaluated by doctor if needed.	Treated with appropriate lice treatment at home and proof is provided to nurse.	Eye has returned to normal or have a note from doctor to return to school.	Released by my medical provider to return to school.
