PRINCIPAL'S CORNER

THE WEEK ENDING 8/30/19

Dear OSES Technology Campus Families,

OSes is encouraging all students and families to participate in the ASAP Central Florida Walk & Roll For A Cure, on **Saturday, September 28th**. You can register for free, or for \$30.00, you can register and receive a shirt. There will be music, food, face painting, and more. Flyers for this event will go home this week.

Just a reminder that parents should not be dropping off or picking up their students at the front desk. Please use the car line both in the mornings and the afternoon. There will be no pick up from the front desk after 2:30PM, 1:30PM on Wednesdays. Thank You!

School has been cancelled on **Tuesday, September 3rd** due to Hurricane Dorian. Please check the district websites for future updates at: <https://www.ocps.net/cms/One.aspx?portalId=54703&pageId=1298762>

Sincerely,
Michael Singleton

NEWSLETTER QUIZ

The Technology Campus is incredibly thankful for all of our faithful readers, and for that we would like to reward our families. Moving forward we will have a [NEWSLETTER QUIZ](#) located under the Principal's corner.

Dress down passes will be rewarded to the students who receive a 100% on the quiz for that week!

We hope that you have fun, and enjoy reading this week's edition! Entries are due the morning of Monday, September 9th.

SUPPORT YOUR SCHOOL

AMAZON

A great way to help raise money for Orlando Science Schools is to use the links below when shopping from **Amazon** or **Office Depot/Office Max**.

<https://smile.amazon.com/ch/20-3366305>

<http://www.officedepot.com/a/content/back-to-school/5percent/>

OSES School Code: 70228302

OSS School Code: 70218341

TEACHERS PAY TEACHERS

Many of our teachers use Teachers Pay Teachers for engaging and inquiry-based lessons. There is a schoolwide Teachers Pay Teachers (TpT) account. Parents and community members may donate to the TpT fund by sending in TpT gift cards. Gift cards can be purchased online:

<https://www.teacherspayteachers.com/Gift-Card>. Parents can send in a gift card for their teacher or for the whole school account.

FALL FESTIVAL 2019 FUNDRAISER

FALL FESTIVAL

The Orlando Science Schools PVO Committee representing the
Elementary, Middle, and High School
are holding the 3rd Annual Fall Festival to raise funds for our schools!

***Annual OSS Fall Festival Fundraiser will be held on
Saturday, November 2, 2019***

Please support our efforts by becoming a Sponsor

Family Sponsorship starting at \$100

If you would like to become an individual, family, business sponsor, or know of anyone that would
be willing to support OSS, please contact us at OSS.PVO@orlandoscience.org

Thank you!!! With your help, we can reach this year's goal!
Visit our webpage for one stop shop for festival information:

YOUR CHILD MAY QUALIFY FOR
BREAKFAST AND LUNCH AT NO CHARGE

 - NO APPLICATION NEEDED!

If your child attends a school that participates in the Community Eligibility Provision (CEP), he or she is eligible for breakfast and lunch at no charge. CEP provides meals at no charge for every student in these schools, so parents don't need to complete an application to qualify.

Dear OSES Families,

The Free and Reduced Lunch Application for the 2019-2020 school year is now available through OCPS. All information can be found at the link below, including instructions on how to apply and answers to Frequently Asked Questions (FAQ's).

https://www.ocps.net/departments/food_and_nutrition_services/breakfast_and_lunch_prices/free_and_reduced_application_info

Parents/Guardians must submit the application to qualify for Free and Reduced Lunch. **Orlando Science Elementary is not responsible** for submitting applications for students.

Note: Free and Reduced Lunch applications are updated every single year. You must reapply every year

If you have any questions about Free and Reduced Lunch, please contact OCPS at 407-317-3200.

After School Clubs

All clubs are currently **FULL**. If you wish to join the wait list, please fill out the form below.

**After-School Club Waitlist Signup
2019-2020**

Information about our clubs and how to sign up for the waitlist. Please read this carefully. We will contact you if you are on the waitlist for a club. We will also contact you if you are on the waitlist for a club and you are no longer interested in joining. We will also contact you if you are on the waitlist for a club and you are no longer interested in joining. KINDERGARTEN

This week we read the "Lion and the Mouse" from Aesop's we learned that no matter how big and mighty you might be you still need help from everyone, no matter their size! We also continued working on her short /a/ sounds and identifying where we hear them in the word. We also worked on the /sh/ sound at the beginning and ending of words.

In math we had fun playing place value games, breaking apart numbers in tens and ones and skip counting by 1's and 10's.

We finished our week learning about the different animals from our story in Africa and how they all live amongst each other and get along!

FIRST GRADE

This week our first graders have been exploring fictional texts and thinking about the characters and their feelings. We also have been reviewing place value and our understanding of numbers. We had fun following learning the scientific method and thinking like scientists. Thank you parents for coming out to Curriculum Night!

Upcoming Events:

Tuesday, September 10th: Q1 Parent/Teacher Conferences - more information will be sent out as it approaches

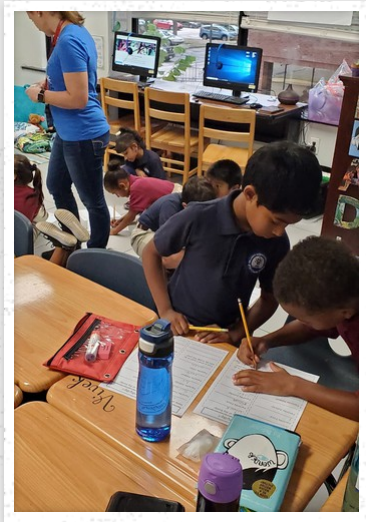

SECOND GRADE

In Mrs. Waugh's class this week, we worked on writing personal narratives, studied different types of maps, rounded, added, and subtracted three digit numbers, and have been reading *Destiny's Gift*. In Science, we are continuing to study the nature of science. We practiced our skills with a pointy pencil experiment.

THIRD GRADE

Mrs. Sokoloff's class enjoyed reading *Destiny's Gift* and relating community and giving.

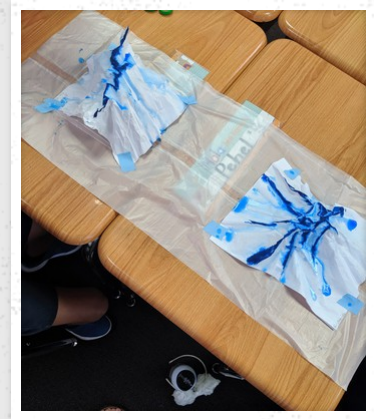

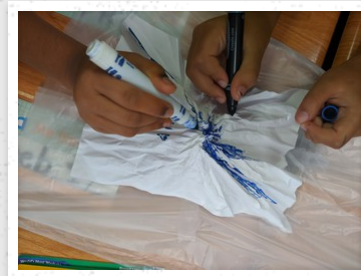

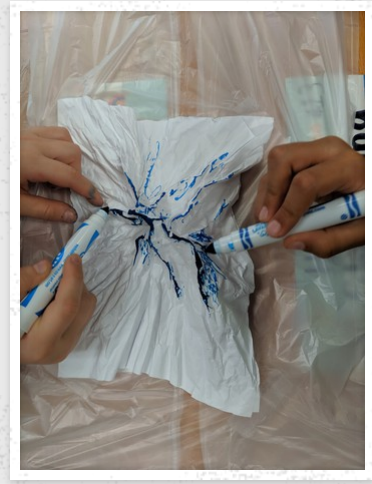

Ms. Hurley's Class had an awesome time meeting up with our STEM buddies in Ms. Molnar's class! We are super excited about all of the activities we will do with them this year. We are continuing with our read aloud of *Charlotte's Web* and students are excited to watch the movie and compare the book to the movie. We are completing our first unit in math this week and will be moving on to Multiplication which is unit 2.

FOURTH GRADE

The last two weeks Mrs. Roberts classroom has been a whirlwind of learning! In Science we are learning about how scientists observe, explore, and conduct solid research. We have conducted our personal observations and explored various topics including rivers, the details of our hands and butterfly patterns. Please see the pictures below! In writing we are starting out with informative essays and learning the difference between informative and opinion FSA

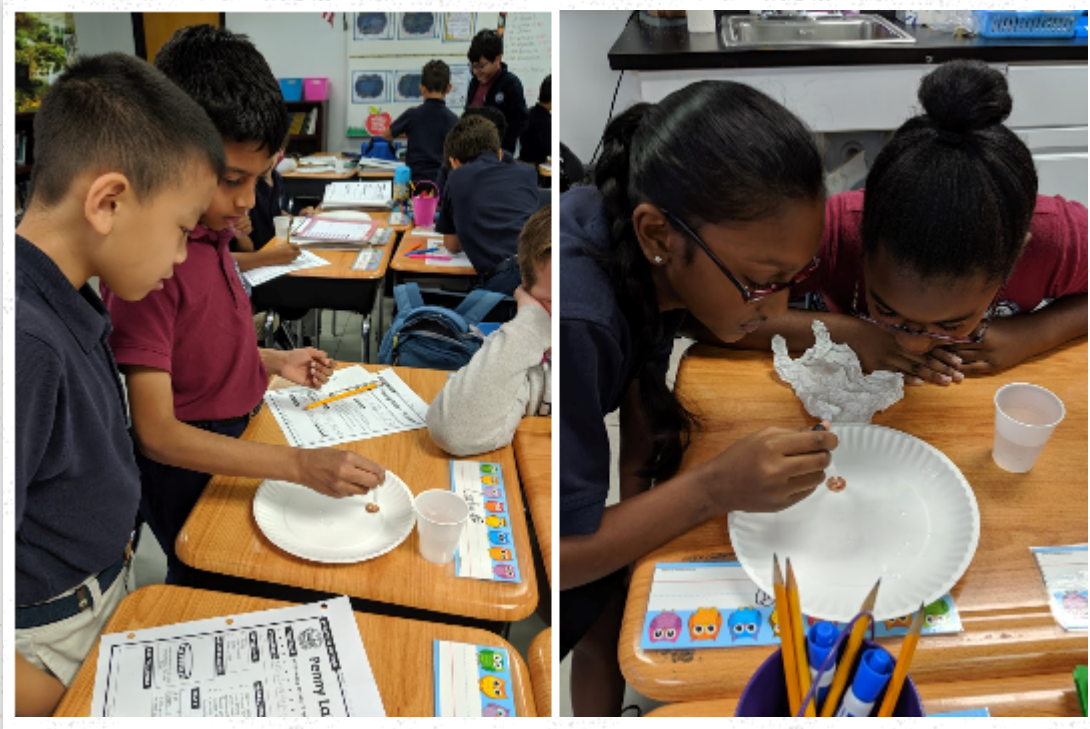

writing prompts. They are also learning to find the controlling idea! For ELA/Social Studies we are reading a novel about the capturing of the Castillo de San Marcos in the founding city of St. Austine, Florida. We are learning about the characters, setting, events and plot as we read.

FIFTH GRADE

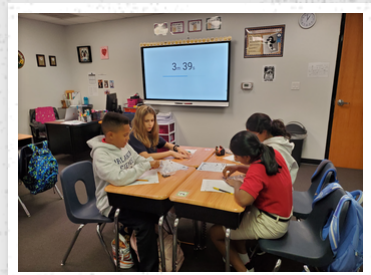

Ms. Calabrese's class has been working hard to learn about the scientific method and how scientists use the scientific method. This week they did an activity involving pennies and will be working on an activity creating paper airplanes. In math, students have been reviewing place value, powers of 10, and properties of multiplication. Next week, they will be reviewing multiplying and continue to learn about the scientific method.

A reminder to everyone in 5th grade, our Tuck Everlasting field trip will be on September 6. Please make sure your child brings a disposable lunch with them.

SIXTH GRADE

Mrs. Gajus' math classes have been hard at work learning the first set of standards for the year. Pre-Algebra students learned the difference between rational and irrational numbers, and played games in class to help them practice differentiating between the two. Next week they will learn about approximating and comparing rational numbers. My 6/7 classes learned about ratios, unit rates, and percentages. We are looking at both the 6th and 7th grade standards to ensure they have the foundations needed for success in learning 7th grade math throughout the year. Those classes also participated in board games relating to each skill to give them time to practice. Next week they will learn what proportional relationships are and how to identify them. Thank you to all families who attended Curriculum Night on Thursday! My presentation will be posted on OSES Connect soon for you to refer to anytime during the remainder of the year. Have a safe weekend!

SPECIALS

Specials Wish List!

Thank you for your support!!!!

6TH GRADE P.E WISH LIST

CLUBS

Many students are enrolled in Chess and we are off to a great start! However, we need about 3 more Chess sets. Please be sure to pay the club fees so more Chess sets can be purchased. Thank you and happy playing!

Animaguri is off the chain! We are working on learning the foundational skill of chaining so we can create awesome crochet creatures! We currently have a contest to see who can create the longest chain!

OSS RECYCLES

Turn Markers Into Energy!

Dear Parents,

I'm excited to tell you about a very special program I'm coordinating at our school in conjunction with Crayola. It's called Crayola ColorCycle – an amazing program devised to repurpose used markers rather than sending them to landfills!

The ColorCycle program has repurposed more than 70 tons of expended markers in the United States and Canada since 2013, and uses the most advanced plastic conversion technologies available today to make wax compounds for asphalt and roofing shingles as well as to generate electricity that can be used to heat homes, cook food, and power vehicles.

All year round Orlando Science students and teachers will be collecting used markers that are ready to be discarded. Please help support our efforts by sending your kids in with any used markers you may have around the house—even non-Crayola brands! Highlighters and dry erase markers can also be included. Drop-off boxes will be located around the school for your child to deposit the markers.

Thank you in advance for participating! With the help of parents like you across the country, the Crayola ColorCycle program can continue to keep tons of plastic out of landfills each year.

Remember, don't throw out that used marker—*ColorCycle it!*

Sincerely,

LeSha Martinez
Art Teacher

SCHOOL PAY

Parents can now make FREE online payments for most school expenses online with School Pay. This includes School Lunch and After Care! Simply log into your secure online School Pay Parent Center account and pay for items including **after school care fees, club fees, field trips, class fees, student fees and more.** The first step is creating your Parent Center Account at schoolpay.com Please go to "Charter Schools" tab and then choose your school name as "Orlando Science Elementary School" to complete the steps for creating your parent account. If you have any problems using the School Pay system please call 1 888-88-MYPAY

Questions about your student's school pay account can be directed to [Ms. Centenera](mailto:Ms.Centenera) at cristina.centenera@orlandoscience.org

INTERESTED IN VOLUNTEERING AT THE OSS TECHNOLOGY CAMPUS?

Orlando Science Families interested in volunteering at the OSS Technology Campus during the 2018-2019 School Year MUST be ADDitions approved. Below you will find the link to apply for ADDitions for the 2018-2019 School Year.

APPLY TO BECOME AN ADDITIONS VOLUNTEER TODAY!

PARENT VOLUNTEER ORGANIZATION

Welcome Parents!

All OSS K-12 Families are invited to attend the First General PVO meeting on **Wednesday, September 11, 2019 from 6-8pm at the High School cafeteria.** Learn about the Fall Festival and come join us in helping to make this fun family event a HUGE success! Find more details and RSVP to the meeting using the link below. Hope to see you there!

For the latest information and events happening at our technology campus, grades K-5 and technology 6th graders, please join our Facebook page under "OSSES PVO". We can also be reached at oses.pvo@orlandoscience.org.

**CLICK HERE TO RSVP TO THE 1ST PVO MEETING
9.11.19**

ATTENDANCE MATTERS

Attendance is key to the success of your student's learning. If you have any attendance concerns such as daily absences, upcoming absences, extended absences or questions please contact Mrs. Stella for k-3rd grade and Ms. Taylor for 3rd-6th grade

Stella.waton@orlandoscience.org

Taylor.watson@Orlandoscience.org

Please note that in order for an absence to be **excused** you must turn in proper documentation (i.e a doctors note) to the front desk

If your student is absent on a day that they have club, please remember to email the club teacher so that their absence for club that day is excused.

FORTIFY-FL

FortifyFL is a suspicious activity reporting tool that allows you to instantly relay information to appropriate law enforcement agencies and school officials.

Attention Parents:

Please do not drop your students off at the front before 8:10AM. You must go through the car line and drop them off in the back. This is for the safety of the students as there is not always someone up front to let them in.

Thank You!

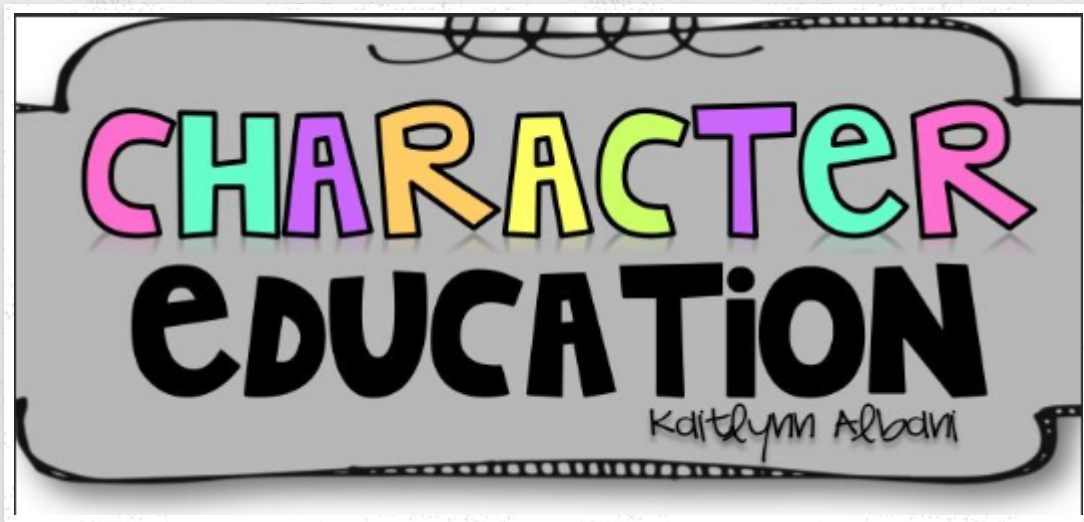

CLINIC REMINDER

Please do not send your child to school with medication. All medicine must be brought to the clinic by a parent. OTC medication must be SEALED/UNOPENED when brought in.

Thank You
