PRINCIPAL'S CORNER

THE WEEK ENDING 5-3-19

Dear OSS Technology Campus Families,

May 7th is Gallery Night, Come see all of the amazing art work created this year and participate in hands on art. Cost is \$5 per family. Students who participate will receive 2 dress down passes.

Don't forget to purchase your yearbooks! The current price is \$20. Please see Ms. Martinez for additional details.

Please remember that there is no pick up or drop off at the front desk during dismissal. If you need to make special arrangements please call the office ahead of time.

This Sunday May 5th, our Girls on The Run Team will be participating in the programs culminating 5K! It is being held in Baldwin Park. The 5K begins promptly at 8:30 am on Sunday! If any of you live in the area and are free to come support OUR AMAZING GIRLS, they would really appreciate all the cheering and encouragement from the sidelines.

Next week is Teacher Appreciation Week. Each day there will be a theme, however students can show their appreciate anyway they would like. A flyer of the themes was sent our via email and is also posted below.

Sincerely,
Michael Singleton

NEWSLETTER QUIZ

The Technology Campus is incredibly thankful for all of our faithful readers, and for that we would like to reward our families. Moving forward we will have a [NEWSLETTER QUIZ](#) located under the Principal's corner.

Dress down passes will be rewarded to the students who receive a 100% on the quiz for that week!

We hope that you have fun, and enjoy reading this week's edition! Entries are due the morning of Monday, May 13th.

SUPPORT YOUR SCHOOL

SCIENCE OLYMPIAD

OSS is heading to Nationals, and we need your help to get us there!

We are proud to announce that the Orlando Science Middle School Science Olympiad Team is heading to Nationals this May to represent the state of Florida. After taking home a 1st place prize at the State Competition, held at the University of Central Florida, their sights are now set on the National Competition in Ithaca, New York.

In order to make this dream a reality, the school is looking for dedicated individuals interested in "Sponsoring a Student." The sponsorship program will assist in costs associated with the travel, accommodations, and additional necessities for the team of 15.

Donations and sponsorship benefit details can be found through the links below. All donation processing will be made through Orlando Science's School Pay Account. Please feel free to review our fundraising site at your convenience. The deadline for donation will be **Friday, May 31st.**

If you have additional questions or concerns, please feel free to contact the school with your inquiries at OSMSEnrollment@orlandoscience.org.

KINDERGARTEN

This week in Kindergarten we had a great time learning about physics and gravity with our egg drop projects! We also sailed the seven seas learning about pirates from around the world in history and present day.

Our favorite thing was having a marine biologist come and talk to us about ocean conservation, sharks and Bimini research facility in the Bahamas!

FIRST GRADE

Mrs. Beckman's class continued the Monster in the Mangroves book study and finished their math unit on 2D shapes. Thank you to all parents for keeping your children ready to go for IReady testing this week! Have a super weekend!

I'm happy to announce that Ms. DiNuzzo's whole class will be attending the SSYRA ice cream party on **Friday, May 10th!** As a class, we've read all of the Sunshine Shine State Books except one from the list (but we plan to)! Congratulations class!

I'm also happy to announce that students have shown growth on their iReady Reading.

This week in Reading, we continue to compare and contrast a variety of Cinderella stories from Chinese Cinderella, Yeh-Shen, to the male version Prince Cinders.

****Don't forget these upcoming dates 1st grade:**

Gallery Night May 7th

Dress Down Day May 10th

SSYRA ice cream party May 10th

Glow in the Dark AR party Monday, May 13th

K-1 Field Day Wednesday May 15th

SECOND GRADE

THIRD GRADE

Third graders are ready to do their best on the FSA Math test Monday, April 6 and Tuesday, April 7. Please remember to have our kids get a good night sleep, healthy breakfast the days of testing, and get to school on time!

Each class is loving our A-Z countdown for the end of the year. Many classes had international day on Wednesday. It was interesting to learn about different cultures. Some exciting days coming soon are Biome Day, Field day and our last field trip to Fun Spot.

FOURTH GRADE

FIFTH GRADE

The students in Ms. Calabrese's and Ms. Blaske's math and science classes had an awesome time practicing for the FCAT and FSA with a test prep carnival.

Students worked in groups to complete math and science questions to earn tickets. With their tickets they bought prizes and treats such as popcorn and ice cream. Thank you to all the generous parents that donated items and took the time to make the carnival a success!

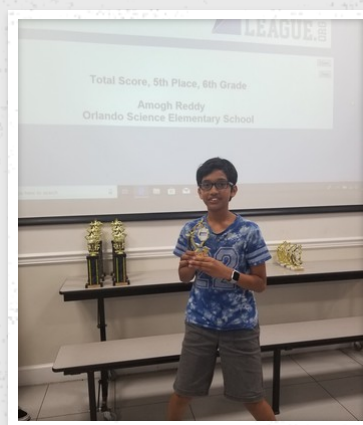

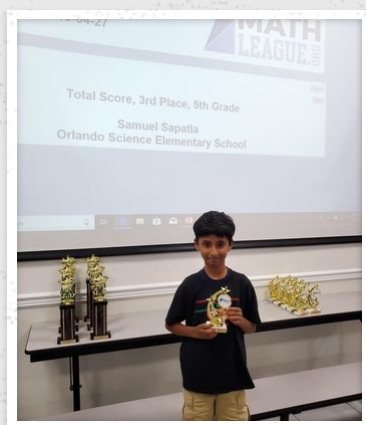

Remember, the permission slips for the Animal Kingdom field trip are due **Monday, May 6th**. We are still looking for more chaperones. Please contact your child's homeroom teacher if you are interested. Thank you for your continued support!

SIXTH GRADE

MATH COMPETITION

Orlando Science Elementary Math League Team participated in the Math League States Competition today, Saturday, April 27. Overall, the team placed third out of 17 schools. Individually, we had 7 students from grades 3-6 qualify for Nationals, which will take place on June 15th in Texas. In third grade, Huy placed in 5th place and Brayden placed in 1st place. In fourth grade, Anushka placed in 5th place and Rashed placed in 2nd place. In 5th grade, Samuel placed in 3rd place. In 6th grade, Purav placed in 7th place and Amogh places in 5th grade. All three coaches are super proud of everyone who participated in Competition Math Club this year and who made it to both states and nationals. Congratulations to everyone and good luck to the winners at nationals.
