STUDENT RE-ENROLLMENT AND NEW SIBLING ENROLLMENT REQUEST FOR 2017-2018 SCHOOL YEAR

January 04, 2017

Dear Parent(s),

We hope your child is having a wonderful learning experience at Orlando Science Schools. This request is for you to formally accept or decline your current students' enrollment for the 2017-2018 school year. Please complete this form and return it to your child's homeroom teacher no later than **Tuesday, January, 31, 2017**. No further action is required for returning current students for the 2017-2018 school year. *If this form is not returned to your child's homeroom teacher by **Tuesday, January 31, 2017**, your child may lose his/her spot at OSS for next school year.*

RE-ENROLLMENT FOR CURRENT STUDENTS (One application per student)

Please check the appropriate box below.

- Yes, my child _____ will be attending OSS for the 2017-2018 school year and will be a rising _____ grader.
- No, my child _____ will NOT be attending OSS for the 2017-2018 school year.

I have selected the appropriate Re-Enrollment option for my current OSS student and understand no further action is needed if they plan to return. If my student is not returning for the next school year, I understand I will need to schedule a withdrawal appointment prior to the end of the current school year to obtain a withdrawal form.

_____/_____/_____
 Parent Name (printed) Signature Date Homeroom Teacher

STOP - This section does NOT need to be filled out for students already attending OSS. The bottom portion of this form is only to be completed if you are requesting to enroll a new sibling who is not currently attending OSS.

PRE-ENROLLMENT REQUEST FOR NEW (NOT CURRENT) SIBLINGS ONLY

Please complete the information below **and submit an Online Application** for each sibling listed. The Online Application can be found at www.OrlandoScience.org. If we have space available to enroll the sibling(s) listed, you will be contacted via email with instructions on how to complete the enrollment process. If the number of siblings exceeds the number of seats available, a special sibling lottery may be held.

- My child has a sibling _____ who will be a rising _____ grader.
- My child has a sibling _____ who will be a rising _____ grader.
- My child has a sibling _____ who will be a rising _____ grader.

I have completed the Pre-Enrollment Request and Online Application for each sibling attempting to enroll at OSS or OSES and understand the sibling(s) listed are not *guaranteed* a spot for the upcoming school year.

Club of the Week

NHS and NJHS

The National Junior and National Honor Societies are two nation-wide organizations that we are proud to have here at Orlando Science Schools. We focus on community service and participate in a lot of different events such as helping raise money for victims in various disasters, Relay for Life, Breast Cancer week, Second Harvest Food Bank, and Toys for Tots. All of our members are required to maintain a high grade point average, continuously contribute volunteer hours, and are role models at our school and community. We meet every Monday and Tuesday in the cafeteria. These two clubs are more than just an honor roll, these clubs serves to honor those students who have demonstrated excellence in the areas of scholarship, leadership, service, and character. These characteristics have been associated with membership in the organization since its beginning in 1921.

We are currently accepting applications for membership until January 27, 2017. To obtain an application, please see Ms. Stevens in room 128 or Mrs. Frunker in room 148.

The School Science Fair is on January 18th, our School's Science Day! Please make sure you are ready to present your projects. In addition, you need to have all your forms in order. If your project was preapproved you should have those forms ready to hand back to Mr. Stampas. In addition, you will need to fill out the Entry form, Media Release form, and Abstract form if you would like to go to Regionals. The Forms need to be organized in number order, have no staples and all signatures need to be in blue ink. If you would like to volunteer please sign up at: <http://www.signupgenius.com/go/30e0949a9aa23a6f94-science>.

Science Olympiad

The regional competition has come! We are looking forward to our four teams in succeeding at this year's regional competition. Orange County is one of the biggest counties in the state. Over 30 schools compete at this regional competition. The top teams will progress to the state competition. If you have time, please wish our students good luck as they compete Saturday the 14th from 8am – 4pm at Lake Nona High School.

HOSA

This week our students competed in their respected Health Events: From CPR to Mental Health. Congratulations to all of our students as they have made it to Regionals January 21st. Next Saturday they will be competition directly on their hands on events at Keiser University from 7:30 am to 4 pm. Wish these students good luck: Sumaiyah, Kavita, Anique, Roshen, Jimmy, Daniella, Russell, Dante, Mehmet, Anthony, Gina, Veronique, and Briana!

STEM

STEM Art will be viewed on January 18th. We will have judges at our Science Day to help determine the winner. Please make sure that you have an index card describing your art. Your name should be on the back of your art as well. We will have the awards announced in February!

Good luck to all of the participants.

This holiday weekend we will be at Otronicon showcasing demos that our STEM students perform. Otronicon is a STEM and Video Game convention. Feel free to drop by the Orlando Science Center this weekend to enjoy the latest in STEM gadgets. Thank you to all that signed up to help!

This weekend we will have our first Science Bowl Competition. This is an Invitational during Science Olympiad Regionals at Lake Nona. Our students will have the chance to explore what it is like to buzz in and answer science questions. Testing their knowledge for future competitions. Good luck to all of the participants.

Environmental Club

Recycling, planting new plants, researching the latest green technology, these students keep striving for the best for our planet. If you are interested in some of the competitions that these students do please feel free to swing on by to Ms. Piontkowski's environmental club! They compete in Energywhiz Olympics, an event in which students design solar power contraptions that can cook the most delicious meals to modifying current technology with the latest green innovations. If you have another competition that you would like to participate, e.g. Envirothon, feel free to share it with the club. Arbor Day in Florida is January 20th! Our students use holidays like this to help spur the green movement here at our school. Be it beautifying the school campus or by spreading the knowledge of conservation. Earth Day is around the corner and these students need help coming up with ideas for this year's Earth Day celebration that will be happening in April. Please see Mrs. Piontkowski in how you can help out!
