Dear OSES Families,

Orlando Science Elementary School is pleased to announce the dates for a summer STEM Camp. The camp is exclusively for students attending the upcoming 2023—2024 school year at OSES, in grades 1st-5th. Students must have completed the enrollment process prior to starting camp.

STEM Camp will be offered during the following weeks:

Monday, June 12th- Friday, June 16th (Session 1)

Monday, June 19th- Friday, June 23rd (Session 2)

Each session of camp will cost \$275 per student, per session. For families with more than one student attending, discounts will be provided. Half-day or single-day camp is not being offered this year. Space is limited, so camp enrollment will be on a first come, first served basis. A daily snack will be provided for each student, however, families are responsible for providing lunch each day.

Students must be dropped off through the cafeteria no earlier than 7:30 a.m. Pick up will also take place in the cafeteria and students must be picked up no later than 4:30 p.m.

While on campus students will be required to abide by the OSES code of conduct. The OSES code of conduct can be viewed on the school website under Student Handbook.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael Singleton".
