### **Principal's Corner**

Dear Students and Parents,

Happy New Year! and Welcome back! I hope that everyone had a great winter break and ready for another successful year here at OSS! I would like to introduce Ms. Gandino as our new school secretary. Please join me to welcome her to Orlando Science Family. Between Ms. Becc and Ms. Smith, we have always been very lucky at the front desk. I am sure she will also continue this tradition of excellence and be a very important part of our school with her experience. Ms. Gandino's e-mail is <u>Gandino@orlandoscience.org</u> and she will be added to OSS Connect Staff Directory as well.

I would also like to inform you that Ms. Smith will be our new Media Specialist. We have many great things happening at Orlando Science and we have been feeling the need for someone dedicated to share these with our community. I believe that Media Center will be much stronger with Ms. Smith's discipline and hard work. Congratulations! I am sure she will continue her great performance in her new job.

Tomorrow Saturday Leadership SAT and AP Studies are starting. If you have not sign up, you may still do so. Please see the consent form on pages 11-14. The OSS Robotics Team is very excited to know 2016 FRC Challenge. The FRC Kickoff is live tomorrow in school cafeteria. The Judgement Day Robotics Tournament will also be at our campus on Saturday Jan 9<sup>th</sup>.

This week's newsletter is filled with some brief updates and reminders of our upcoming events so please read on. We are so glad to have everyone back!

Sincerely, Abdulazíz Yalcín Principal Orlando Science Schools Middle/High School

# Club of the Week :

The members of our Duke TIP club have been specially selected to enroll in the Duke TIP program, hosted by Duke University. Our seventh grade students will take the SAT or ACT, college admissions tests that college-bound students take while in high school. Regularly on Wednesdays, our club convenes and we work through math problems to prepare for the math portions of these tests. The problems are challenging, so peer collaboration is utilized. This peer-to-peer interaction not only promotes learning but also makes the learning fun! Some of our Duke TIP members took the SAT test prior to the close of last year and others will take the test later this month. If you see a Duke TIP student, wish him or her well on this upcoming test.

# GREAT WAYS TO SUPPORT ORLANDO

**SCIENCE** 

Attention OSS Families.....

Here are some great ways to support our school. Please check out these wonderful programs that give back to schools across the nation.
Make sure to start saving all of the following and send them to school in a baggie with your child's homeroom teacher's name on it. We will be having another dress down day contest after the New Year for the homeroom class that brings in the most by February 15<sup>th</sup>. Please continue to collect these year round for our school.
