## Principal's Corner

Dear Parents and Guardians,

As we finish another week here at Orlando Science, we hope you are all settling in and enjoying your classes and afterschool activities. We are so glad to have you all here with us as we continue another successful year.

We are very excited to announce that OSS is now offering "School Pay", please turn to page twelve for this exciting new payment service we are offering. On pages seven through eleven are important testing information provided to us by our Testing Coordinator Mr. Tuzen.

We will continue our principal's breakfast next week and it will run until the end of October, please select the link on page five for more information. On page sixteen you will find all of the students who are celebrated a birthday this week, you will also find the details regarding our new birthday dress down day procedures.

Pages twenty one through twenty two features the weekly club schedule as well as the tutoring schedule. On page twenty-three you will find the Student Media Center Calendar. Page fourteen is the Competition Math Calendar.

I would like to thank everyone who came out to our Annual Welcome Picnic last Saturday. We had a fantastic time, enjoyed delicious food, shared laughs and stories and we played some exciting games. We are so thankful for all of you here at OSS and the dedication you and your student's have to our school. We are truly one big family, if you were not able to make it, we understand, we hope to see you at the next one.

On Thursday October 6<sup>th</sup> 2016, OSS will hold our next dress down day. Students may check to see if they have qualified for this day by checking to see if their names have been posted on the wall next week. Students who are eligible to participate in this day must follow all dress down day procedures found in the student agenda.

Have a safe and wonderful weekend, and do not forget that Picture Re-Takes are on Monday October 3<sup>rd</sup>!

Sincerely,

*Abdulaziz Yalcin*

# PSAT:

# Not a Pre-Test

## Attention all 10<sup>th</sup> and 11<sup>th</sup> graders!!!

Mark your calendar for Wednesday, October 19th. On that day, you will be taking Pre-SAT exam. The PSAT is a vital step toward reaching your college goals. It measures the reading, writing and language, and math skills you need for college and a career. After the test, you'll receive feedback on how ready you are for college along with tools to help you improve. Your scores from the PSAT/NMSQT will also be used to determine your eligibility and qualification for the National Merit Scholarship Program. If you need additional information, you can contact our assessment coordinator Mr. Tuzen.

National Merit<sup>®</sup>  
Scholarship Program

Dear Students and Guardians:

Students in 10th and 11th grade will take the PSAT/NMSQT on **October 19<sup>th</sup> 2016**. The PSAT/NMSQT is the official route of entry to the National Merit® Scholarship Program at <http://www.nationalmerit.org/>

The PSAT/NMSQT is tightly aligned with the redesigned SAT and provides educators and students with the chance to check in on student progress. The test will support all students with a clear focus on the skills and knowledge that matter most for college and career success. Educators will be able to:

- Measure and follow student performance.
- Pinpoint areas for development.
- Prepare students for the redesigned SAT.

The PSAT/NMSQT will focus on the knowledge and skills that current research shows are most essential for college and career readiness and success. The tests will reflect the work students are doing in classrooms across the country and around the globe.

The new PSAT/NMSQT will give students access to free personalized SAT study. With students' explicit permission, Khan Academy will use their PSAT/NMSQT results to create a study plan especially for them.

Taking the PSAT/NMSQT can also connect students to:

- AP courses at <https://collegereadiness.collegeboard.org/about/benefits/connect-to-ap>
- Scholarships at <https://collegereadiness.collegeboard.org/psat-nmsqt-psat-10/scholarships-and-recognition>
- Colleges at <https://collegereadiness.collegeboard.org/about/benefits/student-search-service>

## **Get to Know the Test**

As parts of the SAT Suite of Assessments, the new PSAT/NMSQT are tightly aligned with the new SAT.

Find out what kinds of questions will be asked and which skills and knowledge areas will be tested. Go to Test Design at <https://collegereadiness.collegeboard.org/psat-nmsqt-psat-10/test-design>

## **Practice Test and Sample Questions**

Take a full-length practice test, explore sample questions, and visit Khan Academy. Go to Practice for the PSAT/NMSQT at: <https://collegereadiness.collegeboard.org/psat-nmsqt-psat-10/practice>

## **Free and exclusively from Khan Academy:**

For the first time ever, the creators of the SAT have given Khan Academy exclusive access and advice to build a personalized practice program for anyone, anywhere.

These tools are free and available now for every student to take ownership of their learning and their future.

## **Better Access to Better Data**

With sub-scores and cross-test scores, PSAT/NMSQT scores provide deep insight into student readiness for college and career visit:

<https://collegereadiness.collegeboard.org/psat-nmsqt-psat-10/scores>

If you have questions concerning the PSAT/NMSQT please contact Mr. Tuzen

Thank you,

## RECOMMENDED TESTING TIMELINE

### FOLLOW THIS TIMELINE IF YOU:

- Are aiming for highly competitive colleges
- Want to cut down on stress during senior year
- Want to achieve National Merit® Scholarship status
- Plan to apply early action or early decision to universities

### Which test is right for you?

Our recommendation: take a practice test for the SAT and the ACT and see which one you're most comfortable with.

### JUNIOR YEAR

#### SPRING/SUMMER BEFORE JUNIOR YEAR

- Begin researching schools
- Take a free ACT or SAT practice exam—pick the test that's right for you
- Start your ACT or SAT prep

#### FALL/WINTER

- Take the PSAT SAT Strategy
- Sit for the October SAT
- Take the test again in December, January or March, if needed

#### ACT Strategy

- Take the October ACT
- Sit for the February ACT, if needed

#### SPRING

##### SAT Subject Test Strategy

- Take AP exams in May
- In June, take the corresponding SAT Subject Tests

#### SUMMER BEFORE SENIOR YEAR

- Fall tests are your last chance before applications are due
- Prep now if you need to raise your score
- Kick off your college applications

### SENIOR YEAR

#### FALL

- Take the September ACT or October SAT
- Fall tests are your last chance if you're applying early decision or early action
- Take SAT Subject Tests in October, if needed

#### EXPERT TIP:

You can apply to multiple schools through early action, but only one through early decision (ED). If you're accepted to your ED school, you're obligated to matriculate there.

## Birthday Dress Down Approval Form

If your student is interested in dressing down for their birthday please stop by the front office fill out the proper form. Students are permitted to dress down on their birthday if their birthday falls on a weekday when school is in session or the Friday before if their birthday falls on a weekend. If their birthday falls over a scheduled break students are able to dress down the Friday before break begins and after their form is filled out and approved.

# 2016-2017 Welcome Picnic

On Saturday September 24<sup>th</sup> 2016 OSS held our Annual Welcome Picnic. This event is held annually as welcome to all new students and 6<sup>th</sup> grade families. This year we opened it up to all new and returning families and it was a huge success. We cannot thank you enough for spending your Saturday with us enjoying delicious food, sharing laughs and stories and playing games. If you were not able to attend this exciting even we hope that you join us next year as we continue the tradition.

"Students should be working on their science fair forms! The forms protect the students making sure that their project is safe, legal, and viable. Please see the attached flow chart for help on which forms you need to have. All students regardless of their project must have form 1,1A, 1B. Parents please note the following, Mr. Stampas is the adult sponsor, please do not sign there. For those three forms the only place parents need to sign is the top part of form 1B. Now if the project involves changing the environment in any way (e.g. placing a dollar on the floor to see who picks it up, or smiling at people to see their response) additional forms are needed! I encourage students to modify their experimental design so that they are not changing the environment such as observational studies, collecting the data online, or having a scientist/professional provide the data directly to them.

The major classes of projects that need additional forms include the following:

1. Vertebrate projects: If the creature has a backbone. Forms include form 2, 5A, 5B, and mortality report. A vet will be needed to evaluate the health of the creature before and after the project. If the pet dies or has a change in weight the project will be terminated.

Alternative - do the same project but on an invertebrate such as grasshoppers from pets mark or worms at a bait shop. This will minimize the number of forms and you can easily have 10 distinct trials on multiple creatures!

2. People project: If you are asking anyone (including yourself) to test or answer any question e.g what color they think it is. Forms include 2, 4, consent form, copy of tests, lyrics, materials that they will be provided, verification form. A psychiatrist or councilor will be needed to assess the project to make sure it is safe for participants.

Alternative - do an observational project. You can go to a public place and acquire a lot of data on what people normally do, without asking them anything.

3. Biological Hazards: Molds, Bacteria, DNA, Tissues, or Cultures. None of those hazards can be done at home! Forms needed include 1C, 2, 3, 6A, 6B, BSL 1 form. A biologist, microbiologist, doctor, or any appropriate scientist will be able to help you with the project. Students are not allowed to be exposed to any biological hazard, all petri dishes will remain closed.

Alternative - have the professional scientist perform the experiment and give the data to the student to assess and analyze. The data can also be found online or through hospitals without any physical contact with an experiment.

UCF has a lot of professors from a variety of fields that can help you if you email them promptly. The forms are due the 30th. The experiment itself should not be done, just the set up for the experiment! If you are still unsure on your project and the requirements please email me, Mr. Stampas, at [Stampas@orlandoscience.org](mailto:Stampas@orlandoscience.org)."

# Media Center Calendar

Below is the Media Center Calendar for a two week time frame. Students are able utilize the Media Center during or after school if the Media Center has an "Open Status" listed below and they have a Media Center Pass signed by a school staff member. The Media Center maybe used for book checkouts, research on both the computer and educational resources as well as homework time, or study sessions with other students. Please be aware students are not permitted to use the Media Center during or after school to play games or any other non-educational purposes. If they are found to be using the Media Center for anything other than educational purposes they will be asked to leave.

Labels for Education is running a new Sweepstakes for schools.

[www.grandstandforschools.com](http://www.grandstandforschools.com)

It runs from **August 1<sup>st</sup> thru October 31<sup>st</sup>**.

Enter in a few simple steps:

1. Click the link above
2. Enter your birthday to verify you are 18+
3. Enter your Email Address
4. Fill in the fields with your name and you may use the school address and phone number :  
-2427 Lynx Lane, Orlando FL 32804, (407)253-7304
5. Finish the remaining two fields listed on the page and click ENTER
6. Type in 32804 for our School Zip Code, and Select "Orlando Science Schools" from the drop down menu. Please be sure to NOT select "Orlando Science Elementary"

Once you hit submit you will be allowed to enter again once per day from now until October 31<sup>st</sup> 2016

**They are giving away \$10,000.00 to 100 lucky schools.**

The more entries for our school, the better chance we have of winning one of those.

Lake Whitney won \$10,000.00 last year from this.

The banner is red with white and black text. On the left, there's a photo of two children in a classroom. Below it, the text reads "EARN 5 BONUS ENTRIES FOR YOUR SCHOOL" and "With a receipt showing any participating product.\*" with an "UPLOAD RECEIPT" button. On the right, there's a graphic of a spinning wheel with the Campbell's logo in the center. Below it, the text reads "SPIN TO WIN SOMETHING FOR YOURSELF" and "Play for a chance to win a \$175 Visa® Prepaid Card you can use for groceries." with a "PLAY NOW" button.

There are two other ways to win, once completing your entry you will find two more options.
