Principal's Corner

Dear Parents and Guardians,

I hope we had a great start to the 2nd Quarter. In this week's newsletter you will find many important events happening both at OSS and in our community and a recap of some exciting events that took place.

Over this past weekend our Science Olympiad Earth and Space team took a field trip to help better prepare them for upcoming events, please turn to page nineteen for more information. This Saturday October 22nd 2016 UCF is hosting a Physics Career Exploration Day, for more information on this great event please turn to page eight and if you have any questions please email Mr. I. On page eighteen you will find the most recent information regarding Science Fair from Mr. Stampas as well as information on the upcoming STEM Art Contest. Page nineteen will provide you with more information for STEM Day.

Monday October 24th 2016 OSS will host Model UN Day in the gymnasium, please email Mr. Slason or Ms. Dunbar for more information. On Wednesday October 19th 2016 OSS hosted our 3rd annual literacy night. Please stay tuned to next week's newsletter for a recap on this great event.

Did you know that you may find OSS on three big social media platforms? Direct links to our three pages can be found on page thirteen. Your OSS Club of the Week is Mr. Morgan's Soccer Club; please turn to page twelve for more information.

We are pleased to announce that the OSS Language Department will be hosting their annual Picnic, please see pages six and seven for more information and how to RSVP. We cannot wait to see you all there! I would also like to congratulate all tenth and eleventh grade students on completing their PSAT/NMSQT on Wednesday October 19th 2016. This is a great accomplishment and we are so very proud of you all. I would like to also congratulate Shuhey and his varsity gold team for winning 1st Place at their Regional Golf Tournament, Shuhey and his team will proceed to the State Tournament next week. Good luck Shuhey we are cheering you on! Have a safe and wonderful weekend, we will see you on Monday!

Sincerely,

Abdulaziz Yalcin

Principal
Orlando Science
Middle/High School

"An investment in knowledge pays the best interest."

Dear Parents and Guardians,

On Saturday October 29th, Language Department is organizing picnic for the students who take Spanish and Turkish. We would be delighted if you and your family could join us. We will be serving hotdogs, chicken and veggie burgers. You are very welcome to bring some cultural foods. There will be lots of cultural games and fun activities.

We cannot wait to see you on Saturday October 29th 2016.

What: Picnic

When: Saturday, October 29th at 11:00 am to 1:00pm

Where: Orlando Science Schools Campus

Cost: None

If you would like to attend this wonderful event, please fill out the permission slip on the next page. All permission forms are due to Mr. Koc, Mrs. Aksu or Mrs. Nef no later than Wednesday October 26th 2016 by 4pm. We hope to see all of you there!

Student/ Parent consent Form

I, _____ (student's name) pledge to abide by all district policies of the OSS handbook. I understand that I am governed by the same rules on this event as when I am at school. Any failure to adhere to these policies will result in disciplinary action.

(Student Signature)

Grade/Section:

We (I), _____ the parent (s)/guardian of understands and agree that Field Trip is a school sponsored activity and function. This release is intended to cover all injuries of every name, type, kind or nature, and personal property damage, if any, which may be sustained or suffered from any cause connected with or arising out of, or from participation in the listed events. This is to certify that my child has my permission to go to Field trip listed with this group. I read and understood this form. By signing this form parent(s), give(s) consent to his/her.

Does your child have any food allergies or type of illness that needs to be monitored?

Yes No

Explain: _____

Parent's Name / Primary Phone # : _____

(Parent Signature)

Date

Cash: Check: Check Number: _____

Please turn in this page to Mr. Koc / Mrs. Nef/Mrs. Aksu by Wednesday, October 26th, 2016 by 4:00pm.

UCF Presents

Physics Career Exploration Day

Saturday October 22nd 2016

10:00AM

Registration Begins at 9:30AM

UCF Physics Career Exploration Day

The University Of Central Florida Physics Department will be hosting a Physics Career Exploration Day on Saturday, October 22, 2016 at 10:00AM (registration opens at 9:30 AM). This event will kick off in the College of Sciences Building, Auditorium Room 101. Students can register by using the link below.

http://sciences.ucf.edu/careers/?utm_source=Physics+Career+Day+Invite&utm_campaign=DSS+Series+Marketing+Email&utm_medium=email

Physics Career Exploration Day is geared toward high school students who want to explore careers in physics. The students are invited to bring one or two parents along with them to this career exploration day.

Physicists find themselves working in almost every science and engineering environment, including teaching, and are often in leadership roles. The students will hear from physicists about the great career opportunities in their fields. They will discuss how they chose their careers and what they actually do on a daily basis.

The day will include:

- Speakers from the UCF Physics Department
- Lunch, partly sponsored by the Florida High Tech Corridor Council (techPATH)
- Tours of UCF facilities
- Ice cream and personal discussions with both faculty and students from both departments.

Please communicate with Mr. I for more information.

The Princeton Review®

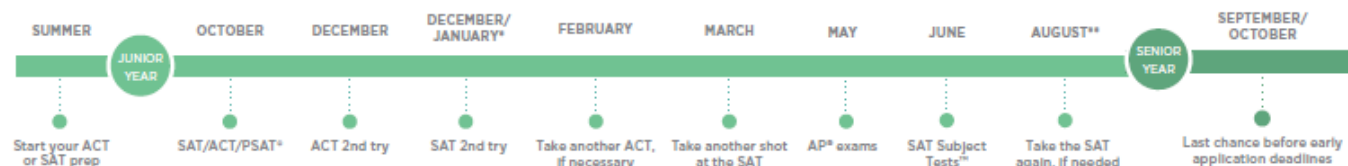

RECOMMENDED TESTING TIMELINE

FOLLOW THIS TIMELINE IF YOU:

- Are aiming for highly competitive colleges
- Want to cut down on stress during senior year
- Want to achieve National Merit® Scholarship status
- Plan to apply early action or early decision to universities

Which test is right for you?

Our recommendation: take a practice test for the SAT and the ACT and see which one you're most comfortable with.

JUNIOR YEAR

SPRING/SUMMER BEFORE JUNIOR YEAR

- Begin researching schools
- Take a free ACT or SAT practice exam—pick the test that's right for you
- Start your ACT or SAT prep

FALL/WINTER

- Take the PSAT SAT Strategy
- Sit for the October SAT
- Take the test again in December, January or March, if needed

ACT Strategy

- Take the October ACT
- Sit for the February ACT, if needed

SPRING

SAT Subject Test Strategy

- Take AP exams in May
- In June, take the corresponding SAT Subject Tests

SUMMER BEFORE SENIOR YEAR

- Fall tests are your last chance before applications are due
- Prep now if you need to raise your score
- Kick off your college applications

SENIOR YEAR

FALL

- Take the September ACT or October SAT
- Fall tests are your last chance if you're applying early decision or early action
- Take SAT Subject Tests in October, if needed

EXPERT TIP:

You can apply to multiple schools through early action, but only one through early decision (ED). If you're accepted to your ED school, you're obligated to matriculate there.

Birthday Dress Down Approval Form

If your student is interested in dressing down for their birthday please stop by the front office fill out the proper form. Students are permitted to dress down on their birthday if their birthday falls on a weekday when school is in session or the Friday before if their birthday falls on a weekend. If their birthday falls over a scheduled break students are able to dress down the Friday before break begins and after their form is filled out and approved.

SCIENCE FAIR

Science fair forms have returned! If your project has been approved you may start experimentation. Please ask your science teacher if your project has been approved or not. If you do not know still please ask Mr. Ulgut or Mr. Stampas for your project's status. Now that you can start your experiment you can start your Research Journal! Your Journal first dated entry is when you received approval to begin experimentation."

Research Journal: This logbook is the most important part of the project!!!! A logbook contains all written work done by the student. It is a diary, every day you think about your project make a note of it in your journal with today's date. It must be in the composition notebook and written in blue or black ink – no pencils or colored pens. Any errors must be crossed out – no white outs and no removed pages! Be sure to include any visits to the library, a museum, or any other site you visited to gather information. This must also contain a phone log if you made phone calls. Most importantly, this notebook must contain your project's scientific method. Please date each entry and number each page as used. This logbook will be on display with your backboard so that the judges can view your progress. This logbook will be turned in from time-to-time to monitor the student's progress towards benchmarks."

STEM Art Contest

Students should be wrapping up their STEM art pieces. Remember it is any 2D art form. The final touches can make or break an art piece so please tread cautiously. These art works will later be compared across our schools. New to this year are our grade groupings: (k-1st, 2nd-3rd, 4th-5th, Middle, High). There will be class winners, grade winners, grade group winners, and then interschool winners. Please be sure to present your art project to your science teacher by the end of October"

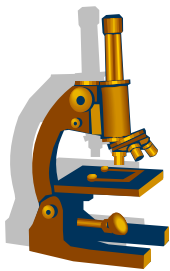

STEM Day

STEM Day has been pushed back to January the 18th. This is the same day as our school's science fair. We will now have stem demos during the day to mimic a classical science fair set up! Additionally we will have the STEM art from the earlier STEM art contest displayed in the gym. It will be a fun and fulling Science Day! SGA and the Senior Committee would like to have a day to fundraise and to promote STEM. Please have your students bring \$10 so that they can play some games, watch some demos, and help fundraise for their clubs.

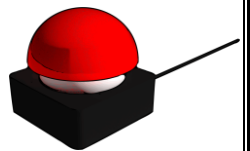

Science Olympiad Competition

On November 5th OSS will be having this year's first Science Olympiad competition. It is a middle school invitational at our sister school, Seminal Science Charter. Our 3 teams will be tested across various disciplines in science and engineering from Astronomy to Invasive Species. Come cheer our students on as they prepare for the regional competition in January! If you would like to join science Olympiad please contact Mr. Demir. High Schoolers, if you are in need of community service hours please talk to your science teacher to find ways of how you can help out."

Science Bowl

Science Bowl is a knowledge based competition in which teams of 5 answer questions regarding these categories: Chemistry, Biology, Physics, Mathematics, Energy, and Earth and Space Science. They answer jeopardy like question, where whoever is first to hit the buzzer may provide the correct response. Registration has opened up and OSS STEM club will be determining who will be on this year's team! If you would like to be on the team, please see Mr. Stampas after school during club time on Thursday.

Earth Space Field Trip

This past weekend, in preparation for the Science Olympiad invitational, our Earth Space students went on a field trip to Plant City's Rocks and Minerals Annual Expo. Every year, geologist, jewelry makers, and rock enthusiasts meet up from all over the state to show case and discuss Rocks and Minerals. Our students were able to learn about various classifications of Minerals and the Lapidary process. These rock hounds will be competing this year in Science Olympiad where we hope to retake 1st place at the state championship!

OSS Recycles!

OSS is recycling again this year! Every classroom has a recycling bin for fiber-based products. If you are unsure if it is a fiber-based product you can perform a rip test. Only fiber-based products, like paper, will tear and leave threads. Please encourage your students to keep recycling only fiber-based products. Every recycled paper keeps the planet tidier and conserves energy and resources. Keep up the good work! If you would like to know how you can help out even more please contact Ms. Pointkowski Thursdays after school during club time!

Congratulations

Shuhey W.

Please join us to congratulate Shuhey Wada & the Varsity Golf Team for winning 1st place at their Regional Golf Tournament last week.

Shuhey will be proceeding to the STATE TOURNAMENT next week Monday through Wednesday. Congratulations again Shuhey we are so proud of you, good luck next week!

Club Schedule and Coaches

Day	Club	Coach
Monday/Tuesday/Thursday	Advanced Band	Mr.Jenkins
Monday	AMC 10/12- (8th-12th)	Mr. Akyalcin
Thursday	Art Club	Ms. Killian
Friday	Badminton(MS)	Ms. Masuoka
Thursday	Basketball(6th-8th)	Ms.Zeratsky
Monday	Basketball(9th-12th)	Mr.Morgan
Tuesday	Battle of the Books	Ms. Leal
Thursday	Character Traits with Anime	Mrs. Nef
Thursday	Chess Club	Mr. Koc
Wednesday	Comic Book Club	Mr. Liesch
Monday/Wednesday	Competition Math Algebra 1(6th and 7th)	Mrs. Koc
Wednesday/Friday	Competition Math Algebra 2 (8th-9th Grade)	Mr. Moon
Wednesday	Competition Math Number Theory and Probability(6th Grade)	Mr. Akyalcin
Monday	Competitive Writing	Ms. Leal
Monday	Competition Math Pre-Algebra(6th)	Mr. Yakisma
Wednesday/Friday	Competition Math Pre-Calc and Calculus (9th-12th)	Mrs.Akyalcin
Friday	Drama Club	Ms.Harper
Tuesday	Duke TIP	Mr. Thomas
Thursday	Environmental Club	Mrs.Piontkowski
Wednesday	Film Club	Mr.Lakner

Science	History	Electives	Math	Language Arts
				

Media Center Calendar

Below is the Media Center Calendar for a week time frame. Students are able utilize the Media Center during or after school if the Media Center has an "Open Status" listed below and they have a Media Center Pass signed by a school staff member. The Media Center maybe used for book checkouts, research on both the computer and educational resources as well as homework time, or study sessions with other students. Please be aware students are not permitted to use the Media Center during or after school to play games or any other non-educational purposes. If they are found to be using the Media Center for anything other than educational purposes they will be asked to leave.

<i>Media Center Student Calendar</i>				
Monday 10/24	Tuesday 10/25	Wednesday 10/26	Thursday 10/27	Friday 10/28
During	During	During	During	During
Closed for Testing	Closed for Testing	Closed for Class Use	Closed for Class Use	Open
After	After	After	After	After
Closed	Open	Weekly Newsletter Trivia Competition	Open	Open

-Please note that Media Center statuses may change at any time due to meetings, academic needs and testing.

Labels for Education is running a new Sweepstakes for schools.

www.grandstandforschools.com

It runs from **August 1st thru October 31st**.

Enter in a few simple steps:

1. Click the link above
2. Enter your birthday to verify you are 18+
3. Enter your Email Address
4. Fill in the fields with your name and you may use the school address and phone number :
-2427 Lynx Lane, Orlando FL 32804, (407)253-7304
5. Finish the remaining two fields listed on the page and click ENTER
6. Type in 32804 for our School Zip Code, and Select "Orlando Science Schools" from the drop down menu. Please be sure to NOT select "Orlando Science Elementary"

Once you hit submit you will be allowed to enter again once per day from now until October 31st 2016

They are giving away \$10,000.00 to 100 lucky schools.

The more entries for our school, the better chance we have of winning one of those.

Lake Whitney won \$10,000.00 last year from this.

The banner is red with white and black text. On the left, there's a photo of two children at a table. Below it, the text reads "EARN 5 BONUS ENTRIES FOR YOUR SCHOOL" and "With a receipt showing any participating product.*" with an "UPLOAD RECEIPT" button. On the right, there's a wheel of fortune with the Campbell's logo in the center. Below it, the text reads "SPIN TO WIN SOMETHING FOR YOURSELF" and "Play for a chance to win a \$175 Visa* Prepaid Card you can use for groceries." with a "PLAY NOW" button.

There are two other ways to win, once completing your entry you will find two more options.
