Principal's Corner

Dear Parents and Guardians!

As we finish another quarter we cannot thank you enough for all your hard work, consistency and dedication. This week's newsletter will cover everything for the next two weeks to keep you in the know.

I would like to wish our Science Olympiad and Mu Alpha Theta the best of luck this weekend as they compete in their State Competitions. We are so very proud of their hard work and accomplishments and we know you all will do fantastic.

Your club of the week is History Fair Club sponsored by Mrs. Gourdie; please turn to page six for an insight of this amazing club. On page five you will find an updated Assessment Calendar for the remainder of the year.

Congratulations to the students who were awarded the February Students of the Month. These individuals have displayed outstanding character and exceeded behavioral expectations here at OSS. You will find these students located on pages seventeen and eighteen.

Once again our OSS College Corner is back you will be able to find information on the Exxon Mobile Scholarship located on pages eight through eleven. Congratulations to our FIRST Robotics team who earned an invitation to the World Championship. Please turn to page twenty three for more information.

Please don't delay March 25th 2016 is the last day to order yearbooks before the price increase. Do not miss out on this memorable item, for more information please turn to page twelve. All orders forms may be turned into Ms. Smith or Ms. Carhart. Yearbook Ad information is located on pages thirteen through fifteen.

Congratulations all of those who won their County History Fair Categories please turn to page twenty one for the full list! These students will be moving onto the state competition. Please be advised that we will not have Saturday Leadership Academy this Saturday March 19th 2016 and next Saturday March 26th 2016.

Have a wonderful and safe spring break and we will see you all on March 28th 2016 as we begin our 4th and final nine weeks of the 2015-2016 school year!

Sincerely,
Abdulaziz Yalcin
Principal
Orlando Science
Middle/High School

Club of the Week

History Fair Club

Orlando Science's History Fair Club is an opportunity to have a good time with your friends and get a little extra help on your history fair project. We try to receive everyone's input on weekly club activities. History Fair Club meets on Thursdays after school during club time in Mrs. Gourdie's room. Stop by for more information and delicious snacks!

EXTRA, EXTRA

Orlando Science School System Accreditation

Orlando Science School's plan to obtain accreditation for a school system is moving forward. A Readiness Visit was conducted by AdvancED last week to prepare the school's accreditation team for what is to come over the next several months.

Please view the link below for updates, links, and further information about Policies and Procedures of AdvancED.

<http://www.orlandoscience.org/advanced-accreditation/front-page/advanced-accreditation>

OSS FACEBOOK

Orlando Science Middle/High School is now on its new Facebook page. Due to the events and activities, our middle/high school page has moved to www.facebook.com/orlandoscience

Please like us! You may also visit and follow the recent events and activities that are happening at the school on our new Facebook page.

Saturday Leadership Academy

There will be no Saturday Leadership Academy this Saturday March 19th 2016 and next Saturday March 26th 2016 due to Spring Break.

ORLANDO SCIENCE COLLEGE CENTER CORNER

Named for the first African American to walk in space, ExxonMobil Bernard Harris Math and Science Scholarships are available to 2016 graduating high school seniors in school districts represented by the Council of the Great City Schools.

Four scholarships for two males and two females --- \$5,000 each --- will be awarded to two African American and two Hispanic students on behalf of the former NASA astronaut, physician and businessman, Dr. Bernard Harris. Deadline for submissions is April 15, 2016.

***Students may apply to the scholarship online. Please distribute the scholarship application and guidelines in your districts. For students to apply, they should click the link below or access the Council's website.

Application Link: <http://www.cgcs.org/domain/19>

Please also see the next three pages for more information.

PROGRAM DESCRIPTION

ExxonMobil and Dr. Bernard Harris strongly believe that education is key to progress, development and economic growth in our country. Together, they have developed a partnership to increase awareness about the need for more math and science graduates, especially among underrepresented populations. For the seventh year, this scholarship is part of their efforts to support students of color who plan to pursue math- and science-related degrees.

Four scholarships for two boys and two girls, with a value of \$5,000 each, will be awarded in June 2016 to two Black and two Hispanic students currently completing their senior year of high school in a member district of the Council of the Great City Schools (see list of member districts on left). Applicants must be accepted for full-time enrollment at a four-year college or university in the next academic year and pursuing a degree in Science, Technology, Engineering or Mathematics (STEM).

The scholarships, named in recognition of Dr. Bernard A. Harris, Jr., serve underrepresented students pursuing careers in the fields of Science, Technology, Engineering and Mathematics. As a former astronaut, physician and businessman, Dr. Harris is an outstanding role model dedicated to serving as a mentor to the scholarship recipients.

Applications will be reviewed by a committee appointed by the Council of the Great City Schools. Recipients will be selected by Dr. Harris and notified in June. The scholarship will be paid to the university of the recipient's choice and can be applied to tuition and related expenses during the 2016-2017 academic year.

PROGRAM GUIDELINES

To apply for the 2016 scholarship, this application must be submitted online by April 15, 2016, and should include evidence of the applicant's academic achievement in high school, leadership skills or community service in the area of Science, Technology, Engineering or Mathematics and the applicant's commitment to pursue a career in a STEM field. To be eligible for the scholarship, the applicant must have a minimum 3.0 unweighted grade point average and have been accepted as a full-time student at a four-year institution of higher education.

No person may receive more than one award administered by the Council of the Great City Schools in the same academic year. Employees or immediate family members of employees of ExxonMobil, The Harris Foundation or the Council of the Great City Schools are not eligible to apply for these scholarships.

***All applicants must attend a public school in a Council of the Great City Schools district.**
Go to: www.cgcs.org/Page/211 to find the list of CGCS districts.

ExxonMobil Bernard Harris Math and Science Scholarships

2016 Partners

The ExxonMobil Foundation is the primary philanthropic arm of Exxon Mobil Corporation (NYSE:XOM) in the United States. The foundation and the corporation engage in a range of philanthropic activities that advance education, promote women as catalysts for economic development and combat malaria. In the United States,

ExxonMobil supports initiatives to improve math and science education at the K-12 and higher education levels. In 2014, the ExxonMobil Foundation together with Exxon Mobil Corporation, its divisions and affiliates along with employees and retirees, provided \$279 million in contributions worldwide. www.exxonmobil.com/community

Founded in 1998, The Harris Foundation is a 501 (c) (3), non-profit organization based in Houston, whose overall mission is to invest in community-based initiatives to support education, health and wealth. The foundation supports programs that empower individuals, in particular minorities and economically and/or socially

disadvantaged, to recognize their potential and pursue their dreams. The education mission of The Harris Foundation is to enable youth to develop and achieve their full potential through the support of social, recreational, and educational programs. The Harris Foundation believes students can be prepared now for the careers of the future through a structured education program and the use of positive role models. More than 50,000 students have participated and benefited from THF programs. www.theharrisfoundation.org

The Council of the Great City Schools is the only national organization exclusively representing the needs of urban public schools, and is based in Washington, D.C. Composed of 70 large city school districts, its mission is to promote the cause of urban schools and to advocate for inner-city students through legislation, research and media relations. www.cgcs.org

ORLANDO SCIENCE SCHOOL YEARBOOKS FOR SALE

Purchase your 2016 yearbook today!

~~**Early Order Discount- \$30.00**~~
~~January 11th-February 26th~~

Standard Order Window- \$35.00
Beginning February 27th- March 25th

Final Order Window- \$40.00
March 26th- April 8th

NO EXTRA COPIES WILL BE AVAILABLE AFTER APRIL 8TH
Distribution - last week of school
LIMITED SUPPLY

Students can now purchase their 2016 school yearbook. Students were given an order form in their homeroom. Order forms are placed on the front table when you walk into OSS. If you plan on ordering a 2016 yearbook, please attach the order form with your payment. You may pay using exact cash, money order, or check. All checks should be made out to Orlando Science School. Students should hand in their order form with their name, in an envelope, to the front desk before or after school only. Please be aware of the order windows, as prices will increase as the year progresses. The ultimate last chance to buy a yearbook is on April 8th, 2016. Once we figure out all the details for the Ads, such as costs and the process, we will let everyone know as soon as possible!

Thanks so much!

OSS Vans Custom Timeline

March 15th 2016

During the end of 7th period signs ups begin for Vans Custom Contest

March 17th 2016

Category Teams are decided and finalized and shoe styles are picked. Team Captains are assigned.

March 28th 2016

Vans Custom Team will meet directly after school beginning at 3:00pm until 3:15pm for a brief meeting.

March 29th 2016

Vans Custom Team will meet at 3:00-3:45pm in the front office and shoes will be given to team captains to begin design process once designs are approved by Ms. Smith.

March 31st 2016- April 5th 2016

Vans Custom Team will design their shoes according to their category. Students may take the shoes home to work on them once approved by their team captain or work on them at the front office after school.

April 6th 2016

Vans Custom Team will meet after school from 3:00-3:30PM to begin taking photos of shoes and uploading them to the contest website.

Our schoolwide History Fair winners competed in the Orange County History Fair on March 5th. Students competed with and displayed projects about historical figures and groups under the theme “Exploration, Encounter, Exchange in History”.

We would like to congratulate those students who will be moving on to the State of Florida History Fair on May 2nd, 2016!

FIRST ROBOTICS

The OSS Robotics Team Clockwork Mania had a great time competing against 71 teams from across 12 southern states. The team was nominated and awarded the Motivate Award for their work of spreading FIRST and STEM. This award earned the team and invitation to the World Championship on April 27th-30th, 2016. Congratulations to their coach Mrs. Barea and all students! Good Luck at the World Championship!
