OSS Relay for Life

On Friday, May 13, 2016, the National Junior and National Honor Societies, Rho Kappa, and Mu Alpha Theta students participated in the East Orange Relay for Life event held at Timber Creek High School. Over seventy students participated in the event and Orlando Science team raised over \$7,000 for this worthy cause. At the event, students were in charge of decorating our sites, participating in different themed laps, running game booths, solving challenging math puzzles, and selling different types of concessions. Other fundraising activities included a middle school dance, Giraffas spirit night, pancake breakfast, dress down week, coin wars, and soda grams. Thank you to all students, staff, and parents who participated in these events and helped our Relay for Life team reach our fundraising goal. We are so proud of all of the students who took part in this event and we thank them for all of their hard work. We look forward to next year's Relay for Life event.

Orlando Science Schools *FIRST* Robotics Competition (FRC) team 4013 Clockwork Mania and FIRST Tech Challenge (FTC) team 5070 N.U.T.S. (Nerds United for Technological Superiority) competed at the *FIRST* World Championship held in St. Louis Missouri from April 27 to April 30, 2016. We are extremely proud of our robotics club and students. Clockwork Mania and N.U.T.S. were represented at the World Championship by Carlos Barea, Sebastian Orellana, Edwin Cruz, Martin Granger, Colin Chaney, Beth Martin, Alesha Webb, Daniella Gutierrez, Nikhil Mahalanobis, Nikhil Patel, Dennis and Camila Berrios, Ryan and David Varley, Mustafa Goktepe and Jovangel Ortiz.
