# 🏀 Club of the Week : 🏀 Basketball

Basketball club is a great opportunity for students to get to play some pickup games of basketball with friends while also learning new skills or further enhancing current skills.

There are two clubs, one for middle and one for high school. Students are challenged to play their best in a safe, fun environment!

Dear Students and Guardians:

Orlando Science has added a second administration of the PSAT 8/9, for 8<sup>th</sup> and 9<sup>th</sup> grade students who were not able to register for the PSAT 8/9 administered on October 28, 2015. These students have another option to take the PSAT 8/9, on **Wednesday, December 9, 2015**. The **test fee is \$10.00**. **The deadline to register for the PSAT 8/9 is November 5, 2015**. Registration form is attached to this letter.

The PSAT 8/9 is the first test in the SAT Suite of Assessments. Tightly aligned with the SAT, PSAT/NMSQT, and PSAT 10, it establishes a baseline for college and career readiness as students enter high school. We encourage all eligible students to sit for the assessment and will provide guidance.

## PSAT 8/9 Quick Reference Guide

### Personalized Study for the PSAT/NMSQT and SAT

Students who take the PSAT 8/9 will receive personalized SAT study resources based on their results. This [Khan Academy practice experience](#) will be adaptive and tailored to meet each student's individual needs.
