OSS Student Receives

OSS Junior Jaelen A. received the “President’s Volunteer Service Award for his volunteer work with the City of Orlando. Jaelen volunteered with the City of Orlando and worked alongside elected Officials for 5 years completing just over 500 Volunteer Hours. We are so proud of Jalen’s hard work and dedication and we know you will succeed in anything you put your mind to. To the letter Jaelen received please turn to the next page.

THE WHITE HOUSE

WASHINGTON

Congratulations on receiving the President's Volunteer Service Award, and thank you for helping to address the most pressing needs in your community and our country.

In my Inaugural Address, I stated that we need a new era of responsibility—a recognition on the part of every American that we have duties to ourselves, our Nation, and the world. These are duties that we do not grudgingly accept, but rather seize gladly, firm in the knowledge that there is nothing so satisfying to the spirit than giving our all to a difficult task. Your volunteer service demonstrates the kind of commitment to your community that moves America a step closer to its great promise.

Our Nation faces the most challenging economic crisis in a lifetime. We will only renew America if we all work together. Individuals, the private sector, and government must combine efforts to make real and lasting change so that each person has the opportunity to fulfill his or her potential.

While government can open more opportunities for us to serve our communities, it is up to each of us to seize those opportunities. Thank you for your devotion to service and for doing all you can to shape a better tomorrow for our great Nation.

A handwritten signature in black ink, appearing to be "Barack Obama", written in a cursive style.

celebrate **BLACK** history **MONTH**

OSS Celebrates “Black History Month” by featuring monumental individuals who have shaped our nation and have been proven leaders in our great society.

*Muhammad
Ali*

“Great boxer of the 1960s. Refused to fight in Vietnam. Then a controversial decision, he later became widely admired as a principled figure of great stature.”

*Fredrick
Douglas*

“A former slave, Douglass became a leading figurehead in the anti-slavery movement. One of the most prominent African American leaders of the Nineteenth Century”

Daisy Bates

“Daisy Bates was a pivotal civil rights activist and the guide, mentor, and advisor for the Little Rock Nine.”

*Condoleezza
Rice*

“Condoleezza was the first Black woman to serve as the US National Security Adviser and Secretary of State. She was also the first Black female to hold the position of provost at Stanford University”

CPR

Certification Interest Survey

Dear Orlando Science Parent and Students,

Orlando Science would like to offer CPR certification classes (First Aid/CPR/AED adult and pediatric.) This will be a great opportunity for all parents and students! We would like to incorporate blending learning classes every semester. Blending learning is half online and half in-person training. The in-person training should take no more than 3 hours and 45 minutes. All CPR certifications expire every two years, so it is important to recertify every two years and retain your knowledge. In the future the school can provide recertification trainings that will cost \$15. We ask that you take this time and fill out the form below so we can begin planning the process if we have a large number of individuals interested. Once you have completed this survey please return the form below to Mrs. Foley at the front desk. There is also an online survey you may take using the link below instead of the below paper format.
