NATIONAL POETRY MONTH

“Dreams”

by Langston Hughes

Hold fast to dreams
For if dreams die
Life is a broken-winged bird
That cannot fly.

Hold fast to dreams
For when dreams go
Life is a barren field
Frozen with snow.

Club of the Week

Film Club

Club Sponsor: Mr. Lakner

Film club meets once per week on Wednesdays. We are a small but close nit group of middle and high school students who have a passion for all things film and television.

Film club develops students' appreciation for film and the filmmaking process. We identify different elements of filmmaking by observing commercial films and television shows. We also discuss the different methods of filmmaking to convey a message (ex. Video Film, Stop Motion, Silent film, Still Photography.)

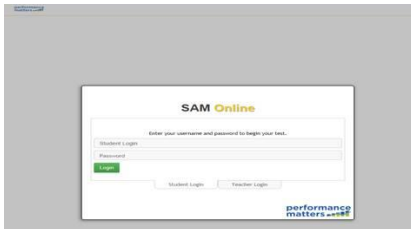

Dear Parents/Guardians and Students!

We are pleased to announce we will be utilizing Performance Matters Unify for practice FSA, EOC, NGSSS and common Final exams. Benchmarks exams have been developed by OCPS and they are now available in Performance Matters Unify. They are mini assessments focused on certain benchmarks. This will allow you to see an idea of how your student(s) perform on each benchmark. These mini benchmarks have been uploaded to your student's account and their teachers will be able to see their assignment progress and results. These are a wonderful tool in order to better prepare your student for their upcoming testing season. We highly recommend that students take the practice mini benchmarks after school and at home. Every Friday, new mini benchmarks will be added to the student's accounts.

Please see below link and login instructions for your student(s):

OSS Celebrates

Earth Day

On Friday April 21st 2017 Orlando Science Middle High celebrate Earth Day. During this event students were able to recycled plastic bottles to plant their own seeds, make nature prints and bird feeders and have their faces painted. Thank you Ms.Piontokowski and her team for putting on a fantastic event and thank you to everyone who donated plastic bottles.

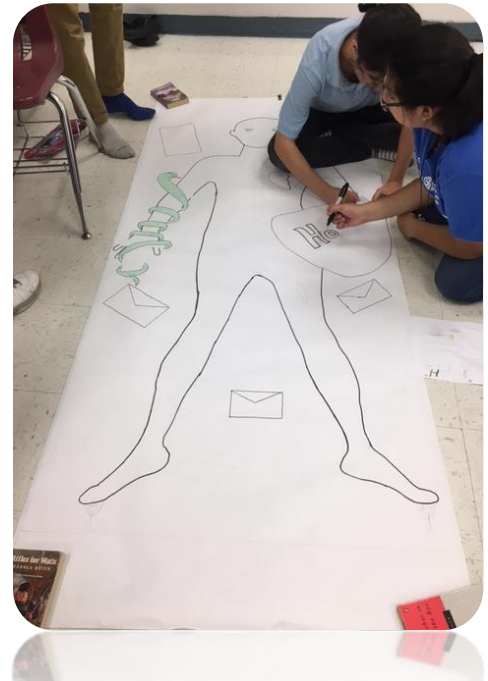

Around School

Our students have been busy around school; take a look at what they have been up to.

The Class of 2017 attending the annual senior celebration "Grad Bash at Universal Orlando"

Every year after reading Shakespeare, 10th grade students taking English II honors complete a cumulative group project. Each life-sized "Body Biography" reflects the characteristics of one of the characters from the play. Perhaps, in place of her heart, she has a bag of gold coins to represent her greed. Perhaps, in place of his backbone he has a string of marshmallows to represent his lack of will. As you can see, it requires the full participation of all involved, and gives students with artistic talents to shine!

Two actresses from the upcoming "Wizard of Oz" production had a chance to appear on the daily morning announcements to promote their play.
